"Match color and tone" is one of the new capabilities in Photoshop Elements 2024. Users can choose from predefined colors and tones or use their own photographs for this. Adobe says, "Click once, and then adjust brightness, saturation, and hue." Users may create a reel of photographs they like with text, graphics, and effects with the new Photo Reels feature. Users may export them as GIFs or MP4s, making it simple and quick to share them on a variety of social networking networks. Photoshop Elements 2024 now has access to the choose topic capabilities that are widely used in Adobe Lightroom, Adobe Camera Raw, and Photoshop, thanks to Adobe AI. Users can choose the subject of an image or merely the background with ease thanks to automatic choices, which facilitates localized editing and compositing. Popular one-click image altering options are now available through a Quick Actions menu. One-click changes, for instance, can be used to colorize images, smooth skin, remove or blur backgrounds, and much more. This menu now includes an AI-powered "JPEG Artifacts Removal" option that automatically enhances and smoothes compressed JPEG photos. The Guided Edits feature of both Photoshop and Premiere Elements are well-known. With the aid of these detailed lessons, users may successfully complete projects and common editing tasks. There are currently 62 of these tutorials in Photoshop Elements 2024, featuring new ones for Amazing Landscape and Replace Background. Photoshop Elements 2024 has a

completely redesigned user interface in addition to these additional features. The app's fonts, icons, buttons, and colors have all been updated by Adobe, and users now have the choice to choose between bright and dark settings. A redesigned user interface, additional Guided Edits, matching color and tone, and a few more enhancements bring the total number of new features and improvements in Adobe Premiere Elements 2024 to 26. Photoshop Elements 2024 has similar changes and new capabilities. With AI-automated Highlight Reels, the latest version of Premiere Elements also partakes in the "Reels" experience. This feature, which emphasizes and includes excellent motion and close-up video, promises to produce engaging video compilations. To further enhance audio quality, Premiere Elements incorporates new effects such as reverb, vocal enhancer, and "dehummer." To add some flair to the video portion of the content, the app has also included new graphics. Additionally, Adobe has revealed that the Elements Organizer's companion apps for mobile and web include creative overlays, one-click picture repairs, and auto-syncing of images and videos. There is presently only an English-language beta available for these three features.
