Leading psychologist and financial commentator Palaian offers a tested, step-by-step guide to help people break the spending obsession by looking within. Today, Americans are saving less, carrying larger debt loads, losing their homes to foreclosure, and filing bankruptcy in record numbers. Yet, people continue to spend more than they can afford. The advice of financial planners only treats the symptoms of overspending. In *Spent*, Sally Palaian offers proven plans for taking on a range of personal issues with money by examining those underlying emotional, familial, and

societal factors that trigger spending behaviors. *Spent* teaches readers to control shopping, pay off debt, develop budgets, and become financially competent through: - easy-to-use assessment tools designed to pinpoint the severity of a problem - questionnaires that facilitate the exploration of the root causes of unhealthy financial behaviors - user-friendly exercises created to influence change from within Palaian's system for financial recovery is also designed to help hoarders, financial codependents, and underachievers attain lasting, positive change and a healthy view of one's true value in life. Palaian has spoken about financial disorders for various therapy

This book breaks down the sometimes overwhelming and difficult task of creating a successful grant winning proposal into a series of clear and definable steps that lead to grant success. The implementation of these pro-active grant steps results in government, foundation and corporate grants success. Whether you are with a non-profit organization, a school district, or an institution of higher education, this step-by-step process will demystify the grants process and help you become a confident and knowledgeable grantseeker. Researching the grantor, reviewing previously funded proposals, and making pre-proposal contact with the funding source are just a few of the pro-active steps that will help to assure you that what you propose is right for the grantor

---

and that the grantor should therefore select you to fund. The exhibits/worksheets in The “ How To ” Grants Manual further support this successful system. If your organization or institution wants to increase your success in attracting grants, this book is for you. From operating grants to technology to research, this book will help you outline your plan for success.
