Georges Washington Louis Gilbert de La Fayette (24 December 1779 – 1849) was the son of Gilbert du Motier, Marquis de Lafayette, the French officer and hero of the American Revolution, and Adrienne de La Fayette. He was named in honor of George Washington, under whom his father served in the Revolutionary War.

### **Adopted Son: Washington, Lafayette, and the Friendship ...**

Using personal letters and other key historical documents, *Adopted Son* offers a rare glimpse of the American Revolution through the friendship between Washington and Lafayette. It offers dramatic accounts of battles and intimate portraits of such major figures as Alexander Hamilton, Benedict Arnold, and Benjamin Franklin.

*An Adopted Hero, An Adopted Son - George Washington University*

*Adopted son* is a readable and well-researched account of the life of Lafayette, one of the best-known but least appreciated generals of the American Revolution. The author clearly did his work in sorting out the background that enabled Washington and Lafayette to come together and develop a life-long bond that shaped both the American and French Revolutions.

**Adopted son : Washington, Lafayette, and the friendship ...**

"They were unlikely comrades-in-arms. One was a self-taught, middle-aged Virginia planter in charge of a ragtag army of revolutionaries, the other a rich, glory-seeking teenage French aristocrat. But the childless Washington and the orphaned Lafayette forged a bond as strong as any between father and son, a trust that saw them through betrayals, shifting political alliances, and the trials of war.
