'A classic. The Adrian Mole diaries are thoroughly subversive. A true hero for our time' Richard Ingrams Celebrate Adrian Mole's 50th Birthday with this new edition of the FOURTH BOOK in his diaries, where we catch up with a hapless Adrian and his desperate attempts to win back the love of his life.

----- Thursday January 3rd I have the most terrible problems with my sex life. It all boils down to the fact that I have no sex life. At least not with another person. Finally given the heave-ho by Pandora, Adrian Mole finds himself in the unenviable situation of living with the love-of-his-life as she goes about shacking up with other men. Worse, as he slides down the employment ladder, from deskbound civil servant in Oxford to part-time washer-upper in Soho, he finds that critical reception for his epic novel, *Lo! The Flat Hills of My Homeland*, is not quite as he might have hoped. But Adrian is about to discover that extraordinary and wonderful things may blossom even in the wilderness. . . . Behind the doors of the most famous address in the country, all is not well. Edward Clare was voted into Number Ten after a landslide election victory. But a few years later and it is all going wrong. The love of the people is gone. The nation is turning against him. Panicking, Prime Minister Clare enlists the help of Jack Sprat, the policeman on the door of No 10, and sets out to discover what the country really thinks of him. In disguise, they venture into the great unknown: the mean streets of Great Britain. And for the first time in years, the Prime Minister experiences everything life in this country has to offer - an English cream tea, the kindness of strangers, waiting for trains that never come and treatment in a hospital - and at last he remembers some of things he once really cared about. . . . 'Wickedly entertaining. There is a gem on nearly every page. Nothing escapes Townsend's withering pen. Satirical, witty, observant. . . . a clever book.' Observer 'A delight. Genuinely funny. . . . compassion shines through the unashamedly ironic social commentary.' Guardian 'Poignant, hilarious, heart-rending, devastating.' New Statesman 'Hilarious. Sue Townsend's laughter is infectious.' John Mortimer, Sunday Telegraph Books of the Year

Adrian Mole faces the same agonies that life sets before most adolescents: trouble s with girls, school, parents, and an uncaring world. The difference, though, between young Master Mole and his peers is that this British lad keeps a diary—an earnest chronicle of longing and disaster that has

charmed more than five million readers since its two-volume initial publication. From teenaged Adrian 's anguished adoration of a lovely, mercurial schoolmate to his view of his parents ' constantly creaking relationship to his heartfelt but hilarious attempts at cathartic verse, here is an outrageous triumph of deadpan—and deadly accurate—satire. ABBA, Princess Di ' s wedding, street punks, Monty Python, the Falklands campaign . . . all the cultural pageantry of a keenly observed era marches past the unique perspective of Sue Townsend ' s brilliant comic creation: A . Mole, the unforgettable lad whose self-absorption only gets funnier as his life becomes more desperate.

British adolescent angst has never been so “ laugh-out-loud funny ” (The New York Times)—the journey begins with these first two books in the heartbreakingly hilarious series. Commiserate with “ one of literature ' s most endearing figures ” (The Observer)—a sharp-witted, pining, and achingly honest underdog of great expectations and dwindling patience who knows all (or believes he does) and tells all. First published in 1982, Adrian Mole ' s chronicle of angst has sold more than 20 million copies worldwide, spawned seven sequels, been adapted for television, and staged as a musical—truly “ a phenomenon ” (The Washington Post). The Secret Diary of Adrian Mole, Aged 13and ¾: Adrian Mole must amass his grievances—his acne vulgaris is grotesque; his crush, Pandora, has received seventeen Valentine ' s Day cards (seventeen!); his PE teacher is a sadist; he fears his parents ' marriage is over since they no longer smoke together; his dog has gone AWOL; no one appreciates his poetry; and Animal Farm has set him off pork for good. If everyone were as appalled as Adrian Mole, it would be a better world. For now, for us, it ' s just “ screamingly funny ” (The Sunday Times). The Growing Pains of Adrian Mole: Growing up among inferiors in Great Britain isn ' t easy for a sensitive “ poet of the Midlands ” like Adrian, considering everything in the world is conspiring to scar him for life—his hormones are in a maelstrom; his mother is pregnant (at her age!); his girlfriend is in shut down; and he ' s become allergic to non-precious metals. As his “ crisply hilarious saga ” (Booklist) continues, the changes Adrian undergoes will surely be profound. “ Townsend ' s wit is razor sharp ” (Daily Mirror) as she shows us the world through the haunted eyes of her luckless teenage diarist and self-proclaimed “ undiscovered intellectual, ” proving again and again why she ' s been called “ a national treasure ” (The New York Times Book Review).

A rollicking comic adventure starring “ one of literature ' s most endearing figures ” (The Observer). Readers worldwide have loved Adrian Mole ever since he wrote his first diary at age thirteen and three quarters. Now he is age thirty-four and three quarters—not quite fully grown up, but getting there. In this “ funny and wrenching, ” novel Adrian needs proof that Saddam Hussein had weapons of mass destruction so he can get a refund from a travel agency of the deposit he paid on a trip to Cyprus (Publishers Weekly). Naturally, he writes to Tony Blair for

some evidence . He ' s engaged to the woman he loves, but obsessed with her voluptuous sister. And he is so deeply in debt to banks and credit card companies that it would take more than twice his monthly salary to ever repay them. He also needs a guest speaker for his creative writing group ' s dinner in Leicestershire, and wonders if the prime minister ' s wife is available. In short, Adrian is back in true form, unable—like so many people we know, but of course, not us—to admit that the world does not revolve around him . . . In Adrian Mole and the Weapons of Mass Destruction, international-bestselling author Sue Townsend combines “ love, politics and credit-card debacle into a not-to-be-missed novel ” (The Seattle Times). “ The trouble with trying to read passages from the Adrian Mole diaries aloud is that you find yourself laughing so hard you can ' t go on. ” —The Kansas City Star “ Townsend ' s wickedly funny novels are another reason to be grateful for the right of free speech. ” —San Francisco Chronicle

Adrian Mole is an adult. At least that's what it says on his passport. “ Townsend ' s wit is razor sharp ” as her self-proclaimed intellectual adolescent hero continues his hilarious angst-filled secret diary (TheMirror). I can ' t wait until I am fully mature and can make urban conversation with intellectuals. Growing up among inferiors in Great Britain isn ' t easy for a sensitive fifteen-year-old “ poet of the Midlands ” like Adrian Mole, considering everything in the world is conspiring to scar him for life: His hormones are in a maelstrom; his mother is pregnant (at her age!); his girlfriend, Pandora, is in shutdown; radio stardom isn ' t panning out; he ' s become allergic to non-precious metals; and passing his exams is as dire a crisis as the Falkland Islands. Adrian Mole is thirty-four and three quarters, almost officially middle-aged, when Mr Blair tells Parliament that weapons of mass destruction can be deployed in forty-five minutes and can reach Cyprus. Adrian is worried that he might not get a refund on his holiday. But that's not all that is bothering him. There's his odd girlfriend Marigold who has become distressingly New Age. misunderstood and muddled soul

Adrian Mole Soho PressInc

Adrian Mole has entered early middle age and is now 'the same age as Jesus was when he died' (33). Father to the grammatically challenged Glenn, and William, who takes a 'Big Boy Arouser' condom to nursery school as his innocent contribution to a hot air balloon project, Adrian is a single parent who has an on/off relationship with his housing officer, Pamela Pigg. Will she help him to move from the notorious Gaitskell estate before William joins the Mad Frankie Fraser fan club? In the meantime, Adrian continues to be scandalised by his irresponsible parents who are conducting a matrimonial square-dance with the Braithwaites — the parents of the beautiful but unobtainable Pandora, who is ruthlessly pursuing her ambition to be New Labour's first woman P.M. — and to confide in his diary. His current worries include: indestructible head-lice; his raging jealousy when his accomplished half-brother Brett arrives on his doorstep; moral decline in The Archers; his desperate attachment to two therapists; his mild addiction to Starburst (formerly Opal Fruits); a small earthquake in Leicester; and, perhaps most significantly, the dawn of a new millennium.

'The funniest person in the world' Caitlin Moran Celebrate Adrian Mole's 50th Birthday with this new edition of the SEVENTH BOOK in his diaries where Adrian falls in love, is inconvenienced by the war and faces his new nemesis: a swan from the local canal. ----- Wednesday April 2nd My birthday. I am thirty-five today. I am officially middle-aged. It is all downhill from now. A pathetic slide towards gum disease, wheelchair ramps and death. Adrian Mole is middle-aged but still scribbling. Working as a bookseller and living in Leicester's Rat Wharf; finding time to write letters of advice to Tim Henman and Tony Blair; locked in mortal combat with a vicious swan called Gielgud; measuring his expanding bald spot; and trying to win-over the voluptuous Daisy . . . Adrian yearns for a better more meaningful world. But he's not ready to surrender his pen yet... Bestselling author Sue Townsend has been Britain's favourite comic writer for over three decades. Deft, gleeful mockery impales modish fads, from home make-overs to new-age crazes, while fiercer irony is trained on the country's involvement with Iraq' Sunday Times 'Richly comic ... stuffed full of humour, tragedy, vanity, pathos and, very occasionally, wisdom' Guardian 'Completely hilarious, laugh-out-loud, a joy' Daily Mirror
