"All Adrift" is the first volume of a new set of books, to be known as "The Boat-Builder Series." The story contains the adventures of a boy who is trying to do something to help support the family, but who finds himself all adrift in the world. He has the reputation of being rather "wild," though he proves that he is honest, loves the truth, and is willing to work for a living. Having been born and brought up on the shore of Lake Champlain, he could not well avoid being a boatman, especially as his father was a pilot on a steamer. Nearly all the scenes of the story are on the water; and the boy shows not only that he can handle a boat, but that he has ingenuity, and fertility of resource.

For artist Dan Bellamy and his new bride Elaine, a trip on the world's biggest, newest cruise ship represents more than just the honeymoon of a lifetime: it is also a celebration of the progress Dan has made toward beating the agoraphobia that has plagued him since he suffered a horrific knife attack two years earlier. The ship is a perfect floating paradise, but when Dan spots what he thinks is a body being thrown overboard, he begins to suspect that not everybody aboard the Oceanus is there for a vacation. Soon, Dan will discover that there are some things worse than murder, and the body he saw is just the beginning. Because something is coming for the passengers on the Oceanus. Something that isn't supposed to exist...

Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made

available for future generations to enjoy.

Adrift in a Boat

Excerpt from A Man Adrift: Being Leaves From a Nomad's Portfolio

I was in Liverpool, with just a shilling in my pocket, wondering vaguely as to what I would do. It was in the beginning of January, and the day, though cold, was pleasant and bright. The clouds sailed along so beautifully, and looking up into them made me think of the strange lands I would like to visit. I was young and eager to see things. Here I was in Liverpool - the key to the whole world. Surely I would find a ship to take me somewhere - anywhere. There were thousands of them lying in the docks. I had walked miles and miles that day, looking at them, and occasionally asking to be taken in one of them. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Adrift in a boat

Dan Bellamy has lost everything: his wife, his home, his country; perhaps even his sanity. The only thing he has left is vengeance for the creatures who took his world away, and he intends to visit it upon them, no matter the cost. As the eyes of the world turn to the destruction in England, Dan believes that his presence in the United States will provoke an immediate response from the vampires. He thinks he knows what that response will be. He's wrong... With the fate of the nation - and perhaps the entire world - hanging in the balance, Dan believes he must understand the visions which torture him, and which might be key to humanity's survival, but he'll have to do it fast. Because darkness is coming. And the vampires are rising...

All Adrift: Or The Goldwing Club (The Boat-Builder Series) This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations,

blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional\unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. **HAPPY READING!**
