A Man Adrift BoD - Books on Demand
Dan Bellamy has lost everything: his wife, his home, his country; perhaps even his sanity. The only thing he has left is vengeance for the creatures who took his world away, and he intends to visit it upon them, no matter the cost. As the eyes of the world turn to the destruction in England, Dan believes that his presence in the United States will provoke an immediate response from the vampires. He thinks he knows what that response will be. He's wrong... With the fate of the nation - and perhaps the entire world - hanging in the balance, Dan believes he must understand the visions which torture him, and which might be key to humanity's

survival, but he'll have to do it fast. Because darkness is coming. And the vampires are rising...

Adrift in a Boat ; and Washed Ashore K.R. Griffiths

Book Excerpt: each party inquired what had become of Harry and David. Captain Rymer's yacht, the Arrow, was off the first, for the Psyche, Mr Moreton's, fouled her anchor, and it was some time before it could be got up. Mr Moreton thought that his son, and the young midshipman had, attracted by sweet Mary Rymer, gone on board the Arrow; while Mary, who, it must be owned, was rather sorry not to see them, took it for granted that Harry was returning, as he had come, by land, and that David had gone with him. The yachts had a long beat back. As they got away from the land, the wind increased very much, and came in

strong sharp cold gusts which made it necessary first to take in the gaff-topsails, and then one reef and then another in the mainsails. As the wind increased the sea got up, and the little vessels, more suited to fine weather than foul, had hard work to look up to the rising gale. Still there was no help for it. The tide helped them along, but by its meeting the wind much m

This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the

feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original

work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

Say 'hello' to charming Greenwater.
Crossing our famous covered bridge into town, you're sure to be met by warm smiles and a hearty Vermont greeting.

While you're here, why not take a trip out to Rum Cherry Ridge for some world class skiing, tour the site of our historic marble factory, or just kick back and relax with new friends in the town that's easy to love, and impossible to leave! Oh, and don't forget to bring a weapon. You're going to need it... Derrick Aldridge isn't planning on seeing the sights. He's only in Greenwater, along with his wife Jasmine and teenage son Lee, to settle an ancient family dispute. He believes he will spend no more than a couple of hours in the tiny, isolated town. But Greenwater is gripped by an almost preternaturally powerful storm, and when the night sky is ripped apart by a sound that definitely isn't thunder, Derrick begins to suspect that the place isn't all that it appears to be. He's right. There's something wrong with the residents of Greenwater. Something dangerous... ***

Greenwater contains scenes of violence and horror that some readers may find disturbing.

A Man Adrift; Being Leaves from a Nomad's Portfolio

For artist Dan Bellamy and his new bride Elaine, a trip on the world's biggest, newest cruise ship represents more than just the honeymoon of a lifetime: it is also a celebration of the progress Dan has made toward beating the agoraphobia that has plagued him since he suffered a horrific knife attack two years earlier. The ship is a perfect floating paradise, but when Dan spots what he thinks is a body being thrown overboard, he begins to suspect that

not everybody aboard the Oceanus is there for a vacation. Soon, Dan will discover that there are some things worse than murder, and the body he saw is just the beginning. Because something is coming for the passengers on the Oceanus. Something that isn't supposed to exist...
