"The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

In books, on the Internet, and through his own publication, an outspoken former adventist minister is attacking our church, especially the 1844 Investigative Judgment. These shots take aim at the heart of Adventism, extending to Ellen White, who is being called a "false prophet" because she supported the sanctuary doctrine. How can we respond? Can 1844 and the investigative judgment be supported biblically? Is this teaching contrary to the gospel, as this ex-Adventist minister claims, or are these challenges misguided efforts to blemish one of the most important revelations of God's character? In *Graffiti in the Holy of Holies*, author and church apologist, Clifford Goldstein, examines the arguments against Ellen White and the pre-Advent judgment, and responds, point-by-point. The result is a thoughtful and clear defense that goes beyond his earlier 1844 Made Simple in revealing the Bible-based, and gospel-uplifting truth about the sanctuary. At the same time Goldstein confronts and sweeps away myths concerning Ellen White, and affirms her prophetic gift. Vandals are attempting to spoil your faith. The time to know the difference between the Word of God and the graffiti of man is now. This book will make that difference crystal clear. - 1. Three-Legged Stools.2. Sliver in the Foot.3.
