*When Only Love Remains* Harper Collins  
"Filled with wisdom and thought experiments and things that will mess with your mind." – Neil Gaiman, author of *The Graveyard Book* and *American Gods*  
In sharply argued, fast-moving chapters, Cory Doctorow's *Information Doesn't Want to Be Free* takes on the state of copyright and creative success in the digital age. Can small artists still thrive in the Internet era? Can giant record labels avoid alienating their audiences?

This is a book about the pitfalls and the opportunities that creative industries (and individuals) are confronting today – about how the old models have failed or found new footing, and about what might soon replace them. An essential read for anyone with a stake in the future of the arts, *Information Doesn't Want to Be Free* offers a vivid guide to the ways creativity and the Internet interact today, and to what might be coming next. This book is DRM-free.  
*Eat That Frog!* for Students

## Random House

The latest novel from the #1 internationally best-selling author of *The Alchemist*. There is nothing wrong with anxiety. Although we cannot control God's time, it is part of the human condition to want to receive the thing we are waiting for as quickly as possible. Or to drive away whatever is causing our fear. . . . Anxiety was born in the very same moment as mankind. And since we will never be able to master it, we will have to learn to live with it—just as we have learned to live with storms. \* \* \* July 14, 1099.

Jerusalem awaits the invasion of the crusaders who have surrounded the city's gates.

There, inside the ancient city's walls, men and women of every age and every faith have gathered to hear the wise words of a mysterious man known only as the Copt. He has summoned the townspeople to address their fears with truth: "Tomorrow, harmony will become discord. Joy will be replaced by grief. Peace will give way to war. . . . None of us can know what

tomorrow will hold, because each day has its good and its bad moments. So, when you ask your questions, forget about the troops outside and the fear inside. Our task is not to leave a record of what happened on this date for those who will inherit the Earth; history will take care of that. Therefore, we will speak about our daily lives, about the difficulties we have had to face." The people begin with questions about defeat, struggle, and the nature of their enemies; they contemplate the will to change and the virtues of loyalty and solitude; and they ultimately turn to questions of beauty, love, wisdom, sex, elegance, and what the future holds. "What is success?" poses the Copt. "It is being able to go to bed each night with your soul at peace." \* \* \* Now, these many centuries later, the wise man's answers are a record of the human values that have endured throughout time. And, in Paulo Coelho's hands, *The Manuscript Found in Accra* reveals that who we are, what we fear, and what we hope for the future come from the knowledge

---

and belief that can be found within us, and not from the adversity that surrounds us. This eBook edition includes a Reading Group Guide.

Couples Penguin Group  
Australia

A novel by the best-selling Brazilian author of *The Alchemist* follows a family woman's efforts to work through midlife apathy by engaging in a passionate affair with a successful politician who was once her high-school sweetheart.

**A Novel of Redemption**

Harper Collins

I've imagined this in my head so many times. I've always thought about what I would say; what I would do, and how it would all turn out to be. And every time I would remove some detail . . . She's a flight attendant—young, bright and living her dream. He's a heartbroken singer on his way to becoming big. She's an ardent fan of his. He can't imagine why and yet seems to find comfort in her words. It's

the first time they are together and in their hearts both are wishing, hoping and praying that the night would never end.

That the time they are spending together lasts and lasts... In the world of love, there is always someone perfectly right for you.

Why I Said "I Don't" to Marriage and "I Do" to Me

Harper Collins

Have you ever looked at your life and wondered, 'Is this it?' Linda knows she's lucky. Yet every morning when she opens her eyes to a so-called new day, she feels like closing them again. Her friends recommend medication. But Linda wants to feel more, not less. And so she embarks on an adventure as unexpected as it is daring, and which reawakens a side of her that she - respectable wife, loving mother, ambitious journalist -

---

thought had disappeared. Even she can't predict what will happen next . . . A novel about discovering who you are, where you're going, and what matters to you most. 'Paulo Coelho's books have had a life-enhancing impact on millions of people.' The Times

Paulo Coelho: A Warrior's Life is the first-ever biography of the man whose books have sold an astounding 100 million copies worldwide, making him one of the bestselling authors of all time. Paulo Coelho's life begins with a complicated birth in Rio de Janeiro, Brazil, in August 1947. He was known as the "boy who was born dead" and who ultimately survived against all odds. Before he became internationally known as a worldwide bestselling author, Paulo lived many different lives. He flirted with suicide, was committed by his parents to insane asylums, suffered

---

the brutality of electric shock therapy, dove into drugs, tried several varieties of sex, met the devil, spent time in prison, helped revolutionize Brazilian rock with musician Raul Seixas, and finally rediscovered his faith in 1986 as he walked the sacred Road to Santiago de Compostela, a medieval pilgrim's route between France and Spain. Coelho would later describe this life-changing spiritual experience in his first book, *The Pilgrimage*. The following year, *The Alchemist* established his worldwide reputation. The novel has already achieved the status of a universally admired modern classic. Now, for the first time, discover the life story of one of the most widely read and adored authors of our time.

The Alchemist Pocket Books

Linda, in her thirties,

begins to question the routine and predictability of her days. In everybody's eyes, she has a perfect life: happy marriage, children, and a career. Yet what she feels is an enormous sense of dissatisfaction. All that changes when she encounters a successful politician who had, years earlier, been her high-school boyfriend. As she rediscovers the passion missing from her life, she will face a life-altering choice. A chilling debut Penguin UK From the New York Times bestselling author of *Alternate Side*, Anna Quindlen's classic reflection on a meaningful life makes a perfect gift for any

understanding that comes from knowing how to see the view, the richness in living.

A Novel of Forgiveness  
Harper Collins

In his new novel, Paulo Coelho, bestselling author of *The Alchemist* and *Adultery*, brings to life one of history's most enigmatic women: Mata Hari. **HER ONLY CRIME WAS TO BE AN INDEPENDENT WOMAN**

When Mata Hari arrived in Paris she was penniless. Within months she was the most celebrated woman in the city. As a dancer, she shocked and delighted audiences; as a courtesan, she bewitched the era's richest and most powerful men. But as paranoia consumed a country at war, Mata Hari's lifestyle brought her under suspicion. In

1917, she was arrested in her hotel room on the Champs Elysees, and accused of espionage. Told in Mata Hari's voice through her final letter, *The Spy* is the unforgettable story of a woman who dared to defy convention and who paid the ultimate price.

*The Engagement Game*  
Harper Collins

Adapted from Brian Tracy's international time-management bestseller, *Eat That Frog!*, this book will give today's stressed-out and overwhelmed students the tools for lifelong success. Like adults, students of all ages struggle with how to manage their time. Encountering the necessity of time management for the first time, high schoolers juggle classes, extracurricular activities (all but mandatory for college admissions), jobs, internships, family

---

responsibilities, and more. College brings even more freedom and less structure, making time management even more critical. Brian Tracy's *Eat That Frog!* has helped millions around the world get more done in less time. Now this life-changing global bestseller has been adapted to the specific needs of students. Tracy offers readers tips, tools, and techniques for structuring time, setting goals, staying on task (even when you're not interested), dealing with stress, and developing the skills to achieve far more than you ever thought possible. This is the book that parents and teachers have long been wishing Tracy would write.

[Eleven Minutes](#) St. Martin's Press

In this powerful memoir, bestselling author Alison Pick (nominated for the Man Booker Prize) channels Karen

Armstrong and Anne Lamott as she explains the shocking family secret that eventually led to her mid-life conversion to Judaism—exploring powerful, provocative questions about family, faith, and the burdens of inheritance. Alison Pick grew up in a tight-knit Christian family who went to church regularly and ate pork chops on Christmas Eve. But as a teenager, she stumbled into a remarkable family secret: her paternal grandparents, with whom she was very close, fled to Canada from the Czech Republic at the start of WWII because they were Jewish. But other members of her family hesitated to emigrate, and they paid the ultimate price for their choice when they were

---

sent to Auschwitz. Haunted by the Holocaust, Alison's grandparents established themselves in their new lives as Christians. Not even Alison's father knew of his parents' past until he visited the Jewish cemetery in Prague as an adult. This atmosphere of shame and secrecy dogged Alison's journey into adulthood, and by her early thirties she had fallen into a crippling depression. Drowning in a sense of emptiness, she felt drawn to the Jewish community, and found inspiration for her international bestseller *Far to Go* in her family's harrowing past. Eventually she came to realize that her true path forward lay in reclaiming her history and identity as a Jew. Alison began attending

classes about the conversion process and found a rabbi who would sponsor her participation. But the process was far from easy as old wounds were opened, and all of her relationships were tested. Profound, insightful, honest—and masterfully written—*Between Gods* forces us to reexamine our beliefs and the extent to which they define us. *Betrayal* Random House India

Monster Empire

HarperCollins

From South America to Holland to Nepal—a new journey in the company of Paulo Coelho, bestselling author of *The Alchemist*.

Drawing on the rich experience of his own life, bestselling author Paulo Coelho takes us back in time to relive the dreams of a generation that longed

for peace. In *Hippie*, he tells the story of Paulo, a young, skinny Brazilian man with a goatee and long, flowing hair, who dreams of becoming a writer, and Karla, a Dutch woman in her twenties who has been waiting to find a companion to accompany her on the fabled hippie trail to Nepal. After meeting each other in Amsterdam, she convinces Paulo to join her on a trip aboard the *Magic Bus* that travels from Amsterdam to Istanbul and across Central Asia to Kathmandu. As they embark on this journey together, Paulo and Karla explore a love affair that awakens

---

them on every level and leads to choices and decisions that will set the course for their lives thereafter.
