Paulo Coelho's Adultery examines a woman's dull reality while forced to reexamine her newfound choices which affect all aspects of her life. Coelho's writing techniques motivate his readers to question their lifestyles as well, although many of the commentary and reviews about this novel are too negative for words.

Is 'Adultery' the way to save a marriage, Paulo Coelho? Coelho's concept of adultery for a successful marriage seems unacceptable in a Pakistani society. I first came across this novel when my roommate was reading it. Just the title, Adultery, caught my attention and intrigued me enough to ask him if I could borrow it.
