Beams: Advanced Accounting, Global Edition
Research & Education Association
Building upon previous editions of Advanced Accounting, author Debra C. Jeter continues to deliver a balanced and detailed approach to the conceptual and technical aspects of advanced accounting. This new and enhanced edition features more in-depth information about international accounting, the upcoming globalization of accounting standards, changes with FASB's, and the latest developments and differences between U.S. GAAP and IFRS. As always, the text also includes

comprehensive coverage of all three methods of consolidated financial reporting (cost, partial equity, complete equity).

Problems & Solutions in Advanced Accountancy Volume II, 7th Edition

S. Chand Publishing

A Complete Solution Guide to Any Textbook McGraw-Hill Education

The 14th Revised Edition of the book "Corporate Accounting" includes the provision of the Companies Act, 2013, SEBI rules and regulations and Accounting Standards, wherever applicable. The whole book has been

updated and corrections made wherever required. Theory and accounting treatment has been revised as per Accounting Standards – 4 (Revised) and Companies (Amendment) Act, 2019. Each aspect of a chapter has been discussed in detail in order to meet the requirements of the syllabus prescribed by different universities and professional institutes. Salient Features of the Book The following features are worth nothing in the present text:

- The illustrations and assignment material has been made to conform to the requirements of Schedule III of the Companies Act, 2013. The relevant problems/ solutions has also been revised.
- The revised revision of Paragraph 14 of Accounting Standards — 4 concerning Financial Statements regarding Proposed final dividend has been incorporated at relevant pages and the illustrations amended accordingly.
- The relevant provisions of Ind AS — 7: Statements of Cash Flows dealing with Bank Overdraft and Proposed Dividend have also been taken care of in this book.
- In the chapter of Redemption of Debentures, the treatment of interest on Debenture Redemption Funds Investments or Profit (or Loss) on the sale of DRFI have been

also summerised in the chapter. • All chapters have been revised and adapted. Problem of each chapter have been suitably graded and edited to include questions of topical interest. We are confident that the book in its revised form will be more useful for B.Com (Pass and Hons.), M.Com, M.B.A., C.A., I.P.C.E, C.A.(Final), I.C.M.A. (Stage II) and Company Secretaries (Executive Programme) Examinations.

Corporate Accounting McGraw-Hill/Irwin

For Group 2 - Paper 5 (CA Examination Series) Irwin Professional Publishing "This text offers a current, condensed treatment of advanced accounting topics and a unique emphasis on accounting

research. Taking a macro approach and then relating it back to an application, the text attempts to explain the "why" behind accounting, in addition to the procedural methods. The authors are active teachers and have been successfully using this material in the classroom for many years. Each copy of the textbook is accompanied by a current FARS (Financial Accounting Research System) CD-ROM."

Advanced Accounting John Wiley & Sons

What works best for clients? Learn the pros and cons of the LLC, general partnership, limited partnership, and limited liability partnership by focusing on planning and potential tax traps. This title offers a review of distinct advantages of these entities coupled with an examination of the risk members and partners face if they do not have a solid tax plan to minimize their exposure. In addition, the authors explore some of the more intricate rules and regulations of these entities so you can move your working knowledge of partnership and LLC taxation beyond the basics. This book prepares the reader to do the following: Analyze a partnership or LLC agreement to determine whether any special allocations in the agreement will be allowed under Code Section 704(b) Identify the potential economic

consequences of special allocations to a partner or LLC member Identify the potential tax consequences when a partner or LLC member has a negative balance in his or her capital account Recognize the relationship between partnership and LLC allocations of profit and loss and the allocation of the risks and rewards of entity operations Distinguish between the requirements for substantiality and those for economic effect under the regulations Distinguish between "book" allocations required under Section 704(b) and "tax" allocations required under Section 704(c) Recognize the three methods described in the Section 704(c) regulations to make special allocations with respect to contributed property Determine when a non-contributing partner or LLC member will or will not be protected by required allocations under Section 704(c) Calculate the gain that can result from reallocation of liabilities when a partner joins a partnership Calculate a partner's or member's share of recourse liabilities of a partnership or LLC Distinguish

between recourse and nonrecourse liabilities of a partnership or LLC Analyze the impact of a partner or LLC member's guarantee of a recourse or nonrecourse liability of the entity Recognize when to treat a liability as a recognized versus contingent liability and understand how to account for partnership or LLC contingent liabilities Calculate the basis of each property received by a partner receiving multiple properties in a liquidating vs. non-liquidating distribution from a partnership or LLC Recognize which properties will receive a step-up or step-down in basis when multiple properties are received from a partnership or LLC Allocate basis increases or decreases among multiple properties for federal income tax purposes Determine when an Internal Revenue code (IRC) Section 754 election will allow a partnership or LLC to adjust its basis in its assets Allocate required basis adjustments among partnership or LLC assets Determine the tax consequences associated with the sale of a partner's or member's interest in a partnership or

LLC Recognize how using the installment method to account for the sale of a partnership interest will affect how the partner will report his or her gain on the sale Recognize when the sale of an interest in a partnership will trigger a technical termination of the partnership Determine the tax basis and holding period of assets owned by the partnership following a technical termination Determine the tax consequences associated with subsequent dispositions of built-in gain or loss assets following a technical termination
