NOTE: This book is standalone book and will not include an access card / code. The approach used by Hoyle, Schaefer, and Douplik in the new edition allows students to think critically about accounting, just as they will do while preparing for the CPA exam and in their future careers. With this text, students gain a well-balanced appreciation of the Accounting profession. *Advanced Accounting | McGraw Hill Higher Education*
Advanced Accounting covers few topics, but digs deep into consolidation and Government accounting. Additional topics include not-for-profit, reporting, and certain financing activities. The instruction given is thorough, yet I have the same complaint I have for all advanced instruction texts. [Advanced Accounting, 3e | Cambridge Business Publishers](#)
