Advantages/Disadvantages | Salesforce

Advantages: sometimes captured enemies will starve themselves to death rather than tell us vital information. Force-feeding, in that case, keeps them alive longer and makes them strong enough for the interrogation sessions. The hippies at the UN now say that force-feeding is a form of torture. But hey, don't ask, don't tell.

What are the advantages and disadvantages of forcefeeding

...

Advantages. Firstly, there is little to no risk when using Salesforce. Due to its low acquiring costs and low-risk management as an organization tool, there is very little to lose and a lot to benefit from. The database that Salesforce uses is also helpful in digitizing and organizing company sale records.

Advantages o Force | Friction | Manufactured Goods | Free ...

Although friction is very important in everyday life, it also has some disadvantages like:  
1-The main disadvantage of friction is that it produces heat in various parts of the machines. In this way, useful energy is expended as a loss in thermal energy. For example, car engines become warmer due to friction.
