E. Warren Clark ’ s 1878 book, Life and Adventure in Japan, is an exquisite portrait of Japan in the 1870s. Japan had just opened itself to the West and had commenced a vigorous program of modernization. Clark, a young American scientist and missionary, worked in Japan for 4 years as a teacher meeting many of Japan ’ s leaders including the Emperor. His book, reproduced here, provides a fascinating personal view of Japan during this critical stage of history. The editors ’ introduction place Clark ’ s work in historical context.

The Adventures in Japanese 4/e Volume 2 Textbook gives students a strong foundation in the Japanese language through the development of the four language skills: speaking, listening, reading, and writing.

Adventures in Japanese Dictionary Vintage  
In Adventures in Japanese Level 2, students begin to use Japanese in their own community, such as at a Japanese restaurant, speaking with a Japanese student, at a part-time job, or when giving directions. As in Level 1, topics that are part of studentsdaily school life are included. Romanization is no longer used, and at the completion of this level, students will have learned 113 kanji. Widely adopted at junior and senior high schools across the U.S. because of its effectiveness, Adventures in Japanese is a user-friendly but comprehensive course that incorporates textbooks, student workbooks, kana workbooks and flashcards, teacher handbooks and audio CDs for a complete and enjoyable introduction to the Japanese language. The title of the series implies fun, and the bookslively illustrations and vivid explanations make language learning enjoyable for students. Speaking, listening, reading and writing are equally stressed throughout, and Cultural Notes make important points about Japanese culture and language use. A Fun Corner--with various culturally related activities from making onigiri (riceballs) to learning Japanese songs--increases the sense of exploration and adventure, and a Japanese Culture Corner feature provides cultural topics for students to explore in depth and compare with their own culture.

Adventures in Japanese 1 Textbook 4E Hc iUniverse  
This book highlights a new method to learn Japanese - the same way that young children in America are learning Spanish and English at the same time - through commingling this new language with the language you are already familiar with. Sure, languages are not word-for-word replacements of each other, and that may seem to limit the Kopf method to vocabulary building. But that's not the case! We introduce small, light, recognizable concepts that are similar to drop-in word replacements, such as introducing Japanese's particle "no" as frequently being a substitute for " 's", making a noun possessive.Follow along as I bring you with me on my journey to Japan, to explore some of the fun, amazing places I get to experience on my adventures. But we don't stop there! Along the way learn Japanese words in a way that feels natural, so these words actually stick with you.I, Ryan Kopf, founded a company that organizes seven major Japanese culture festivals every single year. As part of that, I get to travel to Japan yearly for business, learning the culture and meeting fantastic people. My journeys in Japan see some of the coolest stuff that others never explore.

*The Samurai's Garden* Cheng & Tsui  
Volume 1 gently, but thoroughly introduces hiragana and katagana in order to acclimate the student to the use of characters. Seventeen basic kanji are also introduced. - Publisher.  
The Thousand Autumns of Jacob de Zoet Yesjapan Corporation  
By the New York Times bestselling author of The Bone Clocks and Cloud Atlas | Longlisted for the Man Booker Prize In 2007, Time magazine named him one of the most influential novelists in the world. He has twice been short-listed for the Man Booker Prize. The New York Times Book Review called him simply “a genius.” Now David Mitchell lends fresh credence to The Guardian’s claim that “each of his books seems entirely different from that which preceded it.” The Thousand Autumns of Jacob de Zoet is a stunning departure for this brilliant, restless, and wildly ambitious author, a giant leap forward by even his own high standards. A bold and epic novel of a rarely visited point in history, it is a work as exquisitely rendered as it is irresistibly readable. The year is 1799, the place Dejima in Nagasaki Harbor, the “high-walled, fan-shaped artificial island” that is the Japanese Empire’s single port and sole window onto the world, designed to keep the West at bay; the farthest outpost of the war-ravaged Dutch East Indies Company; and a de facto prison for the dozen foreigners permitted to live and work there. To this

place of devious merchants, deceitful interpreters, costly courtesans, earthquakes, and typhoons comes Jacob de Zoet, a devout and resourceful young clerk who has five years in the East to earn a fortune of sufficient size to win the hand of his wealthy fiancée back in Holland. But Jacob’s original intentions are eclipsed after a chance encounter with Orito Aibagawa, the disfigured daughter of a samurai doctor and midwife to the city’s powerful magistrate. The borders between propriety, profit, and pleasure blur until Jacob finds his vision clouded, one rash promise made and then fatefully broken. The consequences will extend beyond Jacob’s worst imaginings. As one cynical colleague asks, “Who ain’t a gambler in the glorious Orient, with his very life?” A magnificent mix of luminous writing, prodigious research, and heedless imagination, The Thousand Autumns of Jacob de Zoet is the most impressive achievement of its eminent author. Praise for The Thousand Autumns of Jacob de Zoet “A page-turner . . . [David] Mitchell’s masterpiece; and also, I am convinced, a masterpiece of our time.”—Richard Eder, The Boston Globe “An achingly romantic story of forbidden love . . . Mitchell’s incredible prose is on stunning display. . . . A novel of ideas, of longing, of good and evil and those who fall somewhere in between [that] confirms Mitchell as one of the more fascinating and fearless writers alive.”—Dave Eggers, The New York Times Book Review “The novelist who’s been showing us the future of fiction has published a classic, old-fashioned tale . . . an epic of sacrificial love, clashing civilizations and enemies who won’t rest until whole family lines have been snuffed out.”—Ron Charles, The Washington Post “By any standards, The Thousand Autumns of Jacob de Zoet is a formidable marvel.”—James Wood, The New Yorker “A beautiful novel, full of life and authenticity, atmosphere and characters that breathe.”—Maureen Corrigan, NPR

*Adventures in Japanese* Top Shelf Productions  
Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, The Shooting Star is a travel memoir that maps not just the world but the human spirit.

The Adventures in Japanese 4/e Volume 1 Textbook gives students a strong foundation in the Japanese language through the development of the four language skills: speaking, listening, reading, and writing.  
**Adventures in Marxism** Tuttle Publishing  
In The Ikigai Journey, authors Hector Garcia and Francesc Miralles take their international bestseller Ikigai: the Japanese Secret to a Long and Happy Life a step further by showing you how to find your own ikigai through practical exercises, such as employing new habits and stepping outside your comfort zone. Ikigai is the place where our passion (what we love), mission (what we hope to contribute), vocation (the gifts we have to offer the world) and profession (how our passions and talents can become a livelihood) converge, giving us a personal sense of meaning. This book helps you bring together all of these elements so that you can enjoy a balanced life. Our ikigai is very similar to change: it is a constant that transforms depending on which phase of life we are in. Our "reason for being" is not the same at 15 as it is at 70. Through three sections, this book helps you to accept and embrace that--acting as a tool to revolutionize your future by helping you to understand the past, so you can enjoy your present. Section 1: Journey Through the Future: Tokyo (a symbol of modernity and innovation) Section 2: Journey Through the Past: Kyoto (an ancient capital moored in tradition) Section 3: Journey Through the Present: Ise (an ancient shrine that is destroyed and rebuilt every twenty years) Japan has one of the longest life spans in the world, and the greatest number of centenarians--many of whom cite their strong sense of ikigai as the basis for their happiness and longevity. Unlike many "self-care" practices, which require setting aside time in an increasingly busy world, the ikigai method helps you find peace and fulfillment in your busy life.

**Adventures in Japanese** Cheng & Tsui  
A New York Times bestselling author—and “a mythmaker for the millennium, a wiseacre wiseman” (New York Times Book Review)—delivers a surreal and elaborate quest that takes readers from Tokyo to the remote mountains of northern Japan, where the unnamed protagonist has a surprising confrontation with his demons. An advertising executive receives a postcard from a friend and casually appropriates the image for an advertisement. What he doesn’t realize is that included in the scene is a mutant sheep with a star on its back, and in using this photo he has unwittingly captured the attention of a man who offers a menacing ultimatum: find the sheep or face dire consequences.

*Adventures in Japanese: 1 Textbook ; 2 Teacher's handbook ; 3 Workbook ; 4 Dictionary*  
\*Winner Japan International Manga Award\* \*Honorable Mention for 2018 Freeman Book Awards for Children's and Young Adult's Literature on East and Southeast Asia\* \*Short-listed for the 2019 Dwayne McDuffie Award for Kids' Comics\* Part fantasy, part travelogue--this graphic novel transports readers to the intersection of the natural and supernatural worlds. Onibi: Diary of a Yokai Ghost Hunter follows the adventures of two young foreigners as they travel to a remote and mysterious corner of Japan. Along the way, they purchase an old camera that has the unique ability to capture images of Japan's invisible spirit world. Armed with their magical camera, they explore the countryside and meet people who tell them about the forgotten ghosts, ghouls and demons who lie in wait ready to play tricks on them. These Yokai, or supernatural beings, are sometimes kind, sometimes mischievous, and sometimes downright dangerous! Readers young and old will enjoy following along on this journey of mystery and discovery. The comic book format will appeal to anime and manga fans, while introducing the ancient spirit world that is such an important part of Japanese culture. With the help of Atelier Sento's gorgeous watercolor and colored pencil artwork, you can't help but feel immersed in this fantasy.
