Australian Woman's Weekly A tale of espionage, love and passionate heroism. Inspired by true events, this is the story of how society's 'lovely ladies' won a war. Each year at secluded Shillings Hall, in the snow-crisped English countryside, the mysterious Miss Lily draws around her young women selected from Europe's royal and most influential families. Her girls are taught how to captivate a man - and find a potential husband - at a dinner, in a salon, or at a grouse shoot, and in ways that would surprise outsiders. For in 1914, persuading and charming men is the only true power a woman has. Sophie Higgs is the daughter of Australia's king of corned beef and the only 'colonial' brought to Shillings Hall. Of all Miss Lily's lovely ladies, however, she is also the only one who suspects Miss Lily's true purpose. As the chaos of war spreads, women across Europe shrug off etiquette. The lovely ladies and their less privileged sisters become the unacknowledged backbone of the war, creating hospitals, canteens and transport

systems where bungling officials fail to cope. And when tens of thousands can die in a single day's battle, Sophie must use the skills Miss Lily taught her to prevent war's most devastating weapon yet. But is Miss Lily heroine or traitor? And who, exactly, is she?

Just as readers have been transfixed by the stories, characters, and deeper meanings of Lewis's timeless tales in The Chronicles of Narnia, most find this same allure in his classic Space Trilogy. In these fantasy stories for adults, we encounter, once again, magical creatures, a world of wonders, epic battles, and revelations of transcendent truths. Perelandra, the second novel in Lewis's science fiction trilogy, tells of Dr. Ransom's voyage to the paradise planet of Perelandra, or Venus, which turns out to be a beautiful Eden-like world. He is horrified to find that his old enemy, Dr. Weston, has also arrived and is putting him in grave peril once more. As the mad Weston's body is taken over by the forces of evil, Ransom engages in a desperate struggle to save the innocence of Perelandra!

Running has become more and more popular in recent years, with thousands of people entering marathons, buying new running shoes with the latest technology, and going for a daily jog, whether on the track or on a treadmill. Unfortunately, with running comes injuries, as a result of wrong information and improper training. Author Jay Dicharry was tired of getting the same treatments from doctors that didn't heal his joint and muscle pain from running, so he decided to combine different fields of clinical care, biomechanical analysis, and coaching to help you avoid common injuries and become the best runner you can be. Along with clear and thorough explanations of how running influences the body, and how the body influences your running, this book answers many of the common questions that athletes have: Do runners need to stretch? What is the best way to run? What causes injuries? Which shoes are best for running? Is running barefoot beneficial? The mobility and stability tests will assess your form, and the corrective exercises, along with step-by-step photos, will improve your core and overall performance, so that you can train and run with confidence, knowing how to avoid injuries!

Owing to their importance as primary producers of energy and nutrition, algae and cyanobacteria are found as symbiotic partners across diverse lineages of prokaryotic and eukaryotic kingdoms. Algal and Cyanobacteria Symbioses presents a compilation of recent, updated research in fields of diverse symbioses, including in marine, freshwater, and terrestrial habitats. It gives a comprehensive overview of algal and cyanobacteria symbioses, including reviews on their diversity and information on symbiotic specificity and stress tolerance. Also covered is a review of regulatory mechanisms in the communication between symbiotic partners. The highly interdisciplinary character of this book is demonstrated through the range of algae and cyanobacteria as energy-providing symbionts in organismal lineages which are discussed. It is a valuable source of knowledge for researchers, university lecturers, professors and students of biology and life sciences,

specifically biochemistry, mycology, cell biology and plant-microbe interactions.

Family-Centred Assessment and Intervention in Pediatric Rehabilitation analyzes the effectiveness of Family-Centred Services (FCS) for children with disabilities or chronic illnesses. This text provides you with the exact definition of FCS and offers proof that parent involvement in children's treatment greatly enhances therapy. You can use the suggestions and methods to integrate parents into therapy, maximizing the family's intervention experiences and making your work more successful and effective. Many clinicians agree that families play a crucial part in deciding what intervention strategies are best for their children. From this text, you will learn that listening to parents and valuing parental input will give you insight into the goals, needs, and ambitions families have for their children. This enables you to choose, with the parent, the interventions that best suit your patients' needs and the needs of their families. In addition to information on how to integrate parents and families into intervention, Family-Centred Assessment and Intervention in Pediatric Rehabilitation offers suggestions that will improve your existing FCS or help you implement a family-centred approach, including: performing therapy in natural settings, such as school or home, to make changes in the children's social and physical environments acknowledging the grieving and adaptation process of families while being compassionate and understanding letting parents describe what they would like their child to be able to do and accomplish in the future putting the parents' concerns and requests first, enabling parents to deal with caring for their child supporting

parents and reinforcing them when they have innovative and helpful ideas informing parents on the progress of their children and educating parents on methodologies and strategies used in FCS. Many of the suggestions derived from the analysis of current data and original research in Family-Centred Assessment and Intervention in Pediatric Rehabilitation have immediate clinical applicability, allowing you to quickly adapt methods into your intervention processes. This text also provides you with information on types of evaluative methods, such as Measure of Processes of Care (MPOC) and Family-Centred Program Rating Scale (Fam PRS), that will help you determine if your FCS program is working efficiently. Emphasizing the goal of parent interaction in FCS services, Family-Centred Assessment and Intervention in Pediatric Rehabilitation offers methods that will improve your work with families and patients, making services more beneficial and relevant to the child and to their families.

A NewsHound's Guide to Student Journalism HarperCollins

A novel of magic, birds, lost letters and love. Sydney, 1929: three people find themselves washed up on the steps of Miss Du Maurier's bohemian boarding house in a once grand terrace in Newtown. Ari is a young Jewish man, a pogrom orphan, who lives under the stern rule of his rabbi uncle, but dreams his father is Houdini. Upon his hand he bears a forbidden mark - a tattoo - and has a secret ambition to be a magician. Finding an injured parrot one day on the street, Ari is unsure of how to care for it, until he meets young runaway Lily, a glimmering girl after his own abracadabra heart. Together they form a magical act, but their lives take a strange twist when wild card Billy, a charming and dangerous drifter twisted by the war, can no longer harbour secret desires of his own. *The Bird's Child* is a feat of sleight-of-hand. Birds speak, keys appear from nowhere, boxes spill secrets and the dead talk. This is a magical, stunningly original, irresistible novel - both an achingly beautiful love story and a slowly unfurling mystery of belonging. 'A wonderful, strange, glittering book, full of astounding imagination, glorious really.' Edward Carey, author of *Heap House* 'A shimmering dream of haunted pasts. A silver girl. Abandoned boys. All the magic of the stage. *The Bird's Child* is a delight.' Essie Fox, author of *The Somnambulist* *The Bird's Child* is entirely original, its familiar Sydney settings set asparkle and rendered dreamlike by Sandra Leigh Price's lyrical and lovely writing. This is a magical fable that penetrates to deep emotional truths.' Geraldine Brooks 'This debut novel brings 1920s Sydney to life through a fairytale lens, highlighting the city's romance, its magic and its mystery ... It is the Australian setting that sets this quirky historical romance apart from others of its genre. Price's dream-like portrayal of a bygone Sydney - with its vaudeville shows and opium dens, lyrebirds and swagmen - establishes a unique mood that transforms the local into the exotic, making *The Bird's Child* a memorable tale.' Australian Book Review 'Gritty yet enchanting ... often deliciously sumptuous and erotically charged ... unusual, imaginative' Newtown Review of Books 'Skilfully written and richly imagined' Sydney Morning Herald

The Smell of War Simon and Schuster

The much anticipated new novel - about how a family, and a rural community, recover from a terrible bushfire - from a stunning young Australian writer, Eliza Henry Jones. A year ago, a devastating bushfire ripped Annie's world apart - killing her grandmother, traumatising her young daughter and leaving her mother's home in the mountains half destroyed. Annie fled back to the city, but the mountain continues to haunt her. Now, drawn by a call for help from her uncle, she's going back to the place she loves most in the world, to try to heal herself, her marriage, her daughter and her mother. A heart-wrenching, tender and lovely novel about loss, grief and regeneration, *Ache* is not only a story of how we can be broken, but how we can put ourselves back together. Eliza Henry Jones' remarkable debut novel, *In the Quiet*, was shortlisted for the 2015 Readings Prize for New Australian Fiction, shortlisted for the NSW Premier's Award and longlisted for the ABIA and Indie Awards. PRAISE FOR ACHE 'Eliza Henry Jones' second novel demands that you slow down, take a breath and settle in ... This beautifully written novel ... is recommended for those who loved Stephanie Bishops' *The Other Side of the World* or Alice Munro's short stories. *Ache* is the perfect account of a woman on the edge, moving towards peace. It is an extraordinary creation from a young novelist.' Bookseller+Publisher 'Henry-Jones divines unconventional familial relationship and loss of place with a wand of love. Elementally moving.' Australian Women's Weekly 'Moving without being sentimental; Henry-Jones has trained as a grief and trauma counsellor, and her characters ring impressively true in their actions and reactions' Sydney Morning Herald 'A tender tale, suggesting we can always fix what's been broken.' Yours 'Insightful, thoughtful ... clever and rich ... Eliza Henry-Jones's gift for close observation and emotional nuance is undeniable.' The Saturday Paper PRAISE FOR IN THE QUIET 'Eliza Henry-Jones is a young author (only twenty five) and she writes with remarkable maturity... I fell in love with it slowly, over the course of many chapters. It 's a quiet book (appropriately named) and an utterly lovely one' Readings 'Henry-Jones, in her debut novel, has structured a glorious book that will make you cry, guaranteed. But it's also uplifting and tender. A surprise find' Sydney Morning Herald 'You will weep, and marvel, and pass this book on, and on, to your friends' Nikki Gemmell

In 1638, a small book of no more than 92 pages in octavo was published " appresso Gioanne Calleoni " under the title " Discourse on the State of the Jews and in particular those dwelling in the illustrious city of Venice. " It was dedicated to the Doge of Venice and his counsellors, who are labelled " lovers of Truth. " The author of the book was a certain Simone (Sim a) Luzzatto, a native of Venice, where he lived and died, serving as rabbi for over fifty years during the course of the seventeenth century. Luzzatto 's political thesis is simple and, at the same time, temerarious, if not revolutionary: Venice can put an end to its political decline, he argues, by offering the Jews a monopoly on overseas commercial activity. This plan is highly recommendable because the Jews are " well-suited for trade, " much more so than others (such as " foreigners, " for example). The rabbi opens his argument by recalling that trade and usury are the only occupations permitted to Jews. Within the confines of their historical situation, the Venetian Jews became particularly skilled at trade with partners from the Eastern Mediterranean countries. Luzzatto 's argument is that this talent could be put at the service of the Venetian government in order to maintain - or, more accurately, recover - its political importance as an intermediary between East and West. He was the first to define the role of the Jews on the basis of their economic and social functions, disregarding the classic categorisation of Judaism 's alleged privileged religious status in world history. Nonetheless, going beyond the socio-economic arguments of the book, it is essential to point out Luzzatto 's resort to sceptical strategies in order to plead in defence of the Venetian Jews. It is precisely his philosophical and political scepticism that makes Luzzatto 's texts so unique. This edition aims to grant access to his works and thought to English-speaking readers and scholars. By approaching

his texts from this point of view, the editors hope to open a new path in research into Jewish culture and philosophy that will enable other scholars to develop new directions and new perspectives, stressing the interpenetration between Jews and the surrounding Christian and secular cultures.

'Look first. Reach second. Vanish third.' London, 1825: Eglantine has always had an eye for the shine. Born the same day as the young princess destined to be queen, Eglantine has an altogether different path ahead of her, strewn with the glittering waste of her father's ambitions. Her mysteriously prosperous father, Mr Amberline Stark, is a man of great expectations. He coaxes her to follow in his footsteps, making picking pockets a delightful parlour game which they play in their fine house by the Thames. Eglantine's life before her arrival at the house remains a mystery, her memories wrapped up in a small doll she keeps close to her, and with it the fragmentary recollections of her mother. It is only when Amberline is caught and transported as a thief to the penal colony of Australia, that Eglantine has to grow up and fend for herself using her only skill. Reluctantly, the thief's daughter becomes a thief, until a chance meeting gives her a window on a new way of being, and the opportunity to strike out into a new and untarnished world. But will the weight of her father's choices make her a prisoner in the house at the side of the Thames? Birth and death, love and sadness, love knots and cut ties, quicksilver and shine, old worlds and new beginnings, Sandra Leigh Price weaves another gritty and beguiling story that will enchant and delight readers. Praise for *The River Sings*: 'The River Sings packs an emotional punch ... each page will grip you by the heart and drag you in. A lyrical work of great mastery, from a beautiful storyteller who knows just what words to use and when, *The River Sings* will call to you long after you turn the final page, just as the river does to Eglantine.' Better Reading 'Rich and lyrical ... Sandra Leigh Price is a beautiful wordsmith ... engrossing' Australian Women's Weekly 'Richly imaginative' Sydney Morning Herald 'Price weaves a magical tale that is rich in history and atmosphere that will sing to your traveller's soul' Good Reading 'It's impossible not to be charmed by *The River Sings* ... it flirts with the works of Charles Dickens in a way that's startlingly clever. It's *Oliver Twist* with a feminist twist; *Great Expectations* remixed ... it's unique; a richly imaginative work of literary fiction that sparkles with sheer joy.' Newtown Review of Books Praise for *The Bird's Child*: 'A wonderful, strange, glittering book, full of astounding imagination, glorious really.' The Handbook of Intelligent Vehicles provides a complete coverage of the fundamentals, new technologies, and sub-areas essential to the development of intelligent vehicles; it also includes advances made to date,

challenges, and future trends. Significant strides in the field have been made to date; however, so far there has been no single book or volume which captures these advances in a comprehensive format, addressing all essential components and subspecialties of intelligent vehicles, as this book does. Since the intended users are engineering practitioners, as well as researchers and graduate students, the book chapters do not only cover fundamentals, methods, and algorithms but also include how software/hardware are implemented, and demonstrate the advances along with their present challenges. Research at both component and systems levels are required to advance the functionality of intelligent vehicles. This volume covers both of these aspects in addition to the fundamentals listed above.

The bestselling autobiography of a cycling legend and winner of the 2011 Tour de France On the afternoon of Sunday, the first of February 2015, Cadel Evans crossed the finish line in the first-ever race of the event that would immortalise his name: the Cadel Evans Great Ocean Road Race. At that moment, an extraordinary cycling career, spanning 20 years and more than 750 professional races, came to a close. Now, looking back on his journey, Cadel Evans tells his story of the races and moments that mattered. Ranging from the dirt tracks of his early 1990s mountain-biking days to the Tour de France's famous podium in 2011 and beyond, *The Art of Cycling* is a tale of potential realised and ambition fulfilled. It's also the inspiring story of a young boy from the Australian bush, whose focus, talent and dedication conquered the elite world of international cycling in an era when few Australians competed, let alone won. Famous in the sport for his meticulous preparation and as an athlete who prided himself on his ability to give his all, Evans writes with forensic detail about the triumphs, the frustrations, the training, the preparation, the psychology of the sport, his contemporaries, the legends, the controversies and, above all, his enduring love of cycling.
