Good Night Stories for Rebel Girls: 100 Real-Life Tales of Black Girl Magic
Univ of California Press

African Folk Tales By: Kwaku A. Adoboli The author picked up his love of folk tales from his father and his uncle, Okuma Totokpuiti Gamega. In the evening, the kids and some adults sat in a circle around the storytellers listening to the tales. The audience was alive and active, interjecting short songs, remarks, and dances as the tales progressed. Folk tales are for entertainment. That is why the songs and dances come in. The tellers themselves may sing and dance. The children are allowed to tell their tales. Folk tales also teach lessons in obedience, loyalty, forgiveness, justice, and more. Folk tales encompass oral literature, adages, grammar, and dos and don'ts of the language. The tales are meant to teach the young people the customs and norms of their society. They are different from oral history. Oral histories are more involved and cover the behaviors and

experiences of the people. The author's father told these tales with animation, joy, and happiness in three languages: IGO, EWE, and TWI. The tales are universal and can be told in any language. Interpret and propound wisdoms to children and adults in any society. The Western World is aware of the famous African drums, rhythms, and songs. Now the author brings you the unique folk tales. They are not poems to repeat word by word. They are not told the same way twice. The readers can embellish and adjust them to given situations, use them in entertainment, or in expounding moral lessons. Folk tales are for action and are full of active verbs. All the American based tales were originated by the author.

West African Folktales Pantheon

Africa has a wonderfully rich store of folk tales that have been passed down from one generation to the next. There are stories about how the world came into being, stories that tell of the relationships between human beings and between man and his environment, and of the lessons to be learned from everyday experience. The tales are like the fairy tales told all over the world, but they have a strong African flavour that is as real as the smell of rain on hot earth. The Best of

African Folklore takes the reader into an enchanted world where animals can talk and humans are often changed into different forms, where magic is commonplace and reality is turned delightfully on its head. Despite numerous setbacks, things usually turn out all right in the end. Wicked and greedy people (and animals) come off worst and the good receive their just rewards. The gods are stern but fair, and every story has a moral for those who are wise enough to see it.

The deep forest and broad savannah, the campsites, kraals, and villages—from this immense area south of the Sahara Desert the distinguished American folklorist Roger D. Abrahams has selected ninety-five tales that suggest both the diversity and the interconnectedness of the people who live there. The storytellers weave imaginative myths of creation and tales of epic deeds, chilling ghost stories, and ribald tales of mischief and magic in the animal and human realms. Abrahams renders these stories in a narrative voice that reverberates with the rhythms of tribal song and dance and the emotional language of universal concerns. A Story, a Story Pantheon

From the rift valley come stories of gods, tricksters, cattle and ogres from the many peoples of East Africa. Traditional stories bring a deeper understanding of the movement of peoples across East Africa. Common roots and differences between ancient peoples create a lively portrait with their fragile, powerful gods. The modern nations of Kenya, Tanzania, Uganda, Burundi and Rwanda inherit the folk and mythic tales of the rift valley region. Here you'll find stories of ogres and tricksters, riddles and poems, figures such as the first man (Gikuyu) and woman (Mumbi), and great heroes of history such as Liongo. This new collection is created for the modern reader. FLAME TREE 451: From myth to mystery, the supernatural to horror, fantasy and science fiction, Flame Tree 451 offers a healthy diet of werewolves and mechanical men, blood-lustly vampires, dastardly villains, mad scientists, secret worlds, lost civilizations and escapist fantasies. Discover a storehouse of tales gathered specifically for the reader of the fantastic.

Good Night Stories for Rebel Girls: 100 Real-Life Tales of Black Girl Magic is the fourth volume of the New York Times bestselling Good Night Stories for Rebel Girls series which originally launched in 2016. Good Night Stories for Rebel Girls: 100 Real-Life Tales of Black Girl Magic is published by Rebel Girls, a global, multi-platform empowerment brand dedicated to helping raise the most inspired and confident global generation of girls through content, experiences, products, and community. About Black Girl Magic CaShawn Thompson, a proud third-generation native of Washington, DC, came up with the concept "Black Girls Are Magic" when she was a little girl growing up with her mother, grandmother, and aunts. It sprang forth fully formed from the mind of a poor little Black girl who didn't yet have the words to describe the brilliance she saw in the women in her family, but had heard countless tales of fairies, witches, and magicians. It was just magic to her. And it

still is. Black Girls Are Magic became wildly popular in 2013 after CaShawn began using the phrase online (it was later shortened to the hashtag #BlackGirlMagic) to uplift and praise the accomplishments, beauty, and other amazing qualities of Black women.
