joins forces with the New
York Times bestselling author
of *Mud Vein*. Together, they
have created a gripping,
romantic tale unlike any
other. "How odd to be made
of flesh, balanced on bone,
and filled with a soul you've
never met." Charlize
Wynwood and Silas Nash
have been best friends since
they could walk. They've
been in love since the age of
fourteen. But as of this
morning...they are complete
strangers. Their first kiss, their
first fight, the moment they
fell in love...every memory
has vanished. "I don't care
what our real first kiss was,"
he says. "That's the one I
want to remember." Charlize
and Silas must work together
to uncover the truth about

what happened to them and
why. But the more they learn
about the couple they used to
be...the more they question
why they were ever together
to begin with. "I want to
remember what it feels like to
love someone like that. And
not just anyone. I want to
know what it feels like to love
Charlie."

The inspiration behind the
major motion picture *After We
Collided!* From New York
Times bestselling author and
Wattpad sensation Anna
Todd, "the biggest literary
phenom of her generation"
(*Cosmopolitan*), comes the
sequel to the internet's most
talked-about book—now with
new exclusive material! Tessa
has everything to lose. Hardin
has nothing to lose...except
her. **AFTER WE
COLLIDED**...Life will never be
the same. After a tumultuous
beginning to their relationship,
Tessa and Hardin were on the

path to making things work. She knew he could be cruel, but when a bombshell revelation is dropped about the origins of their relationship—and Hardin’s mysterious past—Tessa is beside herself. Hardin will always be...Hardin. But is he really the deep, thoughtful guy Tessa fell madly in love with despite his angry exterior, or has he been a stranger all along? She wishes she could walk away. It’s just not that easy. Not with the memory of passionate nights spent in his arms. His electric touch. His hungry kisses. Still, Tessa’s not sure she can endure one more broken promise. She put so much on hold for Hardin—school, friends, her mom, a relationship with a guy who really loved her, and now possibly even a promising new career. She needs to move forward with her life. Hardin knows he made a mistake, possibly the biggest one of his life. He’s not going down without a fight. But can he change? Will he change...for

love?

I am no coward. I want to make that perfectly clear. But after my life turned into a horror movie, I take fear a lot more seriously now. I finally became Dr Carrie Ames just eight months ago. Then I was attacked in the hospital morgue by a vampire. Now I m a vampire and it turns out I have a blood tie to the monster who sired me. And of course he's one of the most evil vampires on earth. With my sire hell-bent on turning me into a soulless killer and his sworn enemy set to exterminate me, things couldn't get much worse except I m attracted to them both. Drinking blood, living as an immortal demon and being a pawn between

two warring vampire factions isn't exactly how I'd imagined my future. But, as my father used to say, the only way to conquer fear is to face it. So that's what I'll do. Fangs bared. Love Sookie Stackhouse and Bella Swan? It's time to meet newly turned vampire Carrie Ames. The Spring Girls Forever After Simon and Schuster *After Simon and Schuster* The romance between Tessa and Harry continues as forces try to tear them apart. By the author of *After Ever Happy* and *After We Fell*. Original. The Turning Simon and Schuster In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York

Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't

help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Women's Barracks Simon and Schuster

Experience the internet's most talked-about book, now a major motion picture, from Anna Todd, the writer *Cosmopolitan* called “the biggest literary phenomenon of her generation.” There was the time before Tessa met Hardin, and then there's everything AFTER...Life will never be the same. #Hessa Tessa is a good girl with a sweet, reliable

boyfriend back home. She's got direction, ambition, and a mother who's intent on keeping her that way. But she's barely moved into her freshman dorm when she runs into Hardin. With his tousled brown hair, cocky British accent, and tattoos, Hardin is cute and different from what she's used to. But he's also rude—to the point of cruelty, even. For all his attitude, Tessa should hate Hardin. And she does—until she finds herself alone with him in his room. Something about his dark mood grabs her, and when they kiss it ignites within her a passion she's never known before. He'll call her beautiful, then insist he isn't the one for her and disappear again and again. Despite the reckless way he treats her, Tessa is compelled to dig deeper and find the real Hardin beneath all his lies. He pushes her away again and again, yet every time she pushes back, he only pulls her in deeper. Tessa already has the perfect boyfriend. So why is she trying so hard to overcome her own hurt pride and Hardin's prejudice about nice girls like her? Unless...could this be love?

The Unbecoming of Mara Dyer
Createspace Independent
Publishing Platform
First Digital Edition; Grier
Rating: A*** This is the true-life
story of what happens when
scores of young girls live
intimately together in a French
military barracks. Many of these
girls, utterly innocent and
inexperienced, meet other
women who have lived every
type of existence. Their
problems, their temptations, their
fights and failures are those
faced by all women who are
forced to live together during
dangerous and stressful times.
The girls who chose Tereska
Torres, the author, as their
confidante poured out to her their
most intimate feelings, their
secret thoughts. With all of its
revelations and tenderness,
Women's Barracks is an
important book because it tells a
story that had never been truly
told before--the story of women
in war. It also has the special
distinction of being the first
"lesbian pulp" novel ever
published and became a record-
breaking bestseller. This

autobiographical novel takes place
in London, England during World
War II. The terror of the V-1 and
V-2 rocket bombings, and the
resulting fires and destruction, are
an unknown experience to most
readers. The women enduring
these events were not even 20
years old when they first arrived.
Many volunteered to be there.
They were French, or of French
heritage, and wanted to be part of
the effort to help protect France
from invasion by the Nazis.
Throughout it all, passions flare,
long-standing taboos are tossed to
the wind, and passionate
relationships are begun between
older, more experienced butch
officers and the young,
inexperienced femme girls under
their charge. In her telling of
these women's stories, Torres
remains nonjudgmental of the
lesbian relationships these women
explored. Perhaps as a result,
Women's Barracks was banned
in several states for being
obscene. The House Select
Committee on Current
Pornographic Materials
denounced the book in 1952 as an
illustration of how the newly

emerging paperback industry was breeding and promoting moral depravity. By today's standards, of course, the book is somewhat tame; however, the eroticism and honesty with which Torres writes immerses the reader in the love, tenderness, loyalty and passion that women share with each other.

Under the Bridge Simon and Schuster

A new love story from Anna Todd begins with **THE FALLING**, the first novel in a new trilogy (**Brightest Stars**) from the #1 internationally best-selling author of the **AFTER** series. Twenty-year old Karina is proud of the independent life she is trying to create

for herself in Fort Benning, Georgia. A dutiful officer's daughter, supportive sister to a troubled twin brother, and caring friend to her roommate, Elodie, she always puts the needs of others ahead of her own, and prides herself on being a fixer of broken things—whether it's the house she's just bought or the fragmented family she works hard to keep intact. Like anyone who has grown up around an army base, Karina also knows the background noise that follows men and women home from war. And when she meets Kael, a handsome soldier on the cusp of discharge, she's immediately intrigued by his brooding presence and enigmatic silence. As their uncertain and unexpected friendship starts to turn into

something more, Karina tries to piece together Kael's story: he is emotionally closed off, recovering from wounds and other trauma in the aftermath of two deployments in Afghanistan. In her practice as a physical therapist, Karina has a strong desire to help him heal, and though it challenges her many insecurities and anxieties, she has an equally strong desire to trust him. But that trust is fragile, like the preciousness of a soldier's life. It can be gone in an instant. Ultimately facing a crossroads, Karina and Kael find their relationship will be tested by the one thing that Karina cannot accept, forgive, or understand. Anna Todd's *Brightest Stars* trilogy continues with *THE BURNING* and *THE INFINITE LIGHT OF*

DUST, coming soon.

It Ends with Us Macmillan

From the New York Times bestselling author and Wattpad sensation Anna Todd, “the biggest literary phenom of her generation” (Cosmopolitan), comes the complete collection of her sizzling After series—the inspiration behind the major motion picture After. After: Once she meets Hardin, good girl Tessa’s life will never be the same. He is rude, cocky, and the exact

opposite of her reliable boyfriend back home—she should hate him, but then she finds herself alone with him one night. What follows is a passionate but tempestuous romance that turns Tessa’s usually calm and traditional world upside down. After *We Collided*: Tessa and Hardin’s tentative relationship takes a devastating turn when a dark secret from Hardin’s mysterious past surfaces. Can Tessa manage to move on and forge a new life for herself? Or will Hardin be able to change enough to win back his one true love? After *We Fell*: Hardin isn’t the only one with secrets. Everything Tessa thought she knew about her life goes up in smoke and she has no idea if Hardin will be willing to stay with her. Trapped in a seemingly unending cycle

of jealousy and rage, neither has any idea if their passion is enough to keep their relationship alive. After *Ever Happy*: Each new challenge Tessa and Hardin face only makes their passionate bond stronger and stronger. But when a revelation about the past shakes Hardin’s impenetrable façade to the core—and then Tessa suffers a tragedy—will they stick together again or be torn apart? Before: The ups and downs of Tessa and Hardin’s relationship are explored by others in their lives before, during, and after the events of the series. Finally, Hardin reveals his own perception of his life with Tessa, which will completely change how you see the famous brooding boy and the angel who loved him.

SOON TO BE A MAJOR MOTION PICTURE starring Jennifer Lawrence, Joel Edgerton and Jeremy Irons. Dominika Egorov, former prima ballerina, is sucked into the heart of Putin's Russia, the

country she loved, as the twists and turns of a betrayal and counter-betrayal unravel. American Nate Nash, idealistic and ambitious, handles the double agent, codenamed MARBLE, considered one of CIA's biggest assets. He needs to keep his identity secret for as long as the mole can keep supplying golden information. Will Dominika be able to unmask MARBLE, or will the mission see her faith destroyed in the country she has always passionately defended? 'A great and dangerous spy-game is being played today between Russian intelligence and the CIA. Very few people know about it, including many of our politicians in Washington. But Jason Matthews does, and his thrilling Red Sparrow takes us deep inside this treacherous world. He's an insider's insider. He knows the secrets. And he is also a masterful story-teller. I loved this book and could not put it down. Neither will you'

Vince Flynn 'Not since the good old days of the Cold War has a classic spy thriller like Red Sparrow come along. Jason Matthews is not making it up; he has lived this life and this story, and it shows on every page. High-level espionage, pulse-pounding danger, sex, double agents and double crosses. What more can any reader want?' Nelson DeMille
