After Babel - George Steiner - Oxford University Press
Caught in that contradiction, "After Babel" is a deeply ambivalent hymn to language. It would be easy to accuse Steiner of paradox if silence were his ideal rather than a danger. He too eloquently...

After Babel: Aspects of Language and Translation | George ...

As Steiner presents it in After Babel, language is as much a means of concealment as of communication, as much a safeguard of our private as a manifestation of our public selves. Hence all communication, all reading, all listening, involves an act of interpretation, since no two people speak identically the same language.

George Steiner After Babel Pdf

After Babel: Aspects of Language and Translation I first stumbled across Professor George Steiner some forty years ago, and found him instantly inspiring, and ultimately helpful, in perfecting

my post-graduate teaching which is, as he pointed out, a process of interpreting a text for the understanding of the hearers. I wanted to own this volume, "After Babel", to cement the link with his scholarship as well as to enjoy his eloquent challenges. *After Babel: Aspects of Language and Translation: Amazon ...*

Steiner, George After Babel (Oxford, 1975) : George ...

The greater part of After Babel is devoted to a match between Whorf's and Chomsky's views on language, with Steiner acting as umpire and commentator. As it turns out, however, the game is never really won by either side since, after pages of qualifications and questions, Steiner generally concludes: we

do not yet know.

After Babel, by George Steiner

- **David Stern, Commentary ...**
After Babel: Aspects of
Language and Translation.
George Steiner. George
Steiner's essential tome on
linguistics, hailed by the New
York Times as a "dazzling
inquiry into the possibility of
translation" In his classic
work, literary critic and
scholar George Steiner tackles
what he considers the Babel
"problem": Why, over the course
of history, have humans
developed thousands of
different languages when the
social, material, and economic
advantages of a single tongue
are obvious?

phenomenology and processes of
translation both inside and
between languages.

When it first appeared in 1975,
After Babel created a
sensation, quickly establishing
itself as both a controversial
and seminal study of literary
theory. In the original
edition, Steiner provided
readers with the first
systematic investigation since
the eighteenth century of the
