Dead to the World Atlantic Monthly Press
Perhaps only someone who has worked for almost a decade as a medic in New York City's Hell's Kitchen--as Joe Connelly has--could write a novel as riveting and fiercely authentic as *Bringing Out the Dead*. Like a front-line reporter, Connelly writes

from deep within the experience, and the result is a debut novel of extraordinary power and intensity. In Frank Pierce, a brash EMS medic working the streets of Hell's Kitchen, Connelly gives us a man who is being destroyed by the act of saving people. Addicted to the thrill ("the best drug in the world") and the mission of the job, Frank is nevertheless drowning in five years' worth of grief and guilt--his own and others': "my primary role was less about saving lives than about bearing witness." His wife has left him, he's drinking on the job, and just a month ago he "helped to kill" an eighteen-year-old asthmatic girl. Now she's become the waking

nightmare of all his failures: hallucination and projection ("the ghosts that once visited my dreams had followed me out to the street and were now talking back"), and as real to him as his own skin. And in reaction to her death, Frank has desperately resurrected a patient back into a life now little better than death. In a narrative that moves with the furious energy of an ambulance run, we follow Frank through two days and nights: into the excitement and dread of the calls; the mad humor that keeps the medics afloat; the memories, distant and recent, through which Frank reminds himself why he became a medic and tries, in vain, to convince himself

to give it up. And we are with him as he faces his newest ghost: the resurrected patient, whose demands to be released into death might be the most sensible thing Frank has heard in months, if only he would listen. *Bringing Out the Dead* is a stunning novel.

The *Story of the Lost Child* is the long-awaited fourth volume in the Neapolitan novels (*My Brilliant Friend*, *The Story of a New Name*, *Those Who Leave and Those Who Stay*). The quartet traces the friendship between Elena and Lila, from their childhood in a poor neighbourhood in Naples, to their thirties, when both women are mothers but each has chosen a different path. Their lives are still inextricably linked, for better or worse, especially when it comes to the drama of a lost child. Elena Ferrante was born in Naples. She is the author of seven novels: *The Days of Abandonment*, *Troubling Love*, *The Lost Daughter*, and the quartet of Neapolitan novels: *My Brilliant Friend*, *The Story of a New Name*, *Those Who Leave and Those Who Stay*, and *The Story of the Lost Child*. *Frantumaglia*, a selection of interviews, letters and occasional writings by Ferrante, will be published in 2016. She is one of Italy's most acclaimed authors. Ann Goldstein has translated all of Elena Ferrante's work. She is

an editor at the *New Yorker* and a recipient of the PEN Renato Poggioli Translation Prize. Praise for Ferrante and the Neapolitan novels '[Ferrante's] charting of the rivalries and sheer inscrutability of female friendship is raw. This is high stakes, subversive literature.' *Sunday Telegraph* 'Ferrante is an expert above all at the rhythm of plotting...Whether it's work, family, friends or sex—and Ferrante, perhaps thanks to her anonymity as an author, is blisteringly good on bad sex—our greatest mistakes in life aren't isolated acts; we rehearse them over and over until we get them as badly wrong as we can.' *Independent* 'Great novels are intelligent far beyond the powers of any character or writer or individual reader, as are great friendships, in their way. These wonderful books sit at the heart of that mystery, with the warmth and power of both.' *Harper's* 'Elena Ferrante is one of the great novelists of our time. Her voice is passionate, her view sweeping and her gaze basilisk...In these bold, gorgeous, relentless novels, Ferrante traces the deep connections between the political and the domestic. This is a new version of the way we live now—one we need, one told brilliantly, by a woman.' *New York Times Sunday Book Review* 'When I read [the Neapolitan novels] I find that I never want to stop. I feel vexed by the obstacles—my job, or

acquaintances on the subway—that threaten to keep me apart from the books. I mourn separations (a year until the next one—how?). I am propelled by a ravenous will to keep going.' *New Yorker* 'The best thing I've read this year, far and away...She puts most other writing at the moment in the shade. She's marvellous.' Richard Flanagan 'The Neapolitan series stands as a testament to the ability of great literature to challenge, flummox, enrage and excite as it entertains.' *Sydney Morning Herald* 'The depth of perception Ms. Ferrante shows about her character's conflicts and psychological states is astonishing...Her novels ring so true and are written with such empathy that they sound confessional.' *Wall Street Journal* 'The older you get, the harder it is to recapture the intoxicating sense of discovery that comes when you first read George Eliot, Nabokov, Tolstoy or Colette. But this year it came again when I read Elena Ferrante's remarkable Neapolitan novels.' Jane Shilling, *New Statesman* 'There is nothing remotely tiring or trying about the experience of reading the Neapolitan novels, which I, and a great many others, now rank among our greatest book-related pleasures...it is writing that holds honesty dear.' *Weekend Australian* 'Dickens gave working people a voice. Ferrante,

whoever she might be, presents a new paradigm for being female in the world...Ferrante's great literary creations, Lenu and Lila, have the same emotional weight as Anne in *Persuasion*, Jo in *Little Women*, Maggie in *The Mill on the Floss*, Jane in *Jane Eyre*. Helen Elliott in the *Monthly* 'This stunning conclusion further solidifies the Neapolitan novels as Ferrante's masterpiece and guarantees that this reclusive author will remain far from obscure for years to come.' *Publishers Weekly* 'The Neapolitan novels are smart, thoughtful, serious literature. At the same time, they are violent, suspenseful soap operas populated with a vivid cast of scheming characters...Ferrante's novels are deeply personal and intimate, getting to the very heart of what it means to be a woman, a friend, a daughter, a mother.' *Debrief Daily* 'Shattering and enthralling, intimate and vicious...The Neapolitan Novels are the kind of books that swallow me whole. As soon as I pick one up, I don't want to breathe or move lest I break the spell...The Neapolitan Novels are among the most important in my reading life. I can't recommend them highly enough.' *Readings* 'Ferrante captures the complexities of women, friendship and motherhood in ways that make your heart soar and ache in equal measures. If you haven't already, treat yourself to this series.' *ELLE Australia* '[Ferrante's]

Neapolitan novels contain real life – recognisable anxiety, joy, love and heartbreak. This is an incredibly difficult feat to achieve in the first place, let alone sustain, over four books. We will be talking about Elena and Lila for years to come.' *Sydney Morning Herald* 'There's a bright, sinewy humanness to Ferrante's writing that is so alive it's alarming...The *Story of the Lost Child* is a full emotional experience, and a fitting end to a huge, arresting series.' *New Zealand Listener* 'I was one of the many who wept and wondered over Elena Ferrante's *The Story of the Lost Child*. I plan to re-read the entire series soon.' *Favourite Feminist Reads from 2016, Feminist Writers Festival*

Winner of the 2021 National Jewish Book Award for Contemporary Jewish Life and Practice Finalist for the 2021 Kirkus Prize in Nonfiction A *New York Times* Notable Book of the Year A *Wall Street Journal*, *Chicago Public Library*, *Publishers Weekly*, and *Kirkus Reviews* Best Book of the Year A startling and profound exploration of how Jewish history is exploited to comfort the living. Renowned and beloved as a prizewinning novelist, Dara Horn has also been publishing penetrating essays since she was a teenager. Often asked by major publications to write on subjects related to Jewish culture—and increasingly in response to a recent wave of deadly antisemitic attacks—Horn was troubled to realize what all of these assignments had in

common: she was being asked to write about dead Jews, never about living ones. In these essays, Horn reflects on subjects as far-flung as the international veneration of Anne Frank, the mythology that Jewish family names were changed at Ellis Island, the blockbuster traveling exhibition Auschwitz, the marketing of the Jewish history of Harbin, China, and the little-known life of the "righteous Gentile" Varian Fry. Throughout, she challenges us to confront the reasons why there might be so much fascination with Jewish deaths, and so little respect for Jewish lives unfolding in the present. Horn draws upon her travels, her research, and also her own family life—trying to explain Shakespeare's Shylock to a curious ten-year-old, her anger when swastikas are drawn on desks in her children's school, the profound perspective offered by traditional religious practice and study—to assert the vitality, complexity, and depth of Jewish life against an antisemitism that, far from being disarmed by the mantra of "Never forget," is on the rise. As Horn explores the (not so)

shocking attacks on the American Jewish community in recent years, she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past—making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity. “ Have we really come so far, when a tour of the Continent is so desirable a thing? We've traded our swords for treaties, our daggers for promises—but our thirst for violence has never been quelled. And that's the crux of it—it can't be quelled. It's human nature. ”
For her sixteenth birthday, Vaela Sun receives the most coveted gift in all the Spire—a trip to the Continent. It seems an unlikely destination for a holiday: a cold, desolate land where two nations remain perpetually locked in combat. Most citizens lucky enough to tour the Continent do so to observe the spectacle and violence of battle, a thing long vanished in the peaceful realm of the Spire. For Vaela, the war holds little interest. As a talented apprentice cartographer and a descendant of the Continent herself, she sees the journey as a dream come true: a once-in-a-lifetime opportunity to improve upon the maps she's drawn of this vast, frozen land. But Vaela's dream all too quickly turns to nightmare as the journey brings her face-to-face with the brutal reality of a war she's only read about. Observing from the safety of a heli-plane, Vaela

is forever changed by the sight of the bloody battle being waged far beneath her. And when a tragic accident leaves her stranded on the Continent, Vaela finds herself much closer to danger than she 'd ever imagined—and with an entirely new perspective as to what war truly means. Starving, alone and lost in the middle of a war zone, Vaela must try to find a way home—but first, she must survive.

England in the 1520s is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years and marry Anne Boleyn. The pope and most of Europe oppose him. The quest for the king 's freedom destroys his advisor, the brilliant Cardinal Wolsey, and leaves a power vacuum and a deadlock. Into this impasse steps Thomas Cromwell. The son of a brutal blacksmith, a political genius, a briber, a bully and a charmer, Cromwell has broken all the rules of a rigid society in his rise to power. Narrowly escaping personal disaster—the loss of his young family and of Wolsey, his beloved patron—he picks his way deftly through a court where “ man is wolf to man. ” Pitting himself against parliament, the political establishment and the papacy, he is prepared to reshape England to his own and Henry 's desires. In inimitable style, Hilary Mantel presents a picture of a half-made society on the cusp of change, where individuals fight or embrace their fate with passion and courage. Wolf Hall re-creates an era

when the personal and political are separated by a hair's breadth, where success brings unlimited power, but a single failure means death.
