Fantasy. Xar and Wish have found the ingredients for the Spell-to-get-rid-of-Witches. Now the Kingwitch is calling them to the lake of the lost. But first they must mix the potion in the Cup of Second Chances ... Can they defeat the hungry Tatzelwurm monster and escape with the cup? And will the spell be strong enough to lift the CURSE OF THE WILDWOODS... or will Witches reign FOREVER?

The Basilisk's Creed: Volume One (Free MF Paranormal Erotic Contemporary Romance Fantasy Series) Oxford University Press

Lies of the past Renee has spent half her life pretending to be someone she isn't. Now she has the chance to be herself and have a relationship with her family, but all she ends up doing is hurting those she loves. She's finally ready to live without the

lies of the past but she needs to learn from them too. Lies for a future Greg has never told his son the truth. He lied to protect the future, and someone has figured it out and is after him now. Suspected in a murder he didn't commit, and out in the open where the elusive Sir lurks, he will have to fight his hardest battle ever. Left by the woman he loves, he must figure out that to live in the future, you must let go of the lies. Truth to survive When Renee and Greg finally come together, their lies will either bury them or resurrect them. If they want a future beyond the lies, they'll have to learn that even when the truth hurts, it must be told.

Forever Charmed Jersey Devil Press
Best friends share everything. Even a true mate? Gwen Burnett is being hunted. Winner takes all. And the enthralling shifter who catches her and the charismatic male who rescues her want to claim their prize—her—for eternity. Vlad, a Royal shifter from the Winchester pack, should 've claimed his true mate the day he met her. But persuading his best friend and the innocent human they 've pursued for months to share everything will make his victory so much sweeter. Powerful. Demanding. Enticing. As leader of the Winchester pack, Xander gets what he wants. No matter what he has to do to claim his prize. Or who he has to share Gwen with. And nobody will take his

possessions away. Not his pack mates questioning his nontraditional relationship. Not the enemy looking to steal Gwen back. Not even the witches and shamans hunting them all. A wolf will fight until his dying breath to protect his pack... and his true mates.

————— This book is the closest version of LAST CHANCE by Nancy Corrigan, the Mainstream fiction pen name of Dana Archer. —————

Note: Welcome to the Shifter World® where primal heroes take on the world to claim their true mates! Escape reality with the Royal Alexander pride and their friends and immerse yourself in a bewitching saga where you'll find:

Download today and read an official Shifter World® original novel. Are you looking for more Shifter World novels? Royals and Alphas titles: Rafe - An immortal Royal shifter must convince a protective human mother with secrets to trust him in order to stop a killer. Devin - Crazy shifters aren't worthy of love. Everyone knows that. Except

Devin. He'll fight for his true mate, her sisters, and their pride. Josh - As a human living among shifters, Josh isn't considered worthy of the shifter female every male wants. But Mira is his true mate. He'll prove it or die. Sean - Maturing is a dangerous time for

shifters and Sean wants nothing to do with his primal side or settling down with a mate. Until a one-night stand changes his mind. Nic - Disagreeing with the wolf you've been born with is not a fate any man wants. Neither is losing the woman you love because of your wolf. Nic is in for the fight of his life. He won't lose the woman he loves or betray his primal side. Ethan - Choosing between his true mate and the mate of his heart isn't an option. Ethan will claim them both. If he can keep them alive until he's leader of his pack. Xander - being a BBW woman in a man's world is hard. Being the human true mate to two primal shifters is harder. But Gwen knows a secret - Women are powerful. Anton - Nyx had one goal - Destroy the most feared member of the Shifter Council. She was not supposed to fall in love with him. But a smart woman knows when to change her game plan. Agents of Shifter Affairs titles: Rick - A man with nothing to live for is dangerous. But a shifter fighting for his true mate's future is unstoppable. Nothing will stop Rick from being the mate Mya should've ended up with. Ilan - Assassins don't nurture life. They take it. But an unexpected baby changes things. So does a true mate. And when death comes knocking, there's no one better prepared to beat it. Uri - Guilt is dangerous. So is ignoring the pull of your true mate. And when passion takes over, nobody is safe from a

predator's instincts, especially the enemy trying to take Uri's true mate from him. Kade - Distance doesn't make the heart grow fonder. It triggers a shifter's instinct to possess. And when Kade's beloved human returns, he'll risk everything-including his pride-to ensure he never loses Zoe again.

Inspiration, Harmony, Abundance all with Balanced Thought...are these your goals for a better life? Is it right or is it wrong? Is it good or is it damaging? Why do we have to ask ourselves these questions all the time? We have double standards. We believe that evil is real. We believe that something can harm us. The truth is, however, that we are perfect beings of light, indestructible and pure. We have only fallen into the mist of misunderstanding and are acting according to our fears...

Personal Property in the Digital Economy
Simon & Schuster Books for Young Readers

Abdul Basit 's fascinating account of India Pakistan relations is based largely on his tenure in India as Pakistan High Commissioner from March 2014 to August 2017: the "ups and downs that generated hopes and created stalemates; how the two sides dealt with them; why and how the bilateral relationship reached the present troublesome phase; whether there is any possibility that the two would ever be able to become normal neighbours", as he writes.

Basit 's important book sheds light on questions of diplomacy and state interests that are as pertinent as ever.

Forever Family Frankie Love

Don't get drunk at a party after just being dumped by your long distance boyfriend. Don't go hitting on the hottest guy at the party. Even if he looks 10 years

younger than you. Even if his name's Hunter. DON'T sleep with him when he returns your flirting. Hunter is not the relationship kind of guy. You can tell just by looking at him. Too hot, too delicious, sexy as hell and bad boy written all over his handsome face and muscular tattooed body. He's reckless, dangerous and trouble with a capital T. He's also at least 10 years younger than me. And I don't even remember his last name. Flash forward to Monday morning work—where I'm still nursing the hangover from Saturday and my body is still feeling the effects of the best one night stand I've ever had—and my boss calls me into his office. Apparently his son has just returned from university and is going to be stepping into the company. My boss wants me to personally train him. Make him the best of the best. It's Hunter. And I'm so screwed—literally. Visions of post-apocalyptic worlds have proved to be irresistible for many 21st-century writers, from literary novelists to fantasy and young adult writers. Exploring a wide range of texts, from the works of Margaret Atwood, Cormac McCarthy, Tom Perrotta and Emily St. John Mandel to young adult novels such as Suzanne Collins's *The Hunger Games* series, this is the first critical

introduction to contemporary apocalyptic fiction. Exploring the cultural and political contexts of these writings and their echoes in popular media, *Apocalyptic Fiction* also examines how contemporary apocalyptic texts look back to earlier writings by the likes of Mary Shelley, H.G. Wells and J.G. Ballard. *Apocalyptic Fiction* includes an annotated guide to secondary readings, making this an essential guide for students of contemporary fiction at all levels.

Ethan FriesenPress

One young woman... Tania, fresh out of a small backwoods college, travels to Asia to pay off crushing student debt. Lost and alone, she lives on ramen noodles and misses the friends she left behind, the family of her heart. After disastrously losing her latest overseas job and her work visa through no fault of her own, she ends up in Thailand. Her new boss is sexy, charming, mysterious, and very rich. Tania finds herself attracted to him, but wants to protect herself. If you start from less than zero, how do you become equal to your prince of a boss? One young man... Sanur Taanvi, a shapeshifter from a secretive royal family, has been betrayed by those closest to him again and again. He uses his family's ancient funds to snatch people from the hungry jaws of poverty. Aloof and alone except for a few retainers, he needs help with one of his businesses after yet another betrayal. He has been burned before. Can he find love with a woman that has captivated his heart? Note: This story has mild cursing and limited sex scenes. If you're looking for clean romance or erotica, this is NOT the novel for you. This is a novel for adults or young adults 18+. This is a paranormal romance novel about a shifter available in Kindle Unlimited. This is Book One of a paranormal romance series, but the first three books of the series can be read in any order. This book is available in print and ebook editions. Click Read for Free or Buy Now!

Love Along the Oregon Trail Cherokee House Publishing LLC

An argument for retaining the notion of personal property in the products we “buy” in the digital marketplace. If you buy a book at the bookstore, you own it. You can take it home, scribble in the margins, put in on the shelf, lend it

to a friend, sell it at a garage sale. But is the same thing true for the ebooks or other digital goods you buy? Retailers and copyright holders argue that you don't own those purchases, you merely license them. That means your ebook vendor can delete the book from your device without warning or explanation—as Amazon deleted Orwell's 1984 from the Kindles of surprised readers several years ago. These readers thought they owned their copies of 1984. Until, it turned out, they didn't. In *The End of Ownership*, Aaron Perzanowski and Jason Schultz explore how notions of ownership have shifted in the digital marketplace, and make an argument for the benefits of personal property. Of course, ebooks, cloud storage, streaming, and other digital goods offer users convenience and flexibility. But, Perzanowski and Schultz warn, consumers should be aware of the tradeoffs involving user constraints, permanence, and privacy. The rights of private property are clear, but few people manage to read their end user agreements. Perzanowski and Schultz argue that introducing aspects of private property and ownership into the digital marketplace would offer both legal and economic benefits. But, most important, it would affirm our sense of self-direction and autonomy. If we own our purchases, we are free to make whatever lawful use of them we please. Technology need not constrain our freedom; it can also empower us.

HOW TO PRAY Oswal Publishers

Never lead a widowed shifter cop to his true mate then tell him he can't have her. "If you're looking for a great shifter story, this one will pull you into the series!" Mya Being a single mom is hard. Not dying at the hands of my kids' deadbeat dad is harder. Especially when the shifter elders won't lift a finger to help me. But for my daughters, I'll risk everything for freedom. Even if that means trusting the new cop in town with our protection. And my heart. But loving Rick feels more natural than anything I've ever experienced. It's as if he already knows my soul... Rick A century ago, I lost my breeding partner and unborn babies. Then I walked away from pack life to protect the innocent. A cold murder brought me back and gave me a second chance with the one woman I never expected to find.

Mya is my true mate. My wolf knows it. I know it. Only one thing stands in our way. The criminal who kidnapped her from her human life would rather see her dead than with me. And Mya's death isn't something I could bear. So it comes down to kill or be killed. And I have no plans on losing my life or Mya.

Too Good to Be True Springer

Fallen gods. Cloned queens. Psychokinetic squirrels. Atomic werewolves. Hippie zombies. Jell-O monsters. Butter monsters. Booger monsters. An army of philosophers bent on world domination. A cybernetically-enhanced donut maker. The horned-up ghosts of elderly lady serial killers. The frozen head of Walt Sidney. Earthquakes. Fire tornados. A global volcanic winter. A supermassive extradimensional black hole. Dr. Vanilla Ice II. And that's literally not even the half of it. Five books. Seventeen stories. More f-bombs than Microsoft Word can count. Ten years of EXPONENTIAL APOCALYPSE are collected into a single volume, an omnibus that, like a stoner's rug, ties everything together, from the first doomsday to the very last. **THE END OF EVERYTHING FOREVER** is a fifty-year epic of extinction events, the genre-spanning saga

of a planet in perpetual peril, a world that can't seem to stop itself from ending — and all the nihilists and nutcases, the anti-heroes and con artists and mad scientists and slackers, that keep trying to save it. Even if it is only because there ' s nothing on TV that day. With a foreword by Danger Slater. "If The Avengers was written by Terry Pratchett and directed by Kevin Smith, you might end up in the same dimension as the Exponential Apocalypse series." — Kat Clay, Radiant Attack

Apple-Y Ever After (The Way To A Man's Heart Book 12) Kindle Edition Cherokee House Publishing LLC

When in love, you tend to take each other for granted, and sometimes, that can cost you a lifetime of togetherness . . . Ronnie knew that his first crush was way out of his league, and yet he pursued and wooed Adira. Shyly and from a distance in the beginning, and more persuasively later. He couldn't believe it when the beautiful Adira actually began to reciprocate, falling in love with him for his simplicity and honesty. Slowly, as they get close and comfortable with each other, life takes on another hue. From truly magical it becomes routine. There are fights and then making-up sessions—a clash of egos and doubts. Things begin to change for the worst. It is too late. Ronnie and Adira will probably never find their forever after . . .

Haunted by a memory of human failure, an aging man recalls his friendship, as a boy, with a tenant

farmer's son and forces himself and others to recall the causes of a bloody murder and its consequences. Reprint. 15,000 first printing.

Television and Serial Adaptation CreateSpace
From the author of Little Broken Things, a “ race-to-the-finish family drama ” (People) following a mother who must confront the dark summer that changed her life forever in order to reclaim the daughter she left behind. Juniper Baker had just graduated from high school and was deep in the throes of a summer romance when Cal and Beth Murphy, a childless couple who lived on a neighboring farm, were brutally murdered. When her younger brother became the prime suspect, June ' s world collapsed and everything she loved that summer fell away. She left, promising never to return to tiny Jericho, Iowa. Until now. Officially, she ' s back in town to help an ill friend manage the local library. But really, she ' s returned to repair her relationship with her teenage daughter, who ' s been raised by Juniper ' s mother and stepfather since birth—and to solve the infamous Murphy murders once and for all. She knows the key to both lies in the darkest secret of that long-ago summer night, one that ' s haunted her for nearly fifteen years. As history begins to repeat itself and a dogged local true crime podcaster starts delving into the murders, the race to the truth puts past and present on a dangerous collision course. Juniper lands back in an all-too-familiar place with the answers to everything finally in her sights, but this time it ' s her daughter ' s life that hangs in the balance. Will revealing what really happened mean a fresh start? Or will the truth destroy everything Juniper loves for a second time? Baart once again brilliantly weaves mystery into family drama in this expertly-crafted novel for fans of Lisa Jewell and Megan Miranda.

Zarathustra Forever

The history of modern Israel is a fiercely contested subject. From the Balfour declaration to the Six-Day War to the recent assault on Gaza, ideologically-charged narratives and counter-narratives battle for dominance not just in Israel itself but throughout the world. In the United States and Israel, the Israeli cause

is treated as the more righteous one, albeit with important qualifiers and caveats. In *Mythologies Without End*, Jerome Slater takes stock of the conflict from its origins to the present day and argues that US policies in the region are largely a product of mythologies that are often flatly wrong. For example, the Israelis' treatment of Palestinians after 1948 undermined its claim that it was a true democracy, and the argument that Arab states refused to negotiate with Israel for decades is simply untrue. Because of widespread acceptance of these myths in both the US and Israel, the consequences have been devastating to all of the involved parties. In fact, the actual history is very nearly the converse of the mythology: it is Israel and the US that have repeatedly lost, discarded, or even deliberately sabotaged many opportunities to reach fair compromise settlements of the Arab-Israeli and Israeli-Palestinian conflicts. As Slater reexamines the entire history of the conflict from its onset at the end of WWI through the Netanyahu era, he argues that a refutation of the many mythologies that is a necessary first step toward solving the Arab-Israeli conflict. Focusing on both the US role in the conflict and Israel's actions, this book exposes the self-defeating policies of both nations policies which have only served to prolong the conflict far beyond when it should have been resolved.

Rick Simon and Schuster

Great technology alone is rarely sufficient today to ensure a product's success. At Microsoft, scenario-focused engineering is a customer-centric, iterative approach used to design and deliver the deeper experiences and emotional engagement customers demand in new products. In this book, you'll discover the proven practices and lessons learned from real-world implementations of this approach, including: Why design matters: Understand a competitive landscape where customers are no longer satisfied by products that are merely useful, but respond instead to products they crave using. What it means to be customer focused: Recognize that you are not the customer, understand customers can have difficulty articulating what they want, and apply techniques that uncover their unspoken needs. How to iterate effectively: Implement a development system that is flexible enough to respond to early and continuous feedback, and enables experimentation with multiple ideas and feedback loops simultaneously. How to bridge the culture gap: In an

engineering environment traditionally rooted in strong analytics, the ideas and practices for scenario-focused engineering may not be intuitive. Learn how to change team mindset from deciding what a product, service, or device will do, to discovering what customers actually want and what will work for them in real-life scenarios. Connections with Lean and Agile approaches: See the connections, gaps, and overlaps among the Lean, Agile, and Scenario-Focused Engineering methodologies, and achieve a more holistic view of software development.

Performing Citizenship Unlimited Dreams Publishing

ONE LOVE STORY. TWO MARRIAGES.

THREE VERSIONS OF THE TRUTH. An

obsessive, addictive love story for fans of Lisa Jewell and *The Wife Upstairs*, from the beloved author of *Tell Me Lies*. Skye Starling is overjoyed when her boyfriend, Burke Michaels, proposes after a whirlwind courtship. Though Skye seems to have the world at her fingertips—she 's smart, beautiful, and from a well-off family—she 's also battled crippling OCD ever since her mother 's death when she was eleven, and her romantic relationships have suffered as a result. But now Burke—handsome, older, and more emotionally mature than any man she 's met before—says he wants her. Forever. Except, Burke isn 't who he claims to be. And interspersed letters to his therapist reveal the truth: he 's happily married, and using Skye for his own, deceptive ends. In a third perspective, set thirty years earlier, a scrappy seventeen-year-old named Heather is determined to end things with Burke, a local bad boy, and make a better life for herself in New York City. But can her adolescent love stay firmly in her past—or will he find his way into her future? On a collision course she doesn 't see coming, Skye throws herself into wedding planning, as Burke 's scheme grows ever more twisted. But of course, even the best laid plans can go astray. And just when you think you know where this story is going, you 'll discover that there 's more than one way to spin the truth.

Christian Publishing House

As American television continues to garner

considerable esteem, rivalling the seventh art in its "cinematic" aesthetics and the complexity of its narratives, one aspect of its development has been relatively unexamined. While film has long acknowledged its tendency to adapt, an ability that contributed to its status as narrative art (capable of translating canonical texts onto the screen), television adaptations have seemingly been relegated to the miniseries or classic serial. From remakes and reboots to transmedia storytelling, loose adaptations or adaptations which last but a single episode, the recycling of pre-existing narrative is a practice that is just as common in television as in film, and this text seeks to rectify that oversight, examining series from *M*A*S*H* to *Game of Thrones*, *Pride and Prejudice* to *Castle*.
