Deveraux's eagerly awaited third novel in her

blockbuster *Nantucket Brides* trilogy continues the spellbinding saga of the Montgomery-Taggerts, set on an island steeped in beauty and unforgettable romance. Life is anything but perfect for Hallie Hartley, a young physical therapist who has given up nearly everything—even her love life—for her beautiful blonde stepsister, Shelly. Though Shelly's acting career has never taken off, she has certainly perfected the crocodile tears to get what she wants—which all too often means Hallie's boyfriends. When Hallie arrives home early from work one fateful day, she makes two startling discoveries that will turn her life upside down: Not only has a mysterious relative left Hallie a house on Nantucket, but Shelly has been trying to

steal it. Desperate to put her troubles behind her, Hallie impulsively flies to Nantucket. New trouble, however, has already settled into Hallie's guest room in the form of her newest client. Hallie is told that wealthy, young James Taggart has injured his leg in a skiing accident. Assuming that the devastatingly handsome man has led a charmed life, Hallie is surprised by Jamie at every turn throughout his recovery. His attentions draw her out of her shell—but he has a dark secret, and is tormented by nightmares that only her presence can keep at bay. She suspects there's more to his injury than he's letting on. On this gorgeous island rich in history, magic is everywhere, even in Hallie's own backyard. As Jamie's relatives arrive for a wedding gala, something wonderfully unusual is in the air. There's an aura of romance—enhanced by a pair of matchmaking ghosts and a colorful island legend. This widely acclaimed bestseller is the magical, epic tale of an extraordinary man who arrives in New York in 1740 and remains . . . forever. Through the eyes of Cormac O'Connor -- granted immortality as long as he never leaves the island of Manhattan -- we watch New York grow from a tiny settlement on the tip of an untamed wilderness to the thriving metropolis of today. And through Cormac's remarkable adventures in both love and war, we come to know the city's buried secrets -- the way it has been shaped by greed, race, and waves of immigration, by the unleashing of enormous human energies, and, above all, by hope.

Love You Forever Createspace Independent Publishing Platform Ever, These letters are often all that get me through week to week. Even if it's just random stuff, nothing important, they're important to me. Gramps is great, and I love working on the ranch. But... I'm lonely. I feel disconnected, like I'm no one, like I don't belong anywhere. Like I'm just here until something else happens. I don't even know what I want with my future. But your letters, they make me feel connected to

something, to someone. I had a crush on you, when we first met. I thought you were beautiful. So beautiful. It was hard to think of anything else. Then camp ended and we never got together, and now all I have of you is these letters. S**t. I just told you I have a crush on you. HAD. Had a crush. Not sure what is anymore. A letter-crush? A literary love? That's stupid. Sorry. I just have this rule with myself that I never throw away what I write and I always send it, so hopefully this doesn't weird you out too much. I had a dream about you too. Same kind of thing. Us, in the darkness, together. Just us. And it was like you said, a memory turned into a dream, but a memory of something that's never happened, but in the dream it felt so real, and it was more, I don't even know, more RIGHT than anything I've ever felt, in life or in dreams. I wonder what it means that we both had the same dream about each other. Maybe nothing, maybe everything. You tell me. Cade ~ ~ ~ Cade, We're pen pals. Maybe that's all we'll ever be. I don't know. If we met IRL (in real life, in case you're not familiar with the term) what would happen? And just FYI, the term you used, a literary love? It was beautiful. So beautiful. That term means something, between us now. We are literary loves. Lovers? I do love you, in some strange way. Knowing about you, in these letters, knowing your hurt and your joys, it means something so important to me, that I just can't describe. I need your art, and your letters, and your literary love. If we never have anything else between us, I need this. I do. Maybe this letter will only complicate things, but like you I have a rule that I never erase or throw away what I've written and I always send it, no matter what I write in the letter.
