It seems that Lady Rosamund Davies is about to be forced into marriage with a rogue even worse than himself. To everyone else, however, Galahad is a terror, especially to Bitsy's most insistent beau. A particular victim of Galahad's bad manners, he's hired a minion to steal the fluffy Hell Hound, clearing the way for an uninterrupted courtship. But none of them can plan for a chaotic encounter in the park, resulting in lost notes, a soaking in the Serpentine, and the inept dognapper's confusion between Lancelot and Galahad! Determined to find the poodle, Michael doesn't need a frivolous heiress interfering with his logical plans; but to his surprise, Bitsy is resourceful and clever. What he forgets is that chemistry is all about attraction;

and this partnership of opposites is one romantically combustible formula. Still, what's a scientist to do but continue to pursue an outcome, however explosive it may be?
