What Falls from the Sky HarperCollins
"A beautiful, lyrical, and achingly brilliant story about love, grief, and family. Henry's writing will leave you breathless." —BuzzFeed Romeo and Juliet meets One Hundred Years of Solitude in Emily Henry's brilliant follow-up to *The Love That Split the World*, about the daughter and son of two long-feuding families who fall in love while trying to uncover the truth about the strange magic and harrowing curse that has plagued their bloodlines for generations. In their hometown of Five Fingers, Michigan, the O'Donnells and the Angerts have mythic legacies. But for all the tall tales they weave, both founding families are tight-lipped about what caused the century-old rift between them, except to say it began with a cherry tree. Eighteen-year-old Jack "June" O'Donnell doesn't need a better reason than that. She's an O'Donnell to her core, just like her late father was, and O'Donnells stay away from Angerts. Period. But when Saul Angert, the son of June's father's mortal enemy, returns to town after three mysterious years away, June can't seem to avoid him. Soon the unthinkable happens: She finds she doesn't exactly hate the gruff, sarcastic boy she was born to loathe. Saul's arrival sparks a chain reaction, and as the magic, ghosts, and coywolves of Five Fingers conspire to reveal the truth about the dark moment that started the feud, June must question everything she knows about her family and the father she adored. And she must decide whether it's finally time for her—and all of the O'Donnells before her—to let go.

The Day the Sky Fell Down Simon and Schuster

The Russian bestseller about love and second chances, brimming with warmth and humour In the tiny village of Maran

nestled high in the Armenian mountains, a place where dreams, curses and miracles are taken very seriously, a close-knit community bickers, gossips and laughs, untouched by the passage of time. A lifelong resident, Anatolia is happily set in her ways. Until, that is, she wakes up one day utterly convinced that she is dying. She lies down on her bed and prepares to meet her maker, but just when she thinks everything is ready, she is interrupted by a surprise visit from a neighbour with an unexpected proposal. So begins a tale of unforeseen twists and unlikely romance that will turn Maran on its head and breathe a new lease of life into a forgotten village. *Narine Abgaryan's* enchanting fable is a heart-warming tale of community, courage, and the irresistible joy of everyday friendship.

When I Fell From the Sky Macmillan

A retelling of the Navajo legend that explains the patterns of the stars in the sky.

When the Sky Fell Apart Turtleback Books

A study in the collision between Western medicine and the beliefs of a traditional culture focuses on a hospitalized child of Laotian immigrants whose belief that illness is a spiritual matter comes into conflict with doctors' methods.

The Girl Who Fell from the Sky Penguin

"I had no idea how to find my way around this medieval city. It was getting dark. I was tired. I didn't speak Arabic. I was a little frightened. But hadn't I battled scorpions in the wilds of Costa Rica and prevailed?

Hadn't I survived fainting in a San José brothel? Hadn't I once arrived in Ireland with only \$10 in my pocket and made it last two weeks? Surely I could handle a walk through an unfamiliar town. So I took a breath, tightened the black scarf around my hair, and headed out to take my first solitary steps through Sana'a."—from *The Woman Who Fell From the Sky* In a world fraught with suspicion between the Middle East and the West, it's hard to believe that one of the most influential newspapers in Yemen—the

desperately poor, ancestral homeland of Osama bin Laden, which has made international headlines for being a terrorist breeding ground—would be handed over to an agnostic, Campari-drinking, single woman from Manhattan who had never set foot in the Middle East. Yet this is exactly what happened to journalist, Jennifer Steil. Restless in her career and her life, Jennifer, a gregarious, liberal New Yorker, initially accepts a short-term opportunity in 2006 to teach a journalism class to the staff of *The Yemen Observer* in Sana'a, the beautiful, ancient, and very conservative capital of Yemen. Seduced by the eager reporters and the challenging prospect of teaching a free speech model of journalism there, she extends her stay to a year as the paper's editor-in-chief. But she is quickly confronted with the realities of Yemen—and their surprising advantages. In teaching the basics of fair and balanced journalism to a staff that included plagiarists and polemicists, she falls in love with her career again. In confronting the blatant mistreatment and strict governance of women by their male counterparts, she learns to appreciate the strength of Arab women in the workplace. And in forging surprisingly deep friendships with women and men whose traditions and beliefs are in total opposition to her own, she learns a cultural appreciation she never could have predicted. What's more, she just so happens to meet the love of her life. With exuberance and bravery, *The Woman Who Fell from the Sky* offers a rare, intimate, and often surprising look at the role of the media in Muslim culture and a fascinating cultural tour of Yemen, one of the most enigmatic countries in the world.

Chicken Little Penguin

She turned to look at the sea. Flat stretch of water, blank and blue as the sky above. Pretty as a picture, except with black and grey craters where the bombs had fallen: as though some thuggish child had scrawled all over the picture out of spite alone... Jersey, June 1940. It starts with the burning man on the beach just after the bombs land, obliterating the last shred of hope that Hitler will avert his attention from the Channel Islands. Within weeks, 12,000

German troops land on the Jersey beaches, heralding a new era of occupation. For ten-year-old Claudine, it means a re-education under German rule, and as she befriends one of the soldiers, she inadvertently opens the gateway to a more sinister influence in her home with devastating consequences. For Maurice, a local fisherman, it means protecting his sick wife at all costs—even if it endangers his own life. Edith, the island's unofficial homeopath, is a Jerriais through to her bones. But even she can't save everyone, no matter how hard she tries. And as for English doctor Tim Carter—on the arrival of the brutal German Commandant, he becomes the subject of a terrifying regime that causes the locals to brand him a traitor, unaware of the torment he suffers in an effort to save them. When the Sky Fell Apart is a heartbreaking chorus of the resilience of the human spirit. It introduces an exciting new voice in literary fiction. Caroline Lea was born and raised in Jersey. She gained a First in English Literature and Creative Writing from Warwick University and has had poetry published in The Phoenix Anthology and An Aston Anthology, which she also co-edited. When the Sky Fell Apart is her first novel. 'An ambitious portrayal of the German occupation of Jersey during the Second World War...Lea's fondness for Jersey brings the landscape to life with vivid descriptions, which are one of the novel's highlights. An intriguing depiction of life under Nazi occupation, the book explores a time and place rarely covered in fiction. It is an engaging narrative, and Lea should be applauded for a successful portrait of resilience and the strength of friendships during the challenges of wartime.' Lady ' [A] strong debut...A moving and chilling portrait of life under Nazi heel.' Sunday Times ' Haunting...Through her characters' struggles, Lea explores the unlikely affinities that arise between humans during violent times and questions how far we might go to protect those we love.' Australian Women's Weekly ' This is a strong and lyrical first novel, that moves adroitly from the obscenity of war to the complexities of marriages, children, loss and loneliness.' Otago Daily Times ' Debut author Lea evokes the land with the lyrical fondness of a native... A finely detailed exploration of life during wartime.' Kirkus Reviews ' Prepare for your heart to break...Deserves to be read, not only for the blast of reality from the past, but also as a warning for the future.' Lovereading ' When the Sky Fell Apart is exceptional...one of those books that is difficult but nevertheless important.' Wormhole

When the Sky Is Falling Rigby

Scientific and mythological evidence that Antarctica was once Atlantis • Reveals how the earth's crust shifted in 9600 BCE, dragging Atlantis into the polar zone beneath miles of Antarctic ice • Examines ancient yet highly accurate maps, including the Piri Reis map of 1513, which reveals a pre-glacial Antarctica • Shows how myths of floods and disaster from around the world all point to a common source In this completely revised and expanded edition of When the Sky Fell, Rand and Rose Flem-Ath show that 12,000 years ago vast areas of Antarctica were free from ice and home to the kingdom of Atlantis, a proposition that also elegantly solves the mysteries of ice ages and mass extinctions, the simultaneous worldwide rise of agriculture, and the source of devastating prehistoric climate change. Expanding upon Charles Hapgood's theory of earth crust displacement, which was championed by Albert Einstein, they examine ancient yet highly accurate world maps, including the Piri Reis map of

1513, and show how the earth's crust shifted in 9600 BCE, dragging Atlantis into the polar zone where it now lies beneath miles of Antarctic ice. From the Cherokee, Haida, and Okanagan of North America to the earliest records of Egypt, Iran, Mexico, and Japan, they reveal that ancient myths of floods, lost island paradises, and visits from advanced godlike peoples from all corners of the globe all point to the same worldwide catastrophe that resulted in Atlantis's demise. The authors explain how the remaining Atlanteans, amid massive earthquakes and epic floods, evacuated and spread throughout the world, resulting in the birth of the first known civilizations. Including rare material from the archives of Charles Hapgood, Albert Einstein, and Dwight D. Eisenhower, the Flem-Aths explain how an earth crust displacement could happen again in the future, perhaps in correspondence with high solar activity. With new scientific, genetic, and linguistic evidence in support of Antarctica as the location of long-lost Atlantis, this updated edition convincingly shows that Atlantis was not swallowed by the sea but was entombed beneath miles of polar ice.

The House That Fell from the Sky Canongate Books

Anthropologist Bruce Albert captures the poetic voice of Davi Kopenawa, shaman and spokesman for the Yanomami of the Brazilian Amazon, in this unique reading experience--a coming-of-age story, historical account, and shamanic philosophy, but most of all an impassioned plea to respect native rights and preserve the Amazon rainforest.

When Stars Fall from the Sky Simon and Schuster

Tenders new evidence, including an ancient Egyptian map, proving that the legendary civilization of Atlantis did exist and sank to the bottom of the sea, and predicts another environmental catastrophe that will bring about the end of the world. Reprint.

When Clouds Fell from the Sky Mariner Books

On Christmas Eve 1971, the packed LANSA flight 508 from Lima to Pucallpa was struck by lightning and went down in dense jungle hundreds of miles from civilization. Of its 93 passengers, only one survived. Juliane Koepcke, the seventeen-year-old child of famous German zoologists. She'd been thrown from the plane two miles above the forest canopy, but had sustained only a broken collarbone and a cut on her leg. With incredible courage, instinct and ingenuity, she survived three weeks in the "green hell" of the Amazon - using the skills she'd learned in assisting her parents on their research trips into the jungle - before coming across a loggers hut, and, with it, safety. Now she tells her fascinating story for the first time, and in doing so tells us about her 'Gerald Durrell' childhood - with a menagerie of wild, exotic and sometimes dangerous pets - about how she learned to survive at her parents ecological station deep in the rainforest and about her present-day commitment to this wildlife as a biologist and dedicated environmentalist.

The Falling Sky Simon and Schuster

A whirlwind 24-hour romance about two

teens who fall in love in New Orleans on the brink of a hurricane, perfect for fans of Jenny Han and Katie Cotugno. When Julie needs an escape from family issues and her brother's PTSD, she heads to New Orleans with her youth group. But their volunteer project makes her feel more trapped than ever.

Desperate to break free, Julie ditches her paint clothes for tinsel fairy wings and heads straight into the heart of Mid-Summer Mardi Gras, where she locks eyes with an utterly irresistible guy named Miles. Play-It-Safe Julie knows her group leader will be looking for her but the new, In-the-Moment Julie isn't looking back... at least not tonight. So when Miles offers to show her the real New Orleans, she jumps at the chance. But the night takes an unexpected turn when a hurricane switches course and heads straight for New Orleans. Mia Garcia's Even If the Sky Falls is a whirlwind, romantic story about a girl who discovers what it means to feel alive in the face of one of life's greatest dangers: love.

What It Means When a Man Falls from the Sky Algonquin Books

A little chick things the sky is falling down. Will he be safe in the fox's den?

When the Sky Falls Text Publishing

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Day the Sky Fell Down When the Sky Fell on Splendor

The breathtaking action and romance build to a climax in this thrilling conclusion to the Sky Fall trilogy from the New York Times and USA TODAY bestselling author of the Keeper of the Lost Cities series. Vane Weston is ready for battle. Against Raiden's army. Against the slowly corrupting Gale Force. Even against his own peaceful nature as a Westerly. He'll do whatever it takes, including storming Raiden's icy fortress with the three people he trusts the least. Anything to bring Audra home safely. But Audra won't wait for someone to rescue her. She has Gus—the guardian she was captured with. And she has a strange "guide" left behind by the one prisoner who managed to escape Raiden. The wind is also rising to her side, rallying against their common enemy. When the forces align, Audra makes her play—but Raiden is ready. Freedom has never held such an impossible price, and both groups know the sacrifices will be great. But Vane and Audra started this fight together. They'll end it the same way.

When Two Feathers Fell from the Sky

Createspace Independent Publishing Platform

A broken past and a divided future can't stop the electric connection of two teens in this epic series opener from the author of the New York

Times and USA TODAY bestselling Keeper of the Lost Cities series. Seventeen-year-old Vane Weston has no idea how he survived the category five tornado that killed his parents. And he has no idea if the beautiful, dark-haired girl who's swept through his dreams every night since the storm is real. But he hopes she is. Seventeen-year-old Audra is a sylph, an air elemental. She walks on the wind, can translate its alluring songs, and can even coax it into a weapon with a simple string of commands. She's also a guardian—Vane's guardian—and has sworn an oath to protect Vane at all costs. Even if it means sacrificing her own life. When a hasty mistake reveals their location to the enemy who murdered both of their families, Audra's forced to help Vane remember who he is. He has a power to claim—the secret language of the West Wind, which only he can understand. But unlocking his heritage will also unlock the memory Audra needs him to forget. And as the storm bears down on them, she starts to realize the greatest danger might not be the warriors coming to destroy them—but the forbidden romance that's grown between them.

If the sky fell down... Penguin

The Day the Sky Fell In is a therapeutic story about a journey to let go of worries and emotional baggage. When a determined girl climbs a difficult path up a cliff, the sky rains down mystery objects on her which she catches and carries with her. Her journey becomes more and more difficult and when she arrives at the top of the cliff she is too weighed down to slide down to the sea, the very place she wants to get to. By letting go of things she doesn't really need, the girl feels lighter and is able to follow her valued direction. This beautifully illustrated storybook will appeal to all children, and can be used by practitioners, educators and parents as a tool to discuss with children what we value as important in life and how we can let go of things we don't need, such as unhealthy or unhelpful feelings, thoughts or behaviours.

A Million Junes Simon and Schuster

A collection of short poems for remembering when you have loved and recalling when you have struggled. But, most of all, assuring that you won't make it too far without a belly that hurts from laughing. A must have for coffee tables and powder rooms the world over!

The Woman Who Fell from the Sky Zondervan
A PBS NewsHour/New York Times Book Club Pick
A NATIONAL BOOK FOUNDATION "5 UNDER 35" HONOREE
WINNER OF THE 2017 KIRKUS PRIZE
WINNER OF THE NYPL'S YOUNG LIONS FICTION AWARD
FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE LEONARD PRIZE
SHORTLISTED FOR THE ASPEN WORDS LITERARY PRIZE
A dazzlingly accomplished debut collection explores the ties that bind parents and children, husbands and wives, lovers

and friends to one another and to the places they call home. In "Who Will Greet You at Home," a National Magazine Award finalist for *The New Yorker*, a woman desperate for a child weaves one out of hair, with unsettling results. In "Wild," a disastrous night out shifts a teenager and her Nigerian cousin onto uneasy common ground. In "The Future Looks Good," three generations of women are haunted by the ghosts of war, while in "Light," a father struggles to protect and empower the daughter he loves. And in the title story, in a world ravaged by flood and riven by class, experts have discovered how to "fix the equation of a person" - with rippling, unforeseen repercussions. Evocative, playful, subversive, and incredibly human, *What It Means When a Man Falls from the Sky* heralds the arrival of a prodigious talent with a remarkable career ahead of her.

It Fell from the Sky Houghton Mifflin Harcourt

A boy and a gorilla create an unbelievable bond in this powerful WWII tale for young readers, for fans of Alan Gratz and Michael Morpugo. "A wonderful story of hurt, kindness, and what it means to be human in an inhumane world." -*The Times of London*, Children's Book of the Year In 1940, with his father off to war, Joseph is sent on a train out of his British town into the care of Mrs. F., a gruff woman with no great fondness for children. But he soon discovers her softer side when she takes him to the rundown city zoo and he learns she is the only one who ever checks in on it. Many of the animals have escaped, been released, or have sadly starved . . . but not Adonis, a huge silverback gorilla. Adonis is strong and ferocious—and a danger to the whole city if a bomb should fall and damage the fence that keeps him in. But as Joseph struggles in his new school and starts to spend more time at the zoo, he finds, unexpectedly, Adonis becoming a loyal new friend. From acclaimed author Phil Earle comes a touching historical fiction story of how a boy and a gorilla find redemption in each other amid the toughest of circumstances.

Three Apples Fell from the Sky HarperCollins

From the #1 New York Times bestselling author of *People We Meet on Vacation*, Emily Henry's *A Song Below Water* meets *Stranger Things* novel is a gripping story about a group of friends in a small town who find themselves dealing with unexpected powers after a cosmic event. Almost everyone in the small town of Splendor, Ohio, was affected when the local steel mill exploded. If you weren't a casualty of the accident yourself, chances are a loved one was. That's the case for seventeen-year-old Franny, who, five years after the explosion, still has to stand by and do nothing as her brother lies in a coma. In the wake of the tragedy, Franny found solace in a group of friends whose experiences mirrored her own. The group calls themselves *The Ordinary*, and they spend their free time investigating local ghost stories and legends, filming their exploits for their small following of YouTube fans. It's silly, it's fun, and it keeps them from dwelling on the sadness that surrounds them. Until one evening, when the strange and dangerous thing they film isn't fiction--it's a bright light, something massive hurtling toward them from the sky. And when it crashes and the teens go to investigate...everything changes.
