"I'd gladly sell my soul to Satan for a year of freedom," cries impetuous Rosamond Vivian to her callous grandfather. Then, one stormy night, a brooding stranger appears in her remote island home, ready to take Rosamond to her word. Spellbound by the mysterious Philip Tempest, Rosamond is seduced with promises of love and freedom, then spirited away on Tempest's sumptuous yacht. But she soon finds herself trapped in a web of intrigue, cruelty, and deceit. Desperate to escape, she flees to Italy, France, and Germany, from Parisian garret to mental asylum, from convent to chateau, as Tempest stalks every step of the fiery beauty who has become his obsession. A story of dark love and passionate obsession that was considered "too sensational" to be published in the authors lifetime, *A Long Fatal Love Chase* was written for magazine serialization in 1866, two years before the publication of *Little Women*. Buried among Louisa May Alcott's papers for more than a century, its publication is a literary landmark—a novel that is bold, timeless, and mesmerizing."

In a perilous future where disposable duplicate bodies fulfill every legal and illicit whim of their decadent masters, life is cheap. No one knows that better than Albert Morris, a brash investigator with a knack for trouble, who has sent his own duplicates into deadly peril more times than he cares to remember. But when Morris takes on a ring of bootleggers making illegal copies of a famous actress, he stumbles upon a secret so explosive it has incited open warfare on the streets of Dittotown. Dr. Yosil Mahara, a brilliant researcher in artificial intelligence, has suddenly vanished, just as he is on the verge of a revolutionary scientific breakthrough. Mahara's daughter, Ritu, believes he has been kidnapped—or worse. Aeneas Polom, a reclusive trillionaire who appears in public only through his high-priced platinum duplicates, offers Morris unlimited resources to locate Mahara before his awesome discovery falls into the wrong hands. To uncover the truth, Morris must enter a shadowy, nightmare world of ghosts and golems where nothing—and no one—is what they seem, memory itself is suspect, and the line between life and death may no longer exist. David Brin's *Kiln People* is a 2003 Hugo Award Nominee for Best Novel. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
