Banks has told his story in a raw and honest autobiography. It is the best true crime book published in Australia in a decade.' -John Silvester, Crime Reporter for The Age on Drugs, Guns and Lies 'Fear and exhilaration are blood brothers; that's what drives risk. I should have been careful what I wished for.' Keith Banks was a member of the Queensland Police Force when not everyone with a badge could be trusted. After serving as an undercover cop and declining an opportunity to

participate in a lucrative and totally corrupt enterprise, Keith found himself sidelined from the Drug Squad. In 1984 he was transferred to the Taringa Criminal Investigation Branch as a Detective Senior Constable. That had its moments, but he wanted more. He missed the adrenaline charge of his days as an undercover cop. He discovered that rush again when, ultimately, he became one of the first full-time members of the Tactical Response Group. This was challenging and dangerous work. Not only did Keith find himself facing off against some of Australia's most brutal criminals, but he also had to confront the demons of constantly living on the edge, of finding that fine line between good and bad where violence was normal. Raw and confronting, *Gun to the Head* exposes a world of policing that few have lived.

Jayne Mansfield (1933-1967) was driven not just to be an actress but to be a star. One of the most influential sex symbols of her time, she was known for her platinum blonde hair, hourglass figure, outrageously low necklines, and flamboyant lifestyle. Hardworking and ambitious, Mansfield proved early in her career that she was adept in both comic and dramatic roles, but her tenacious search for the spotlight and her risqué promotional stunts caused her to be increasingly snubbed in Hollywood. In the first definitive biography of Mansfield, Eve Golden offers a joyful account of the star Andy Warhol called "the poet of publicity," revealing the smart, determined woman behind the persona. While she always had her sights set on the silver screen, Mansfield got her start as Rita Marlowe in the Broadway show *Will Success Spoil Rock Hunter?*. She made her film debut in the low-budget drama *Female Jungle* (1955) before landing the starring role in *The Girl Can't Help It* (1956). Mansfield followed this success with a dramatic role in *The Wayward Bus* (1957),

winning a Golden Globe for New Star of the Year, and starred alongside Cary Grant in *Kiss Them for Me* (1957). Despite her popularity, her appearance as the first celebrity in *Playboy* and her nude scene in *Promises! Promises!* (1963) cemented her reputation as an outsider. By the 1960s, Mansfield's film career had declined, but she remained very popular with the public. She capitalized on that popularity through in-person and TV appearances, nightclub appearances, and stage productions. Her larger-than-life life ended sadly when she passed away at age thirty-four in a car accident. *Golden* looks beyond Mansfield's flashy public image and tragic death to fully explore her life and legacy. She discusses Mansfield's childhood, her many loves—including her famous on-again, off-again relationship with Miklós "Mickey" Hargitay—her struggles with alcohol, and her sometimes tumultuous family relationships. She also considers Mansfield's enduring contributions to American popular culture and celebrity culture. This funny, engaging biography offers a nuanced portrait of a fascinating woman who loved every minute of life and lived each one to the fullest.

A coming-of-age memoir of addiction, ambition and redemption in the high-stakes world of Michelin star kitchens. From reckless drug addict to one of Australia's top chefs and television stars: MasterChef judge Jock Zonfrillo's powerful life story will shock and inspire. Jock's life spiralled out of control when he tried heroin for the first time as a teenager while growing up in 1980s Glasgow. For years he balanced a career as a rising star amongst legendary chefs with a crippling drug addiction that took him down many dark paths. Fired from his job at a Michelin star restaurant in Chester, England, after a foul-mouthed rant, Jock made his way to London looking for work and found himself in front of the legendary Marco Pierre White. He credits White for saving his life, but Jock continued to struggle with addiction in a world of excess, celebrity, and cut-throat ambition. On New Year's Eve 1999, Jock shot up his last shot of heroin before boarding a plane to Sydney, where he would find passion and new meaning in life in the most unexpected places. There would be more struggles ahead, including two failed marriages, the closure of his prized restaurant during COVID-19, his time on-country, and some very public battles. This is the unforgettable story of an incredible life cut short too soon. Praise for *Last Shot* 'I've known Jock for 25 years. He is not only a great mate but an incredibly talented chef - in Australia and around the world. *Last Shot* really shows how resilient Jock is and how far he has come in his personal and professional life. I'm inspired by how brave Jock has been for putting this biography out there. I couldn't put it down. Loved it!' Matt Moran 'Zonfrillo climbed his way to the top of the gastronomic ladder only to abdicate his position. He still inspires chefs worldwide.' Marco Pierre White 'An amazingly candid story of a prolific but complicated chef who made it back from the brink despite the obstacles, surely one of the best comeback stories there is!' Gordon Ramsay 'Jock absolutely lives and breathes his passion for food, which began in childhood. And between the incredible ups and downs of his life that we read about in *Last Shot*, what really comes through for me is his search for knowledge of Indigenous foods - I so admire how the depth

of his learning combined with his amazing skill and creativity has allowed him to celebrate the uniqueness of the cultures he has embraced.' Maggie Beer AO

The Love Story of JFK Jr. and Christina Haag

• New York Times bestseller *When Christina Haag* was growing up on Manhattan's Upper East Side, John F. Kennedy, Jr., was just one of the boys in her circle of prep school friends, a skinny kid who lived with his mother and sister on Fifth Avenue and who happened to have a Secret Service detail following him discreetly at all times. A decade later, after they had both graduated from Brown University, Christina and John were cast in an off-Broadway play together. It was then that John confessed his long-standing crush on her, and they embarked on a five-year love affair. Glamorous and often in the public eye, but also passionate and deeply intimate, their relationship was transformative for both of them. Exquisitely written, *Come to the Edge* is an elegy to first love, a lost New York, and a young man with an enormous capacity for tenderness, and an adventurous spirit, who led his life with surprising and abundant grace.
