KS3 Maths Progression Workbooks offer extra practice of key content, along with progression checkers at the end of each Unit and plenty of dynamic student support. * Hundreds of extra practice questions at different levels of difficulty: Mastery, Strengthen and Extend * Guided questions with partially worked solutions, hints and QR codes linking to worked example videos give students crucial support * Progression checkers at the end of each Unit encourage students to take ownership of their learning, and allows them to track their progress as they work through the book.

Life Skills English Solution Tree

Grade Level: 6-12 These activities will build practical math life skills! After learning how to write a check, students are challenged with real-life finance word problems. First they must solve a math question. Next they are required to write a check for the correct amount, record the transactions, and keep track of the balances. Everyday math is put to the test with each of the 26 lessons in this learning unit. Also includes extra blank checks and account balance forms. Contents Include: - Writing Checks - Keeping a Balance - Making Deposits - Recording Transactions - Glossary - Blank Checks - Blank Check Registers - Answer Key Example Activity: Carl took his car to Hal's Service Station and had his car's engine tuned-up for \$29.95, bought a new battery for \$39.95, and had the oil changed for \$9.95. For what amount did he need to make a check out to Hal's?
