Review of Pediatrics & Neonatology Jaypee Brothers Medical Publishers

It is essential for the law enforcement agencies to identify an individual responsible for a criminal act from among a multitude of people. This is possible only if the law enforcement agency is well equipped with modern laboratories where scientific analysis of physical evidence, recovered from crime scenes is possible. It is not only physical evidence but even trace evidence like strand of fiber or hair or a latent impression of a finger, a washed blood spot, a fragment of a bone or single tooth could unfold unsolved mysteries of crime to help the law enforcement agencies. This volume also deals with trends and legal status of lie-detection in medico-legal investigations, as well as, about the intricacies of the prosecution process. Besides dealing with the theories of crime and its causation, violence against women and the role of forensic science in the contemporary society has also been dealt with.

The 2nd edition of this book covers the entire question papers from 2007 to 2018 of JK PSC. The explanations to these questions have been provided in such a manner that they cover NEET exams, AIIMS, PGI, JIPMER, DNB and other important post-graduate exams as well. The inclusion of high yielding facts in the form of NEET EDGE has added a new dimension to this book. The explanation and NEET EDGE have been updated based on latest guidelines and updates. In addition, important expected question for NEET and PSC have been added to make book more useful. In this edition two senior faculty members from prestigious Sher-I -Kashmir Institute of medical sciences, Dr. Cimona L Saldhana and Dr. Muzzafer Wani have contributed in Obs/gynae and nephrology respectively besides reviewing other questions as well. The contribution of Dr. Suhail Naik is immense in the subject of paediatrics. In addition, senior residents from GMC Sri Nagar, SKIMS medical college bemina have also revised their respective subjects. The feedback I received from 1st edition really motivated me to come up with this edition. I am sure that this book will live upto its expectations and help students in their exams. An important thing for all exams is that approximately 15 to 25% questions are repeated in one form or the other so keeping this thing in mind I have highlighted all questions which were repeated. Feedback from 1st edition This book is very much helpful for state aspirants and also for medicos preparing for neet exams. I personally

recommend every Medico to go through this book before such exams. -DR. TABASSUM SAMOON SKIMS Very nice and helpful book for JK PSC and other state exam. Easy language and good retention. Precise and very informative explanations of every question. -DR. UMER SKIM The best book you will find for JK PSC medical exams... if you have this you are going to score well in NEET and JK PSC exams for sure... A MUST HAVE BOOK. -DR. YAMIN SKIM
