The memoir of a man and woman who escaped into the forest, joined the Jewish partisans—and fell in love—as Hitler laid waste to their Polish hometowns. Jack and Rochelle first met at a youth dance in Poland before the war. They shared one dance, and Jack stepped on Rochelle's shoes. She was unimpressed. When the Nazis invaded eastern Poland in 1941, both Jack (in the town of Mir) and Rochelle (in the town of Stolpce) witnessed the horrors of ghettoization, forced labor, and mass killings that decimated their families. Jack and Rochelle managed, in their separate ways, to escape into the forest. They reunited, against all odds, in the winter of 1942–43 and became Jewish partisans who fought back against the Nazis. The couple's careful courtship soon blossomed into an enduring love that sustained them through the raging hatred of the Holocaust and the destruction of the lives they had known. Jack and Rochelle's story, told in their own voices through extensive interviews with their son, Lawrence, has been in print for twenty years and is celebrated as a classic of Holocaust memoir literature. This is the first electronic edition. "A story of heroism and of touching romance in a time of fear and danger." —USA Today

Based on research over more than 20 years, **Confirm Thy Soul, America: The Christian Foundation of the United States of America** relates the more than 2000-year history of the decisive role Christianity has played in inspiring the creation and continuing growth of this great and good nation of ours. A greater respect for the magnificent men known as our Founding Fathers; a growing understanding of the all-encompassing role of Christianity in the founding and future of America; and the willing acceptance of our God-given duty as "We the People" to do everything we can as Christians and members of other faiths to preserve this beloved country of ours in all of its beauty and goodness for the benefit of our children and future generations: These are the ultimate truths which this book will hopefully impart to you. James A. Weber is the author of *Grow or Die!* (1977) which made the case for continuing United States population growth while opposing population control. He also is the author of *Power Grab: The Conserver Cult and the Coming Energy Catastrophe* (1979) which promoted growing production and use of our own relatively unlimited energy resources while warning against environmentalist efforts to restrict energy development. A member of the Society of Catholic Social Scientists, Weber has a B.S. in Industrial Engineering from Northwestern University, Evanston, Illinois, and an M.A. in Urban Studies from Loyola University, Chicago. Weber states: "I have been hugely blessed in writing *Confirm Thy Soul, America* by the tremendous outpouring of new information and insights developed by a multitude of men and women whose writings on Christianity and our country have been an absolute inspiration to me and whose words will work their wonders for readers."
