Nikon Coolpix L16 User Manual

MAAX 2 piece freestanding bathtubs are beautiful and practical. The 2 piece assembly facilitates the installation process by turning a large tub into two smaller, lighter pieces to make moving through doors and along stairs easier. The lip of the interior shell disguises any seams for a flawless look.

Aker acrylic whirlpool tubs come in various shapes and sizes and include four, six, eight, 10 or 12 whirlpool jets, depending on the model. As with normal bathroom tubs, the surfaces of an Aker whirlpool tub will accumulate soap scum, hair, skin, dirt and other debris and can become a habitat for mold and other microorganism growth.

Turn the blowers on for 30 seconds after emptying the bathtub to dry the jet covers if you take a bath without operating the whirlpool system or if your bathtub remains full of water for more than 10 minutes after the system has been turned off. Many of our systems have an automatic drying option pre-programmed.
