Here's something that's good to know - we are committed to offering competitive pay and benefits in line with the industry standard. In 2019,

we increased wages for our shop floor staff to above the rate paid by all our supermarket rivals and announced that all colleagues would meet or exceed the Living Wage in the UK and Ireland for the third year running, including the higher London Living Wage.

And I'm sorry.. but I just want to add one more comment here. This is the kind of foolish stuff which Aldi wastes money on: new

uniforms with new logos when there was never anything wrong with the first ones we had! That was money which could (and should) have been used either to give us employees higher and fairer decent wages to live off.
