Alexander Hamilton: by Jon
Meacham Summary &
Highlights - "NOT ORIGINAL
BOOK" This story of
Alexander Hamilton details a
true story of an American

Revolutionary war hero that was maintained a sense of a true founding father. Hamilton was born in disarray in the British West Indies. He escaped a life of meaninglessness and moved to New York as a teenager where he set his feet in political and military prowess. Over the years he worked with the greatest leaders in American history. He was the chief of staff to General Washington in the Revolutionary War and his Secretary of the Treasury in his two presidential terms. Hamilton was a man that deeply cared for his family and his duty. Even into his death he

responsibility future generations should take note of. Inside this SUMMARY READS Summary & Highlights of Alexander Hamilton: Summary of Each Chapter Best Quotes (Highlights) BONUS: Free Report about Vladimir Putin (find out about the mysterious deaths of his enemies - <http://xfigureteen.com/summaryreads>). *Alexander Hamilton* W. Norton & Company From the Pulitzer Prize-winning bestselling author of

Alexander Hamilton, the inspiration for the hit Broadway musical, comes this definitive biography of the Warburgs, one of the great German-Jewish banking families of the twentieth century. Bankers, philanthropists, scholars, socialites, artists, and politicians, the Warburgs stood at the pinnacle of German (and, later, of German-American)

Jewry. They forged economic dynasties, built mansions and estates, assembled libraries, endowed charities, and advised a German kaiser and two American presidents. But their very success made the Warburgs lightning rods for anti-Semitism, and their sense of patriotism became increasingly dangerous in a Germany that had declared Jews the

enemy. Ron Chernow's hugely fascinating history is a group portrait of a clan whose members were renowned for their brilliance, culture, and personal energy yet tragically vulnerable to the dark and irrational currents of the twentieth century. SUMMARY and ANALYSIS: ALEXANDER HAMILTON; Key Takeaways and Analysis by Ron Chernow Penguin A New York Times Bestseller. "[A] finely tuned fictional biography of one of America's

most intriguing yet vastly underrated Founding Fathers." —Booklist (starred review) Set against the dramatic backdrop of the American Revolution, and featuring a cast of legendary characters, *The Hamilton Affair* tells the sweeping, tumultuous, true story of Alexander Hamilton and Elizabeth Schuyler, from passionate and tender beginnings of their romance to his fateful duel on the banks of the Hudson River. Hamilton was a bastard and orphan, raised in the Caribbean and desperate for legitimacy, who became one of the American Revolution's most dashing—and improbable—heroes. Admired by George Washington, scorned by Thomas Jefferson, Hamilton was a

lightning rod: the most controversial leader of the new nation. Elizabeth was the wealthy, beautiful, adventurous daughter of the respectable Schuyler clan—and a pioneering advocate for women. Together, the unlikely couple braved the dangers of war, the perils of seduction, the anguish of infidelity, and the scourge of partisanship that menaced their family and the country itself. With flawless writing, brilliantly drawn characters, and epic scope, *The Hamilton Affair* tells a story of love forged in revolution and tested by the bitter strife of young America, and will take its place among the greatest novels of American history ever written.

“ Why did Alexander Hamilton

risk everything? Why did Eliza Hamilton stand by him? This complicated couple who did so much for young America spring to life in this entertaining, well-told tale. ” —Cokie Roberts, author of *Ladies of Liberty* “ A juicy answer to Ron Chernow ’ s Alexander Hamilton. ”

Alexander Hamilton by Ron Chernow | Summary & Analysis Preview: Alexander Hamilton (2004) is a sprawling biography of one of the most important figures in American history. It is based on copious original research, especially

into Hamilton’s early years. As a political theorist, a polemicist, and the first Treasury secretary, Hamilton dedicated his life, his intellect, and a seemingly limitless stream of words to the cause of unifying and strengthening the United States. He did perhaps more than any other one person to ensure the strength of the American union, even as his pride and hot-headedness kept him from the presidency and led to his early death. Hamilton claimed to have been born on the island of Nevis in the British West

Indies, probably in 1755. Orphaned and illegitimate, Hamilton had perhaps the least advantageous childhood of all the founders. He apprenticed as a clerk with merchant trader Thomas Stevens, a man who may have been his biological father... PLEASE NOTE: This is summary and analysis of the book and NOT the original book. Alexander Hamilton Alexander Hamilton
The #1 New York Times bestseller and New York Times Book Review 10 Best Books of 2017 “ Eminently readable but thick with import . . . Grant hits like a Mack truck of knowledge. ” —Ta-Nehisi Coates, The Atlantic Pulitzer Prize winner Ron Chernow returns with a sweeping and dramatic portrait of one of our most compelling generals and presidents, Ulysses S. Grant.

Ulysses S. Grant's life has typically been misunderstood. All too often he is caricatured as a chronic loser and an inept businessman, or as the triumphant but brutal Union general of the Civil War. But these stereotypes don't come close to capturing him, as Chernow shows in his masterful biography, the first to provide a complete understanding of the general and president whose fortunes rose and fell with dizzying speed and frequency. Before the Civil War, Grant was flailing. His business ventures had ended dismally, and despite distinguished service in the

Mexican War he ended up resigning from the army in disgrace amid recurring accusations of drunkenness. But in war, Grant began to realize his remarkable potential, soaring through the ranks of the Union army, prevailing at the battle of Shiloh and in the Vicksburg campaign, and ultimately defeating the legendary Confederate general Robert E. Lee. Along the way, Grant endeared himself to President Lincoln and became his most trusted general and the strategic genius of the war effort. Grant's military fame translated into a two-term presidency, but one

plagued by corruption scandals involving his closest staff members. More important, he sought freedom and justice for black Americans, working to crush the Ku Klux Klan and earning the admiration of Frederick Douglass, who called him "the vigilant, firm, impartial, and wise protector of my race." After his presidency, he was again brought low by a dashing young swindler on Wall Street, only to resuscitate his image by working with Mark Twain to publish his memoirs, which are recognized as a masterpiece of the genre. With lucidity, breadth, and

meticulousness, Chernow finds the threads that bind these disparate stories together, shedding new light on the man whom Walt Whitman described as "nothing heroic... and yet the greatest hero." Chernow's probing portrait of Grant's lifelong struggle with alcoholism transforms our understanding of the man at the deepest level. This is America's greatest biographer, bringing movingly to life one of our finest but most underappreciated presidents. The definitive biography, Grant is a grand synthesis of painstaking research and literary brilliance that makes sense of all

sides of Grant's life, explaining how this simple Midwesterner could at once be so ordinary and so extraordinary. Named one of the best books of the year by Goodreads • Amazon • The New York Times • Newsday • BookPage • Barnes and Noble • Wall Street Journal

So much to read, so little time? This brief overview of Alexander Hamilton tells you what you need to know—before or after you read Ron Chernow's book. Crafted and edited with care, Worth Books set the standard

for quality and give you the tools you need to be a well-informed reader. This short summary and analysis of Alexander Hamilton by Ron Chernow includes: Historical context Chapter-by-chapter summaries Detailed timeline of key events Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About Alexander Hamilton by Ron Chernow: Ron Chernow's New York Times – bestselling biography of Alexander Hamilton sets

the record straight on the often-misunderstood founding father. Beginning with a thoroughly researched investigation of Hamilton's controversial origins, the book takes an immersive look at the man who authored the Federalist Papers, fought in the Revolutionary War, crafted the nation's financial system, and served as George Washington's right-hand man before being killed in an infamous duel with Aaron Burr. More than a portrait of one man, Alexander Hamilton is the story of America's

birth—and the inspiration for Lin-Manuel Miranda’s Pulitzer Prize – winning Broadway musical. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction.

Washington Instaread
From the New York Times bestselling author of *Irena’s Children* comes a “vivid, compelling, and unputdownable new biography” (Christopher Andersen, #1 New York Times bestselling author) about the

extraordinary life and times of Eliza Hamilton, the wife of founding father Alexander Hamilton, and a powerful, unsung hero in America’s early days. Fans fell in love with Eliza Hamilton—Alexander Hamilton’s devoted wife—in Lin-Manuel Miranda’s phenomenal musical *Hamilton*. But they don’t know her full story. A strong pioneer woman, a loving sister, a caring mother, and in her later years, a generous philanthropist, Eliza had many sides—and this fascinating biography brings her multifaceted personality to vivid life. This “expertly told story”

(Publishers Weekly) follows Eliza through her early years in New York, into the ups and downs of her married life with Alexander, beyond the aftermath of his tragic murder, and finally to her involvement in many projects that cemented her legacy as one of the unsung heroes of our nation’s early days. This captivating account of the woman behind the famous man is perfect for fans of the works of Ron Chernow, Lisa McCubbin, and Nathaniel Philbrick. *Alexander Hamilton* Simon and Schuster

Ron Chernow's *Alexander Hamilton* Summary Createspace Independent Publishing Platform
The #1 New York Times bestseller, and the inspiration for the hit Broadway musical *Hamilton*!
Pulitzer Prize-winning author Ron Chernow presents a landmark biography of Alexander Hamilton, the Founding Father who galvanized, inspired, scandalized, and shaped the newborn nation.
"Grand-scale biography at its best—thorough, insightful, consistently fair, and superbly written . . . A genuinely great book." —David McCullough "A robust full-length portrait, in my view the best ever written, of the

most brilliant, charismatic and dangerous founder of them all."
—Joseph Ellis Few figures in American history have been more hotly debated or more grossly misunderstood than Alexander Hamilton. Chernow's biography gives Hamilton his due and sets the record straight, deftly illustrating that the political and economic greatness of today's America is the result of Hamilton's countless sacrifices to champion ideas that were often wildly disputed during his time. "To repudiate his legacy," Chernow writes, "is, in many ways, to repudiate the modern world." Chernow here recounts Hamilton's turbulent life: an illegitimate, largely self-taught orphan from the Caribbean,

he came out of nowhere to take America by storm, rising to become George Washington's aide-de-camp in the Continental Army, coauthoring *The Federalist Papers*, founding the Bank of New York, leading the Federalist Party, and becoming the first Treasury Secretary of the United States. Historians have long told the story of America's birth as the triumph of Jefferson's democratic ideals over the aristocratic intentions of Hamilton. Chernow presents an entirely different man, whose legendary ambitions were motivated not merely by self-interest but by passionate patriotism and a stubborn will to build the foundations of American prosperity and power. His is a Hamilton far

more human than we've encountered before—from his shame about his birth to his fiery aspirations, from his intimate relationships with childhood friends to his titanic feuds with Jefferson, Madison, Adams, Monroe, and Burr, and from his highly public affair with Maria Reynolds to his loving marriage to his loyal wife Eliza. And never before has there been a more vivid account of Hamilton's famous and mysterious death in a duel with Aaron Burr in July of 1804. Chernow's biography is not just a portrait of Hamilton, but the story of America's birth seen through its most central figure. At a critical time to look back to our roots, Alexander Hamilton will remind

readers of the purpose of our institutions and our heritage as Americans. 9780143034759 Grant Start Publishing LLC The Pulitzer Prize – winning biography of Harry S. Truman, whose presidency included momentous events from the atomic bombing of Japan to the outbreak of the Cold War and the Korean War, told by America's beloved and distinguished historian. The life of Harry S. Truman is one of the greatest of American stories, filled with vivid characters—Roosevelt, Churchill, Stalin, Eleanor Roosevelt, Bess Wallace

Truman, George Marshall, Joe McCarthy, and Dean Acheson—and dramatic events. In this riveting biography, acclaimed historian David McCullough not only captures the man—a more complex, informed, and determined man than ever before imagined—but also the turbulent times in which he rose, boldly, to meet unprecedented challenges. The last president to serve as a living link between the nineteenth and the twentieth centuries, Truman's story spans the raw world of the Missouri frontier, World War I, the powerful Pendergast machine of Kansas

City, the legendary Whistle-Stop Campaign of 1948, and the decisions to drop the atomic bomb, confront Stalin at Potsdam, send troops to Korea, and fire General MacArthur. Drawing on newly discovered archival material and extensive interviews with Truman's own family, friends, and Washington colleagues, McCullough tells the deeply moving story of the seemingly ordinary "man from Missouri" who was perhaps the most courageous president in our history.

Land of Lincoln Vintage

Meet the founding father who made America modern. This richly illustrated biography portrays

Alexander Hamilton's fascinating life alongside his key contributions to American history, including his unsung role as an early abolitionist. Hamilton played a crucial part in the political, legal, and economic development of the new nation, serving as Washington's right-hand man during the Revolutionary War, helping establish the Constitution, writing most of *The Federalist Papers*, and modernizing America's fledgling finances, among other notable achievements. This handsome volume brings the flesh-and-blood man to life and reveals captivating details of his private life, as well as his infamous demise at the hands of Aaron Burr, expertly telling Hamilton's incredible story like no other.

The House of Morgan Goldmine Reads

In a riveting, groundbreaking narrative, Russell Shorto tells the story of New Netherland, the Dutch colony which pre-dated the Pilgrims and established ideals of tolerance and individual rights that shaped American history. "Astonishing . . . A book that will permanently alter the way we regard our collective past." --The New York Times When the British wrested New Amsterdam from the Dutch in 1664, the truth about its thriving, polyglot society began to disappear into myths about an island

purchased for 24 dollars and a cartoonish peg-legged governor. But the story of the Dutch colony of New Netherland was merely lost, not destroyed: 12,000 pages of its records – recently declared a national treasure – are now being translated. Russell Shorto draws on this remarkable archive in *The Island at the Center of the World*, which has been hailed by *The New York Times* as “ a book that will permanently alter the way we regard our collective past. ” The Dutch colony predated the “ original ” thirteen colonies, yet it seems strikingly familiar. Its capital was

cosmopolitan and multi-ethnic, and its citizens valued free trade, individual rights, and religious freedom. Their champion was a progressive, young lawyer named Adriaen van der Donck, who emerges in these pages as a forgotten American patriot and whose political vision brought him into conflict with Peter Stuyvesant, the autocratic director of the Dutch colony. The struggle between these two strong-willed men laid the foundation for New York City and helped shape American culture. *The Island at the Center of the World* uncovers a lost world and offers a surprising new

perspective on our own. Summary, Analysis, and Review of Ron Chernow's *Alexander Hamilton* Gallery Books Charles Conant presents this sketch of Alexander Hamilton. He was the vice-president when he was shot and killed in a duel by the former Secretary of the Treasury Aaron Burr. Summary *Alexander Hamilton* by Ron Chernow National Geographic Books “ Brilliant . . . Ferguson ’ s guided tour of the often amusing, sometimes bizarre

ways we remember Lincoln today . . . is heartening and even inspiring. ” —Bill Kristol, Time Abraham Lincoln was our greatest president and perhaps the most influential American who ever lived. But what is his place in our country today? In Land of Lincoln, Andrew Ferguson packs his bags and embarks on a journey to the heart of contemporary Lincoln Nation, where he encounters a world as funny as it is poignant, and a population as devoted as it is colorful. In small-town Indiana, Ferguson

drops in on the national conference of Lincoln presenters, 175 grown men who make their living (sort of) by impersonating their hero. He meets the premier collectors of Lincoln memorabilia, prized items of which include Lincoln ’ s chamber pot, locks of his hair, and pages from a boyhood schoolbook. He takes his wife and children on a trip across the long-defunct Lincoln Heritage Trail, a driving tour of landmarks from Lincoln ’ s life. This book is an entertaining, unexpected, and

big-hearted celebration of Lincoln ’ s enduring influence on our country—and the people who help keep his spirit alive. “ A hilarious, offbeat tour of Lincoln shrines, statues, cabins and museums . . . Mr. Ferguson maps it expertly, with an understated Midwestern sense of humor that Lincoln, master of the funny story, would have been the first to appreciate. ” —William Grimes, The New York Times [Introducing... Alexander Hamilton!](#) Sourcebooks, Inc. Ron Chernow has made a name

for himself as an award winning writer, biographer, journalist, and historian. He was awarded the 2011 Pulitzer Prize for Biography and the American History Book Prize for his biography on George Washington, *Washington: A Life*, that same year. He has also won the National Book Award for Nonfiction for his 1990 book *The House of Morgan: An American Banking Dynasty and the Rise of Modern Finance*, which covered four generations of the J.P. Morgan family. However he is most known for his exemplary biographies of John D. Rockefeller Jr. and Alexander Hamilton, both of which were nominated for the National Book Critics Circle Award. Chernow began his career as a

freelance writer and over sixty of his pieces appeared in newspapers and magazines from 1973 to 1982. Though he briefly left the field in the 1980's to serve as the Director of Financial Policy Studies at the Twentieth Century Fund, he returned to his writing, focusing on biographies in addition to writing for *The New York Times* and *The Wall Street Journal*. In 2004, Chernow published *Alexander Hamilton* to widespread critical acclaim. In addition to being nominated for a National Books Critics Circle Award, it was named the winner of the first George Washington Book Prize for Early American History. It was adored by renowned book critics and maintained a spot on the New York

Times Bestseller List for over three months. The biography was such a critical and financial success because Chernow was able to successfully weave Hamilton's life into an engaging and fascinating story resembling a novel, which appealed to the general public in addition to historical scholars. [The Death of the Banker](#) Independently Published Published to critical acclaim twenty years ago, and now considered a classic, *The House of Morgan* is the most ambitious history ever written about American finance. It is a rich, panoramic story of four generations of Morgans and the powerful, secretive firms they

spawned, ones that would transform the modern financial world. Tracing the trajectory of J. P. Morgan ' s empire from its obscure beginnings in Victorian London to the financial crisis of 1987, acclaimed author Ron Chernow paints a fascinating portrait of the family ' s private saga and the rarefied world of the American and British elite in which they moved—a world that included Charles Lindbergh, Henry Ford, Franklin Roosevelt, Nancy Astor, and Winston Churchill. A masterpiece of financial history—it was awarded the 1990 National Book Award for Nonfiction and selected by

the Modern Library as one of the 100 Best Nonfiction Books of the Twentieth Century—The House of Morgan is a compelling account of a remarkable institution and the men who ran it, and an essential book for understanding the money and power behind the major historical events of the last 150 years.
