Enlarged & revised 3rd edition 2004 Alfa Romeo 147 Turbocharger Rebuild and Repair

Guide712766-0002, 712766-5002, 712766-9002, 712766-2, 55191596

It's hard to believe, but the W129-series Mercedes-Benz SL was launched over 20 years ago. However, its timeless styling has kept it fresh and attractive in the eyes of a new generation of enthusiasts, as well as those returning to the car having owned one when they were still in the dealerships. A combination of superb original design and peerless engineering and build quality adds to the desirability of this series of classic German machines, and has ensured that many of these cars can still be seen in regular use today. Covering the SL's ever-changing specification, and its presence in many of the world's major markets is a huge task, but it's all presented here in definitive detail, along with stunning contemporary photography, in a volume that will readily grace any reference library shelf or connoisseur's coffee table. Two earlier books, also published by Veloce, and covering the W113 cars and the 107-series SL and SLC, act as perfect companions to this title, which takes the SL story up to 1989.

Variable Vane Turbocharger Rebuild Guide

Veloce Publishing Ltd

A limited edition of 1500 copies. This book chronicles the development and racing career of a car regarded as the ultimate example of the purebred sports car of the 20th century and the epitome of functional beauty and extraordinary performance: the 1952 Mercedes-Benz 300 SL. Taking second place at its 1952 Mille Miglia debut, it went on to win every one of its races that season. Dramatic photos, vivid descriptions, and dramatic recollections from the drivers ensures this book will be a joy to read and enjoy for years to come.

- *R170 series 1996-2004* Veloce Publishing Ltd

Here is an introduction to the whole cult of the dune buggy, from its earliest beginnings as a crude off-road vehicle in the 1920s, to the explosion of glassfibre-bodied and VW-based fun cars that became the cult transport of teenagers everywhere in the 1960s and 1970s. With histories,

production details, dates and identification tips for over 70 US and UK buggies, this book will help identify the many marques that have been produced over the years. Using period photographs and archive material, combined with amazing contemporary photography, the book is a visual feast, and also contains sections on buggies and celebrities for those that want to spot pop stars, TV hosts and racing drivers posing with period vehicles.
