Life Change Studies

The Life Change Studies is a groundbreaking Bible study series built completely on the International Leadership Foundation's (ILF) transforming leadership paradigm. The series is uniquely designed for leaders, or emerging leaders, in the business, professional, NGO, church or civil spheres of society. The Life Change Studies concentrates on the following leadership principles: Character, Calling, Commitment, Community-Building, Creative Leadership, Capacity, Coaching, Collaborative Leadership, Change Leadership, Communication, Celebrative Leadership and Continuation. Three sets of Transforming Leadership Principles (Cs) comprise the Life Change Studies with four Cs in each set. Life Change Groups/Bible study groups are encouraged to meet 90 minutes per week for in-depth study of each set of principles (8 weeks). Therefore, the Life Change Studies will take approximately 24 weeks to complete in its entirety. During the series, participants will experience the principles of life change within their own personal lives and relationships, as well as within society at-large.

[Maryam of Bethlehem](#)

Maryam Baouardy is a daughter of Galilee, from a very poor family. At the age of three, she lost her father and mother and was adopted by her uncle. She never learned how to read or write, but her life became a remarkable succession of supernatural manifestations, worthy of Catherine of Siena or Teresa of Avila, from the stigmata to singular battles against Satan. From where does she draw the heavenly wisdom, childlike yet strong, that made her loved by all? Where does this burning love that consumes her come from? For her, just as for St. Paul, "to live is Christ". This beautiful "Lily of Palestine" became Sr. Maryam of Jesus Crucified in the Carmelite Order. Both humble guardian of the grille and formidable forewoman, she was often visited by Jesus and Mary. The words she transmits from them, pearls of great price, are significant for us today as they enlighten the future of our broken world. Maryam died in Bethlehem in her 33rd year, on August 26, 1878, shortly after the birth of Thérèse of Lisieux in France. Pope John Paul II beatified her on November 13, 1983. It is impossible to know Maryam without falling in love with her, without yearning for holiness, at her school.

The Art of Timpani Mallet-Making

Alfa Romeo 916 GTV and Spider traces the complete story of the Alfa Romeo GTV and Spider models produced between 1994 - 2005, commonly known to enthusiasts by the manufacturer's project code as the 916 series. The 916 models would always be controversial - they replaced the iconic Spider, the best-selling Alfa Romeo sports model of all time, and the brand-establishing Alfetta GTV. Sharing components and a platform with a humble Fiat hatchback, would the cars ever be considered 'real' Alfa Romeos? The cars were critically acclaimed, and, though they faced tough competition in the late 1990s from the likes of the Audi TT, they remained in production for over a decade. Topics covered include: Full history of the 916 series GTV and Spider models; Design, development and evolution of the models

from 1994 - 2005; Participation of the GTV in motorsport; Model variations in depth through all three facelifts; Previously unpublished production figures, and chassis numbers for the desirable, limited-edition GTV Cup model. Comprehensively researched guide to the entire lifespan of the 916 series. Will appeal to Alfa Romeo and automotive enthusiasts. The history and design process are examined along with an in-depth guide to each of the model variants produced. The cars' current position in the classic car market is considered. Superbly illustrated with 240 colour photographs. Robert Foskett is a life-long Italian car enthusiast with a special interest in Alfa Romeo.
