Cracking the Virginia Sol

Learning Express Llc

Presents a review of subjects, sample questions and answers, and six full-length practice tests.

Cracking the Texas Eoc

Princeton Review

This book reviews the necessary concepts that appear on the Pennsylvania Algebra I Keystone Exam - Module 1. The fifteen lessons include examples of how to complete problems and answer newly worded Keystone Exam questions. Each lesson

includes 5 or 6 multiple-choice Keystone Exam style questions and 1 two-part constructed-response question about the topics covered in the lesson. Also included are two 20-question practice exams that include an answer key and scoring guidelines to gauge a student's ability level on the exam. Answers for all questions are provided to check the student's work and understanding.

This new test prep manual gives high school students in the state of Virginia in-depth preparation for the required exam in English Language Arts. As such it complements Barron's recently published SOL manual preparing students for the SOL Algebra test. This English Language Arts exam is made up of two tests that students take over the course of several days. One is in Writing; the other is called Reading, Research, and Literature. This manual provides two complete practice tests with answers for each of these tests.
