Seven kids, Thor's hammer, and a whole lot of Valkyries are the only things standing against the end of the world. When thirteen-year-olds Matt Thorsen and Fen and Laurie Brekke, modern-day descendants of Thor and Loki, discovered they were fated to take the places of the Norse gods in an epic battle against the apocalypse, they thought they knew how things would play out. Gather the descendants standing in for the gods, defeat a giant serpent, and save the world. No problem, right? But the descendants' journey grinds to a halt when their friend and descendant Baldwin is poisoned and killed and Matt, Fen, and Laurie must travel to the Underworld in the hopes of saving him. That's only their first stop on their journey to reunite the challengers, find Thor's hammer, and save humanity--a journey filled with enough tooth-and-nail battles and colossal monsters to make Matt and his friends a legend in their own right. Perfect for fans of ancient myths and filled with young heroes, monstrous beasts, and godly enemies, this fast-paced adventure is impossible to put down.

The signs are everywhere. Jory's stepfather, Caleb, says. Red leaves in the springtime. Pages torn from a library book. All the fish in an aquarium facing the same way. A cracked egg with twin yolks. Everywhere and anywhere. And because of them, Jory's life is far from ordinary. He must follow a very specific set of rules: don't trust anyone outside the family, have your work boots at the ready just in case, and always, always watch out for the signs. The end is coming, and they must be prepared. School is Jory's only escape from Caleb's tight grasp, and with the help of new friends, he begins to explore a world beyond his family's desert ranch. As Jory's friendships grow, Caleb notifies Jory's mother and siblings that the time has come for final preparations. They begin an exhausting schedule, digging a shelter where they will live until the disaster is over. But as the hole gets deeper, so does the family's doubt about whether Caleb's prophecy is true. When the stark reality of what it will mean to live underground becomes clear, Jory must choose between living his own life or following behind Caleb, shutting his eyes to the bright world he's just

begun to see.

History, mystery, and science collide in a new series for middle-grade readers, perfect for fans of The Mysterious Benedict Society and Lemony Snicket! Jordan Stratford imagines an alternate 1826, where Ada Lovelace (the world ’ s first computer programmer) and Mary Shelley (author of Frankenstein) meet as girls and form a secret detective agency!

Lady Ada Byron, age eleven, is a genius. Isolated, awkward and a bit rude—but a genius. Mary Godwin, age fourteen, is a romantic. Adventurous, astute, and kind, Mary is to become Ada ’ s first true friend. And together, the girls conspire to form the Wollstonecraft Detective Agency—a secret constabulary for the apprehension of clever criminals. Their first case involves a stolen heirloom, a false confession, and an array of fishy suspects. But it ’ s no match for the deductive powers and bold hearts of Ada and Mary. Mystery fans will love this tween girl riff on Sherlock Holmes and John Watson. History buffs will be delighted to see all the real figures who play a role in this story and appreciate the extensive backmatter that helps separate truth from fiction. Parents and educators hoping to promote the STEM fields for girls will be thrilled to have a series where two girls use math, science, and creative analytical thinking to solve crimes. But most especially—emerging readers will love this

series filled with humor, action, intrigue and wonderful artwork from Kelly Murphy.

New York Times bestselling author Gregory Funaro brings us into a world where magic exists, monsters roam in the shadows, and wooden animals come to life. Deep within the enchanted woods in the town of Watch Hollow stands the once-grand Blackford House, whose halls hold a magical secret: a giant cuckoo clock that does much more than tell time. But when the clock ’ s gears cease to turn, an evil presence lurking among the trees begins to come out of the shadows. When Lucy and Oliver Tinker arrive in Watch Hollow, they have no idea that anything is wrong. A mysterious stranger has made their father an offer that ’ s too good for him to refuse. All Mr. Tinker needs to do is fix the clock at Blackford House and fistfuls of gold coins are his to keep. It doesn ’ t take long, however, for the children to realize that there is more to Blackford House than meets the eye. And before they can entirely understand the strange world they ’ ve stumbled into, Lucy and Oliver must join forces with a host of magical clock animals to defeat the Garr—a vicious monster that not only wants Blackford House for itself, but also seeks to destroy everything the Tinkers hold dear.

From New York Times bestselling author Amie Kaufman comes the first book in an electrifying series about a brother and sister who must harness their powers and find their place in a sharply divided world. Everyone in Vallen knows that ice wolves and scorch dragons are sworn enemies who live deeply separate lives. So when twelve-year-old orphan Anders takes one elemental form and his twin sister, Rayna, takes another, he wonders whether they are even related. Family or not, Rayna is Anders ’ s only true friend. She ’ s nothing like the brutal, cruel dragons who claimed her as one of their own and stole her away. To rescue her, Anders must enlist at the foreboding Ulfar Academy, a school for young wolves that values loyalty to the pack above all else. But for Anders, loyalty is more complicated than obedience, and friendship is the most powerful shapeshifting force of all. “ If you ’ ve ever wanted to go on an adventure, read this book. ” — Marie Lu, #1 New York Times bestselling author of The Young Elites Anders ’ s and Rayna ’ s adventures continue in Elementals: Scorch Dragons, and the dramatic conclusion to the trilogy, Elementals: Battle Born!

rare jewel. A new classic in the fantasy genre." —Eoin Colfer, author of the bestselling Artemis Fowl series Henry H. Neff 's new high-stakes middle grade fantasy follows two unlikely allies as they confront a conspiracy that will shake the world of Impyrium to its core. For over three thousand years, the Faeregine dynasty has ruled Impyrium. But the family 's magic has been fading, and with it their power over the empire. Whether it 's treachery from a rival house, the demon Lirlanders, or rebel forces, many believe the Faeregines are ripe to fall. Hazel, the youngest member of the royal family, is happy to leave ruling to her sisters so that she can study her magic. But the empress has other plans for her granddaughter, dark and dangerous plans to exploit Hazel 's talents and rekindle the Faeregine mystique. Hob, a commoner from the remote provinces, has been sent to the city to serve the Faeregines—and to spy on them. One wants to protect the dynasty. The other wants to destroy it. But when Hazel and Hob form an improbable friendship, their bond may save the realm as they know it...or end it for good.
