Ain't I a Woman Simon and Schuster

In *Rock My Soul*, world-renowned scholar and visionary bell hooks takes an in-depth look at one of the most critical issues facing African Americans: a collective wounded self-esteem that has prevailed from slavery to the present day. Why do so many African Americans -- whether privileged or poor, urban or suburban, young or old -- live in a state of chronic anxiety, fear, and shame? In *Rock My Soul*, hooks gets to the heart and soul of the African-American identity crisis, offering critical insight and hard-won wisdom about what it takes to heal the scars of the past, promote and maintain self-esteem, and lay down the roots for a grounded community with a prosperous future.

**Communion** Sristhi Publishers & Distributors

The bestselling author of *A Natural History of the Senses* now explores the allure of adultery, the appeal of aphrodisiacs, and the cult of the kiss. Enchantingly written and stunningly informed, this "audaciously brilliant romp through the world of romantic love" (*Washington Post Book World*) is the next best thing to love itself.

**Power and Love** Northwestern University Press

A complete chapter-by-chapter summary of bell hooks's book *All About Love*. About the original book: *All About Love: New Visions* is a profound exploration of the concept of love, challenging traditional notions and offering a more inclusive, transformative understanding. bell hooks examines how love is often misunderstood and misrepresented in society, especially in the context of patriarchy and gender norms. Love as an active practice: hooks defines love not just as a feeling, but as a choice and a practice that requires care, respect, trust, and responsibility. Critique of romantic love: The book challenges the conventional idea of romantic love that often involves possessiveness and idealization, suggesting that true love is about equality and mutual growth. hooks emphasizes the importance of self-love as the foundation for healthy relationships and argues that societal structures, such as patriarchy and racism, deeply influence how we experience and express love. She connects love to social justice, urging readers to see love as a tool for healing and a means to challenge oppression. Through her feminist perspective, hooks calls for a more holistic and transformative vision of love, one that transcends cultural conditioning and leads to greater emotional and social liberation. This book offers both a critique of current relationships and a vision for a more compassionate, just world.

**A Death in Harlem** Routledge

One of bell hooks' foundational works introduced to the UK for the first time. 'With the emotion of poetry, the narrative of a novel, and the truth of experience, bell hooks weaves a girlhood memoir you won't be able to put down or forget. *Bone Black* takes us into the cave of self-creation' Gloria Steinem Stitching together the threads of her girlhood memories, bell hooks shows us one strong-spirited child's journey toward becoming the pioneering writer we know. Along the way, hooks sheds light on the vulnerability of children, the special unfurling of female creativity and the imbalance of a society that confers marriage's joys upon men and its silences on women. In a world where daughters and fathers are strangers under the same roof, and crying children are often given something to cry about, hooks uncovers the solace to be found in solitude, the comfort to be had in the good company of books. *Bone Black* allows us to bear witness to the awakening of a legendary author's awareness that writing is her most vital breath.

**Daytime Visions** Penguin

Cultural critic Lucia Hodgson examines the contradictory and even harmful responses Americans give when faced with the issues that most dramatically affect children's lives. Stripping away the hype surrounding such cases as the Menendez brothers, Baby Jessica, and Susan Smith's murder of her children, Hodgson reveals America's self-deception about children's realities, and shows that the more

we focus on individual cases of deviation, the more we overlook the systemic causes of the problem.

**Love A Little Stronger** Random House

In *Sisters of the Yam*, bell hooks reflects on the ways in which the emotional health of black women has been and continues to be impacted by sexism and racism. Desiring to create a context where black females could both work on their individual efforts for self-actualization while remaining connected to a larger world of collective struggle, hooks articulates the link between self-recovery and political resistance. Both an expression of the joy of self-healing and the need to be ever vigilant in the struggle for equality, *Sisters of the Yam* continues to speak to the experience of black womanhood.

**Summary of Bell Hooks's All About Love** The New Press

A classic work of feminist scholarship, *Ain't I a Woman* has become a must-read for all those interested in the nature of black womanhood. Examining the impact of sexism on black women during slavery, the devaluation of black womanhood, black male sexism, racism among feminists, and the black woman's involvement with feminism, hooks attempts to move us beyond racist and sexist assumptions. The result is nothing short of groundbreaking, giving this book a critical place on every feminist scholar's bookshelf.

**Remembered Rapture** Macmillan

In this provocative and captivating dialogue, bell hooks and Cornel West come together to discuss the dilemmas, contradictions, and joys of Black intellectual life. The two friends and comrades in struggle talk, argue, and disagree about everything from community to capitalism in a series of intimate conversations that range from playful to probing to revelatory. In evoking the act of breaking bread, the book calls upon the various traditions of sharing that take place in domestic, secular, and sacred life where people come together to give themselves, to nurture life, to renew their spirits, sustain their hopes, and to make a lived politics of revolutionary struggle an ongoing practice. This 25th anniversary edition continues the dialogue with "In Solidarity," their 2016 conversation at the bell hooks Institute on racism, politics, popular culture and the contemporary Black experience.

**Revelation** HarperCollins

Drawing on both her roots in Kentucky and her adventures with Manhattan Coop boards, *Where We Stand* is a successful black woman's reflection--personal, straight forward, and rigorously honest--on how our dilemmas of class and race are intertwined, and how we can find ways to think beyond them.

**Where We Stand** Hachette UK

A new epic fantasy series from the New York Times bestselling author chosen to complete Robert Jordan's *The Wheel of Time*® Series

**All About Love** C.B. Publishers

In *Teaching Critical Thinking*, renowned cultural critic and progressive educator bell hooks addresses some of the most compelling issues facing teachers in and out of the classroom today. In a series of short, accessible, and enlightening essays, hooks explores the confounding and sometimes controversial topics that teachers and students have urged her to address since the publication of the previous best-selling volumes in her Teaching series, *Teaching to Transgress* and *Teaching Community*. The issues are varied and broad, from whether meaningful teaching can take place in a large classroom setting to confronting issues of self-esteem. One professor, for example, asked how black female professors can maintain positive authority in a classroom without being seen through the lens of negative racist, sexist stereotypes. One teacher asked how to handle tears in the classroom, while another wanted to know how to use humor as a tool for learning. Addressing questions of race, gender, and class in this work, hooks discusses the complex balance that allows us to teach, value, and learn from works written by racist and sexist authors. Highlighting the importance of reading, she insists on the primacy of free speech, a democratic education of literacy. Throughout these essays, she celebrates the transformative power of critical thinking. This is provocative, powerful, and joyful intellectual work. It is a must read for anyone who is at all interested in education today.

**When Angels Speak of Love** Little, Brown Books for Young Readers

A NEW YORK TIMES BESTSELLER "The fights against hunger, homelessness, poverty, health disparities, poor schools, homophobia, transphobia, and domestic violence are feminist fights. Kendall offers a feminism rooted in the livelihood of everyday women." --Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist*, in *The Atlantic* "One of the most important books of the current moment."--Time "A rousing call to action... It should be required reading for everyone."--Gabrielle Union, author of *We're Going to Need More Wine* A potent and electrifying critique of today's feminist movement announcing a fresh new voice in black feminism Today's feminist movement has a glaring blind spot, and paradoxically, it is women. Mainstream feminists rarely talk about meeting basic needs as a feminist issue, argues Mikki Kendall, but food insecurity, access to quality education, safe neighborhoods, a living wage, and medical care are all feminist issues. All too often, however, the focus is not on basic survival for the many, but on increasing privilege for the few. That feminists refuse to prioritize these issues has only exacerbated the age-old problem of both internecine discord and women who rebuff at carrying the title. Moreover, prominent white feminists broadly suffer from their own myopia with regard to how things like race, class, sexual orientation, and ability intersect with gender. How can we stand in solidarity as a movement, Kendall asks, when there is the distinct likelihood that some women are oppressing others? In her searing collection of essays, Mikki Kendall takes aim at the legitimacy of the modern feminist movement, arguing that it has chronically failed to address the needs of all but a few women. Drawing on her own experiences with hunger, violence, and hypersexualization,

along with incisive commentary on reproductive rights, politics, pop culture, the stigma of mental health, and more, Hood Feminism delivers an irrefutable indictment of a movement in flux. An unforgettable debut, Kendall has written a ferocious clarion call to all would-be feminists to live out the true mandate of the movement in thought and in deed.

**Wounds of Passion** Routledge

Feminist icon bell hooks reminds us of the full spectrum of feeling we spend in love through her inspiring collection of love poetry, with a new introduction by Cole Arthur Riley, author of *Black Liturgies*. Written from the heart, *When Angels Speak of Love* is a book of fifty love poems by bell hooks, one of our most beloved public intellectuals, and author of over twenty books, including the bestselling *All About Love*. Poem after poem, hooks challenges our views and experiences with love—tracing the links between seduction and surrender, the intensity of desire, and the anguish of death. "Love must clean house, choose memories to keep, and memories to let go," she writes. These verses are expansive yet accessible—encompassing romantic love, to love of family, friends, or oneself. In any iteration, these poems remind us of both the beauty and possibility of love.

*Writing Beyond Race* Canongate Books

Contains chapters on Zora Neale Hurston, Emily Dickinson, Ann Petry, Lorraine Hansberry, and Toni Morrison.

*A Natural History of Love* Simon and Schuster

Essays by popular children's authors reveal the books that shaped their personal and literary lives, explaining how the stories they loved influenced them creatively, politically, and intellectually.

*Teaching Critical Thinking* Everest Media LLC

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

**The Will to Change** Jump At The Sun

Long live the queen: The authors who brought you the New York Times bestselling *My Lady Jane* kick off an all-new historical trilogy with the classy, courtly tale of Mary, Queen of Scots—perfect for YA fantasy and romance readers. Welcome to Renaissance France, a place of poison and plots, of beauties and beasts, of mice and . . . queens? Mary is the queen of Scotland and the jewel of the French court. Except when she's a mouse. Yes, reader, Mary is an Eóian (shapeshifter) in a kingdom where Verities rule. It's a secret that could cost her a head—or a tail. Luckily, Mary has a confidant in her betrothed, Francis. But things at the gilded court take a treacherous turn after the king meets a suspicious end. Thrust onto the throne, Mary and Francis face a viper's nest of conspiracies, traps, and treason. And if Mary's secret is revealed, heads are bound to roll. With a royally clever sense of humor, Cynthia Hand, Brodi Ashton, and Jodi Meadows continue their campaign to turn history on its head in this YA fantasy ideal for fans of *A Gentleman's Guide to Vice and Virtue*.

*A Woman's Mourning Song* Macmillan

What are the conditions needed for our nation to bridge cultural and racial divides? By "writing beyond race," noted cultural critic bell hooks models the constructive ways

systems of domination. In the spirit of previous classics like *Outlaw Culture* and *Reel to Real*, this new collection of compelling essays interrogates contemporary cultural notions of race, gender, and class. From the films *Precious* and *Crash* to recent biographies of Malcolm X and Henrietta Lacks, hooks offers provocative insights into the way race is being talked about in this "post-racial" era.
