All I Want Is a Job! Stanford University Press We are brought up in a world where living in fear is both encouraged and accepted. Its normal to feel doubt, to feel guilt, to feel anger, to feel a failure. Its normal to lack

enjoyment, self-confidence, and fulfilment. Its normal to live our lives according to what other people want of us, or what we think other people want of us, and to feel that, in a world where we constantly criticise and compare, were simply not good enough. But good enough for what? And in whose view? Its time to turn that thinking around. You are good enough! You were born with confidence and a healthy self-

---

esteem. You were born to smile more. You were born to feel ease, to feel well, and to listen to your heart and your intuition. And you can reconnect with that you. You can live true to yourself, and you can feel contentment, joy, and harmony. You can find peace, acceptance, and inner strength. You are perfect, human, worthy. You are special. You are you, and the world needs you. Free the spirit that's still burning deep

All I Want Lulu.com A much-loved early classic from #1 New York Times bestselling author Lisa Jackson, this heartwarming holiday tale is set in small-town Oregon, where a little girl's letter to Santa ends up bringing the gift of romance to a widowed mom and a single dad. Christmas wishes do come true . . . The small town of Cascadia is home to Veronica Walsh and her young daughter, Amy. If Ronni still believed in Santa, she'd ask for a chance to buy the rundown old lodge next door and turn it into a B&B. Amy's Christmas wish list, on the

---

other hand, includes one item that catches Ronni off-guard: a new daddy. But four years after losing her husband in a tragic accident, Ronni doesn't plan to get involved with anyone--least of all the lodge's new owner. Travis Keegan has moved from Seattle to get his wayward teenaged son back on track. Yet the moment he meets Ronni, he wonders if this could be the fresh start they all need. Healing from loss and melding their two families won't be easy, but Christmas in Cascadia has a magic that may just prove irresistible . . .

The New York Times bestselling author of A Simple Favor brings her “sly, satirical, subversive” (L.S.

Hilton, author of Ultima) prose to a pitch-perfect psychological suspense novel about a young couple whose disintegrating marriage and remote new home in rural, upstate New York make for a terrifying descent into the darker side of human nature. When Emma 's husband, Ben, falls in love with a large Victorian mansion for sale in upstate New York, he swears to her the fixer-upper will be worth the risk. With a baby on the way, Emma would like to live in a charming, safe community, after all—and in a space larger than a

Sure, the mansion has a somewhat creepy backstory and is a bit dilapidated, but Emma and Ben are in this together, aren ' t they? When strange things start happening, Emma begins to experience a little buyer ' s remorse. What ' s the real history of this house? Is its dark history repeating itself? Why does her husband suddenly seem so distant? Is she in danger? Is her baby? Combining the domestic anxiety of Liane Moriarty

All I Want For Christmas Leader Guide Atria Books In All I Want Is a Job!, Mary Gatta puts a human face on workforce development policy. An ethnographic sociologist, Gatta went undercover, posing as a client in a New Jersey One-Stop Career Center. One-

---

Stop Centers, developed as part of the federal Workforce Investment Act, are supposed to be an unemployed worker's go-to resource on the way to re-employment. But, how well do these centers function? With swarms of new clients coming through their doors, are they fit for the task of pairing America's workforce with new jobs? Weaving together her own account with interviews of jobless women and caseworkers, Gatta offers a revealing glimpse of the toll that unemployment takes and the realities of social policy. Women—both educated and unskilled—are particularly vulnerable in the

current economy. Since they are routinely paid less than their male counterparts, economic security is even harder for them to grasp. And, women are more easily tracked into available, low-wage work in sectors such as retail or food service. Originally designed to pair job-ready workers with available openings, the current system is ill fitted for diverse clients who are seeking gainful employment. Even if One-Stops were better suited to the needs of these workers, good jobs are scarce in the wake of the Great Recession. In spite of these pitfalls, Gatta saw hope and a sense of empowerment in clients who got intensive career

counseling, new jobs, and social support. Drawing together tales from the frontlines, she highlights the promise and weaknesses of One-Stop Career Centers, recommending key shifts in workforce policy. America deserves a system that is less discriminatory, more human, and better able to assist women and their families in particular. The employed and unemployed alike would be better served by such a system—one that would meaningfully contribute to our economic recovery and future prosperity. **All I Want for Christmas Is a Cowboy Entangled: Brazen "Step into the**
