Landscape, display and identity Travelers' Tales

A controversial, award-winning story about the passionate but untenable affair between an Israeli woman and a Palestinian man, from one of Israel's most acclaimed novelists

When Liat meets Hilmi on a blustery autumn afternoon in Greenwich Village, she finds herself unwillingly drawn to him. Charismatic and handsome, Hilmi is a talented young artist from Palestine. Liat, an aspiring translation student, plans to return to Israel the following summer. Despite knowing that their love can be only temporary, that it can exist only away from their conflicted homeland, Liat lets herself be enraptured by Hilmi: by his lively imagination, by his beautiful hands and wise eyes, by his sweetness and devotion. Together they explore the city, sharing laughs and fantasies and pangs of homesickness. But the unfettered joy they awaken in each other cannot overcome the guilt Liat feels for hiding him from her family in Israel and her Jewish friends in New York.

As her departure date looms and her love for Hilmi deepens, Liat must decide whether she is willing to risk alienating her family, her community, and her sense of self for the love of one man. Banned from classrooms by Israel's Ministry of Education, Dorit Rabinyan's remarkable novel contains multitudes. A bold portrayal of the strains—and delights—of a forbidden relationship, *All the Rivers* (published in Israel as *Borderlife*) is a love story and a war story, a New York story and a Middle East story, an unflinching foray into the forces that bind us and divide us. "The land is the same land," Hilmi reminds Liat. "In the end all the rivers flow into the same sea." Praise for *All the Rivers* "Rabinyan's book is a sort of *Romeo and Juliet*, a forbidden love affair

between a Jewish girl from Tel Aviv and a Palestinian boy from Hebron. . . . [A] beautiful novel.”—The Guardian “A fine, subtle, and disturbing study of the ways in which public events encroach upon the private lives of those who attempt to live and love in peace with each other, and, impossibly, with a riven and irreconcilable world.”—John Banville, Man Booker Prize-winning author of *The Sea* “I’m with Dorit Rabinyan. Love, not hate, will save us. Hatred sows hatred, but love can break down barriers.”—Svetlana Alexievich, winner of the Nobel Prize for Literature “Astonishing . . . [a] precise and elegant love story, drawn with the finest of lines.”—Amos Oz “Rabinyan’s writing reflects the honesty and modesty of a true artisan.”—Haaretz “Because the novel strikes

the right balance between the personal and the political, and because of her ability to tell a suspenseful and satisfying story, we decided to award Dorit Rabinyan’s [*All the Rivers*] the 2015 Bernstein Prize.”—From the 2015 Bernstein Prize judges’ decision “[*All the Rivers*] ought to be read like J. M. Coetzee or Toni Morrison—from a distance in order to get close.”—Walla! “Beautiful and sensitive . . . a human tale of rapprochement and separation . . . a noteworthy human and literary achievement.”—Makor Rishon “A captivating (and heartbreaking) gem, written in a spectacular style, with a rich, flowing, colorful and addictive language.”—Motke “A great novel of love and peace.”—*La Stampa* “A novel that truly speaks to the heart.”—*Corriere della*

It was a time when English landlords held power over Irish tenant farmers and seeds of bitterness were sown that would last for generations. In an endeavor to eliminate all influences of Irish heritage, the English forced an intellectual and spiritual bondage on Ireland as well as a bitter physical bondage of servitude.

Freedom had become so rare that the Irish coined a saying, "In Ireland only the rivers run free." Yet one poor, befuddled old woman speaks of freedom, truth, and hope. Mad Molly Fahey promises the priest and villagers that a miracle is on its way. Previous editions: 0-7852-8067-7 and 0-7852-7016-7

An Angler's Journey from Source to Sea Montana Publishing

A new edition of the veteran science writer's groundbreaking work on the world's water crisis,

featuring all-new reporting from the most recent global flashpoints Throughout history, rivers have been our foremost source of fresh water for both agriculture and individual consumption, but looming water scarcity threatens to cut global food production and cause conflict and unrest. In this visionary book, Fred Pearce takes readers around the world on a tour of the world's rivers to provide our most complete portrait yet of the growing global water crisis and its ramifications for us all. With vivid on-the-ground reporting, Pearce deftly weaves together the scientific, economic, and historic dimensions of the water crisis, showing us its complex origins--from waste to wrong-headed engineering projects to high-yield crop varieties that have saved developing countries from starvation but

are now emptying their waterspeaking her native reserves. Pearce argues that the solution to the growing worldwide water shortage is more efficiency and a new water ethic based on managing the water cycle for maximum social benefit rather than narrow self-interest.

TRAVELERS had crossed the Oregon Trail during the gold rush of 1849. Even the most backwoods warrior understood what that meant: disease, death, and conflict with the whites. As a result of the Treaty of 1851, some Indians were convinced that the country to the north—called Absaraka—might be a better option for a home

range. At the very least, it held the promise of less trouble from the whites. The danger from other tribes was another matter.

'Raw, passionate, hallucinatory. Reading *All Rivers Run Free* was to be lured by an edgy siren voice of fierce womanhood' Rachel Holmes A woman on the edge of the sea finds a girl on the edge of life. Brittle but not yet broken, la Pendilly ekes out a fierce life in a caravan on the coast of Cornwall. In years of living with Bran - her embattled, battering cousin and common law husband - she's never yet had her own baby. So when she discovers the

waif washed up on the shore, Ia takes the risk and rescues her. And the girl, in turn, will rescue something in Ia - bringing back a memory she's lost, giving her the strength to escape, and leading her on a journey downriver. It will take her into the fringes of a society she's shunned, collapsed around its own isolation. It will take her through a valley ravaged by floods, into a world not too far from reckoning. It will take her in search of her sister, and the dark remembrance of their parting. It will take her, break her, remake her, in the shapes of freedom. Natasha Carthew is a startling new voice from beyond the limits of common urban experience. She tells a

tale of marginalisation and motherhood in prose that crashes like waves on rocks; rough, breathless and beautiful.

Swift Water, Sycamores, and Smallmouth Bass iUniverse 'Kevin Parr knows how to fish, how to read a river and how to write. A book that flows like a river' Chris Yates, author of Out of the Blue Rivers Run is a love letter to Britain's rivers and waterways by well-known angler and naturalist Kevin Parr. On a journey around his favourite watery hideaways – such as the River Stour in Dorset, the Exe in Devon, the Avon in the Midlands and Parris Pool in Shropshire – the author shares the thoughts and insights that bubble up while sitting peacefully by the riverside, watching the world go by and waiting for the fish to bite. Each river that he visits has played a central part in his own development as both an angler and a person, and reflects the ways in which landscape, wildlife and plants

mirror the themes that flow through all our lives. Rivers Run is a delightful yet profound philosophical and poetic examination of water, of the fish that live within it, the nature that surrounds it and how human life is intrinsically linked to its flow.
