Joseph "Havoc" Mariano is an enforcer for the Night Horde MC. He's a punch first, think maybe kind of guy, a man of action. He's impatient and frustrated with the quiet life0?4times are changing, his town is changing, his club is changing, and Havoc places the blame squarely on the women that his brothers are settling down with. There's only room for two women in his life: his mother and his sister. Romance holds no appeal for him whatsoever. He's a homegrown, hometown boy whose attitude covers scars he's mostly forgotten about. Corinne Hawes is a single mother struggling to find a way to make a life for her and her teenage son, Nolan. She is an artist at heart, a free spirit on whom the structure and rigor of routine chafes hard. When she takes a job that makes Havoc her boss, they butt heads. But in their confrontations, a spark ignites. When they let their

guards down, that spark explodes into a blaze. While Cory learns to trust Havoc, and Havoc grapples with a major shift in his priorities and outlook on life, the period of legitimacy and peace comes to an end for the Horde. They had no idea that they were in so deep until an old enemy resurfaces and perpetrates a horror that affects Havoc, and Cory, profoundly. Note: Explicit sex and violence. (229 words)

Born with a curse that dooms her and her race to a future of slavery, Sky 's world is torn apart when she witnesses her sister 's capture and enslavement. Left alone and injured, she must try to figure out what to do to survive and how to avoid the same fate as the rest of her people. The kindness of a stranger and his intense training starts a chain of events that will lead Sky on a perilous adventure to free her sister and the other

---

members of her race. The prophecy of an Odreshinik, who will deliver Sky ' s people, propels Sky into a dark and dangerous world, where she becomes the target of evil creatures, wanting to smash any hope of freedom for her people. The paths she will take lead her down treacherous roads where she must confront the Black Fairy who cursed her race centuries ago. With the help of others, who also desire to overthrow the powers conquering the planet and taking their lands, Sky will face down forgotten evils. She must attempt to invoke magic stolen from ancient wizards to free future generations from bondage, but will risk the lives of everyone she cares about. Young Adult Fantasy / Science Fiction - Suitable Age Range: 12 and Up. Books available by James Todd Cochrane: Max and the Gatekeeper FREE The Hourglass of Souls (Max and the Gatekeeper Book II) The Descendant and the Demon ' s Fork (Max and the Gatekeeper Book III) The Dark Society (Max and the Gatekeeper Book IV) The Prophecy of Sky Centalpha 6 Part I FREE Centalpha 6 Part II Centalpha 6 Part III Centalpha 6 Part IV Centalpha 6 Part V Centalpha 6 Part VI Centalpha 6 Part VII Centalpha 6 Part VIII Centalpha 6 Omibus (Centalpha 6 Part I – Part VIII) Keywords: magic, monsters, aliens, new worlds, coming of age, swords, spells, friendship, gateways, strange life forms, sorcerers, fairies Harper Collins Hornblower Saga; Vol 9; Apr 1812 - Dec 1812 Captain Hornblower is promoted to Commodore and is off on a new adventure to the Baltic. Old Jago is tucked away in the East End of London, conveniently placed so the wealthy and the fortunate can forget all about it and its unlucky residents. Dicky Perott does not have the luxury of forgetting about the ugly truth of Old Jago, because he and his family barely can afford the single-

room home they live in, fighting off robbers, fleas, and the cold. Though he is just a young boy, Dicky already dreams of the day he can leave the slum forever, but first, he has to find out how. Roaming the streets daily, Dicky begs and steals to survive, and is always looking for an opportunity to improve himself. As a riveting narration paints a portrait of life in Old Jago, Dicky comes of age while believing that if he works hard and hopes even harder, he will make it out of Old Jago alive. First published in 1896, *A Child of the Jago* earned Arthur Morrison considerable fame and commercial success. Quickly becoming a bestseller, this 19th century drama is now considered to be Arthur Morrison's best work. Often praised for the authenticity in his portrayal of London's working class, Arthur Morrison provides a devastating portrayal of life in a London

---

slum in *A Child of the Jago*. Through an incredibly visceral depiction of the setting and characters, *A Child of the Jago* is unapologetically honest and gripping. With themes of class, coming-of-age, and societal injustice, Morrison offers modern readers a rare portrayal of the poorest class in 19th century London, without omitting a single detail. With relatable characters that demand empathy and a setting that steals attention, *A Child of the Jago* remains on the mind long after the novel's conclusion. This edition of *A Child of the Jago* by Arthur Morrison now features an eye-catching new cover design and is printed in a font that is both modern and readable. With these accommodations, this edition of *A Child of the Jago* creates an accessible and pleasant reading experience for modern audiences while restoring the original wit and intrigue of Arthur Morrison's

work.

Deep Sky Simon and Schuster

In 1968 two young Vietnamese sisters flee to Saigon after their village on the Mekong River is attacked by American forces and burned to the ground. The only survivors of the brutal massacre that killed their family, the sisters struggle to survive but become estranged, separated by sharply different choices and ideologies. Mai ekes out a living as a GI bar girl in Saigon but Tâ m's anger festers, and she heads into jungle terrain to fight with the Viet Cong. For nearly ten years, neither sister knows if the other is alive. Do they both survive the war? And if they do, can they mend their fractured relationship? Or are the

---

wounds from their journeys too deep to heal? In a stunning departure from her two series of crime thrillers, Libby Fischer Hellmann delves into a universal story about survival, family, and the consequences of war. Carry the World Elsevier Comprised of sketches of the war in the air above France. Many of the sketches appeared in article form in the DAILY MAIL, THE WAR ILLUSTRATED, and FLYING per the author's foreword, dated London, Nov. 1918.

Lord of the Flies Tor Science Fiction

Luca Pagano is a second son. The family rebel, he has always been a beat out of step with his father, who sees him as unserious and unsettled. But Luca is a man who knows his mind and follows his heart. He's never met a woman with whom he wants to be serious

or settled, and he is definitely not looking. Active and adventurous, he prefers an uncomplicated life, free of any attachments but those of his family. Emmanuelle "Manny" Timko has recently moved to Quiet Cove. She, too, avoids attachments beyond her family, but her reasons go deeper than simple preference. To make her way in the world, she's had to build a life of coping mechanisms and control. The connection they make together is as intense as it is unlikely. To love Manny, Luca must learn to love in a new way. To love Luca, Manny must learn to love at all. When Luca's Uncles come to him to collect on a debt, what Luca and Manny have found together will be sorely tested. What happens next could change everything for them and for the whole Pagano family. Note: explicit sex, violent scenes

Nick Pagano is a leader in the Pagano Brothers organization. As their head enforcer, it has been his responsibility to mete out justice, to seek retaliation, to uncover the secrets of Pagano enemies by any means necessary, and to sink deep the evidence of those means. It is work that requires keen vision and perfect control. It is work at which Nick excels. It is work that has made him dark. As the Paganos fight a war

against an enemy determined to destroy them and change the landscape of the New English underworld, the boundaries between work and family that Nick's father and uncle long ago made sacrosanct are crossed, and Nick's work becomes personal. Beverly Maddox lives across the hall from Nick. She's living a life she's worked hard to build, with a job she likes and friends she loves, content in her surroundings and in her own skin. She thinks the best of people and offers them her trust and friendship without reservation. Though her life hasn't always been kind, she has not let the troubles of her past weigh her down. Her outlook is light, in both senses of the word. It's her light that catches Nick's eye, and his attention inadvertently causes Beverly

---

to be swept up into his dark world. Thrust together by circumstance, Nick comes to see that Beverly's light eases his dark soul. But will his darkness douse her light instead? Note: explicit sex and violence.

The Rime of the Ancient Mariner CreateSpace

One of FX's most successful original productions, *Sons of Anarchy* roared onto the screen in 2008 and dominated the cable network's programming for seven seasons. Following an outlaw motorcycle club on its Shakespearean journey, the series took audiences on a wild ride powered by a

high-octane brand of masculinity. This collection of new essays explores the show's complicated presentation of masculinity and its cultural implications. Series creator and writer Kurt Sutter depicts male characters who act from a highly traditional sense of what it means to be a man. *SOA* both vaunts and challenges that sense of manhood as the characters face the consequences of their ride-or-die lifestyle. Leaving Gee's Bend Dark Moon Publishing Inc. Includes advertising matter. Comodore Hornblower Penguin Bending the Universe immerses readers in the beautifully, brutally honest poetry of Justin Wetch—an idealist disguised as a pessimist. Organized into five sections (Society, Love, Life, Personal, and Nature), this

---

collection explores everything from diversity to body image, heartbreak to politics. Poems spring from each page in a voice that 's almost audible—and always thought-provoking.

doesn't mean she can't put in a good stitch. In fact, Ludelphia sews all the time, especially when things are going wrong. But when Mama gets deathly ill, it doesn't seem like even quilting will help. Mama needs medicine badly—medicine that can only be found in Camden, over forty miles away. That's when Ludelphia decides to do something drastic—leave Gee's Bend. Beyond the cotton fields of her small sharecropping community, Ludelphia discovers a world she never imagined, but there's also danger lurking for a young girl on her own. Set in 1932 and inspired by the rich quilting traditions of Gee's Bend, Alabama, *Leaving Gee's Bend* is a delightful story of a young girl facing a brave new world, presented in a new paperback edition.

When her mother died, Carmen stepped into her shoes and became the woman of the family, shouldering much of the responsibility for raising her two youngest siblings and keeping the family running. Even though Joey and Rosa are now grown, she's found it difficult to let that role go. When Rosa graduates from college, Carmen takes her to Europe for the summer. She means the trip as not simply a gift, but a way to strengthen their bond as sisters and to help Rosa, the youngest sibling and the pampered family princess, become a more fully-realized adult. She has no

---

intention of spending time with anyone but her sister. Writer and widower Theo Wilde is living in Paris for several months, with the mission to write his next book. His grown sons, worried that he is too much alone, push him into the city to meet someone new. He's not enthusiastic, but he makes a promise to try. It's Carmen he meets. What begins as a summer fling against the beautiful, romantic backdrop of Paris becomes something that neither of them expected, something Carmen is not prepared for. She has always placed her family first, but to be with Theo, she'll need to stretch beyond her roots and grow. NOTE: explicit sex, some violence.
