All Grown Up Book 1 Dafina

#1 NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *A Spark of Light* comes a “powerful” (The Washington Post) novel about the choices that alter the course of our lives. Look for Jodi Picoult’s new novel, *By Any Other Name*, now available! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn Edelstein. She’s on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on *The Book of Two Ways*—the first known map of the afterlife. As the story unfolds, Dawn’s two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she’s never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn’t turned out to be the person you are right now?

Blush for Me HarperCollins

In 2010, Stuart Trueman set out on a 16-month voyage to circumnavigate Australia by kayak. He wasn't the first person to complete the circumnavigation, or even the second - but he was determined to make it a triumphant third. Stuart's adventure was to be done on a shoestring, with no support team and a powerful belief in the philosophy of Do-It-Yourself, albeit with the kindness and help of the many people he met along the way. This single-handed journey would see him face extraordinary challenges, including the non-stop crossing of mighty 200-kilometre cliff formations, huge seas, dangerous surf, sleeping whales, inquisitive sharks, large crocodiles and the sheer, relentless grind of paddling day in and day out all around Australia's massive coastline. From heatstroke in the tropical north to the icy gales of the Southern Ocean, and everything in between, Stuart's experienced all the wonders and terrors of Australia's diverse geography, writing a gripping account that vividly brings to life the coasts of our incredible continent. Filled with dry humour, resilience and the myriad incidents and dramas that made up this epic journey, *All the Way Round* is a classic of adventure.

Now, in a riveting memoir, Diana shares a spirited account of what it takes to face one’s fears, engage one’s passions, and never ever give up.
