Hello, I am currently restoring  
a 1987 Allman Sprayer back to  
near former glory as per  
attached photo. I am looking  
for a set of Supalite booms for  
it as building a new set is  
looking rather expensive! Bit  
of a long shot but thought  
would post a picture incase  
somebody knows of some sat  
under a hedge or in the back or  
a shed somewhere!
