Your new Allworx phone supports two modes of operation: PBX (Private Branch Exchange) Mode and Key System Mode. Your System Administrator has pre-configured the phone for one of these two modes. Each programmable button on the phone will function differently depending on the mode of the phone. This guide caters to the PBX Mode.

Mounting the Allworx phone on a wall requires a mounting plate that meets the TIA-570-B, Section standard and is available from a local telephone company or local retailer. The mounting plate has studs that position the Allworx phone flush to the wall surface.

Remove the Allworx phone base and mount the phone over the mounting plate studs.

Allworx Verge IP Phone Series User Guide
