Almost Heaven by Chris Fabry. Overview -. From the bestselling author of War Room comes a gripping novel that was awarded both an ECPA Christian Book Award for fiction and a 2011 Christy Award. Billy Allman is a hillbilly genius. People in Dogwood, West Virginia, say he was born with a second helping of brains and a gift for playing the mandolin but was cut short on social skills.

*Chris Fabry - Almost Heaven Reviews*  
Fabry (Dogwood; June Bug), who writes for children and adults, will certainly delight his ever enlarging fan base with this mesmerizing tale

about a man whose gifts are clear to anyone interested in seeing past his obvious outer limitations.

*Almost Heaven book by Chris Fabry*

I've enjoyed reading Fabry's work. He's a sensitive writer who is skilled at character development--both earthly and heavenly (as in the case of Malachi, the guardian angel in ALMOST HEAVEN). I love Billy's passion to serve the Lord no matter what obstacles come along.

A novel written by Christy award-winner Chris Fabry, *Almost Heaven* is based on the true story of musician and radio host, Billy Allman. No one expected anything good to come from Dogwood, West Virginia, and definitely not a bluegrass Christian radio station.
