Very fast service, manual is well scanned and clear, but the Appendix A containing PC Command table and Control codes are missing: Grace Towers -

05/22/2008 Very nice clear manual with specifications, exploded views and schematics, been searching for one of these for years.

Thanks.

You can pick up the Alpine 5952 CD changer for around £40 including lead and this hooks straight up to the unit to give you CD sound for very little. A very rare feature that this model has (rare from this era) is the ability to change from the classic Alpine green illumination to orange.

Alpine 7618 - changing colours Green/Amber ...
Alpine ID for short, is the new global sound philosophy with an evolutionary approach for solving

what's missing in most car audio systems these days: great spatial imaging and depth of stage. It centers on developing matched sound systems that work together to create a highly realistic sound stage with great dynamic range and quality.
