Using the Phone Book Duke University Press

This important book, written by educational expert and urban school leader, Tom Payzant, offers a realistic understanding of what urban school leadership looks like from the inside. Payzant shares his first-hand knowledge of the unique managerial, instructional, and political tasks of this role. Effectively combining practical lessons and research, *Urban School Leadership* includes in-depth analysis of various leadership concerns. The book covers topics such as improving student achievement, working with unions, building community, and maintaining and developing resources. Most importantly, it offers stories of real school leaders whose successes and missteps reveal the inherent "messiness" of this difficult job. *Urban School Leadership* is part of the Jossey-Bass Leadership Library in Education series. "This important book provides compelling examples of how effective leaders can have hope, see progress, and achieve success for all children in the schools and districts they lead."—Richard Riley, former United States Secretary of Education "Tom Payzant is one of the few people who could provide such a comprehensive, useful book for educational leaders at all levels. This very practical book is grounded in the important experiences and impressive judgment of one of our nation's most successful school superintendents"—Jon Schnur, co-founder and CEO, *New Leaders for New Schools* "Tom Payzant is one of the finest urban educators of our generation. *Urban School Leadership* is compelling, crisp, and wise—providing a clear path for those dedicated to improving the trajectory of children's lives."—Timothy F.C. Knowles, executive director, Center for Urban School Improvement, University of Chicago "Urban School Leadership is a must read for anyone interested in the landscape of urban public education in America."—Beverly Hall, superintendent, Atlanta Public Schools

Urinary Dysfunction in Prostate Cancer Writer's Digest Books

In these rich and evocative poems, poet Chuck Tripi tells tales of growing up absurd among tail fins and Your Hit Parade, home improvements and alcohol, tales of the tincture of time with its passages and epiphanies, insights, reconciliations and release. Teeming with iconic images of suburban America in the 1950's, *Killer Pavement Ahead* engages the flourishing and withering of an urge to consumerism in a post-war baby boom culture.

A la Carte "O'Reilly Media, Inc."

In the far future, Earth is about to be swallowed by a black hole in this sweeping SF epic from one of the masters of the genre. In a time so far from our own that we cannot comprehend it, humanity has spread amongst the stars and changed in more ways than we can count. But they have never forgotten their birthplace - Earth. But now Earth stands on the brink of catastrophe, at risk of being swallowed by a black hole. One man, Hanosz Prime, ruler of his world, is determined to visit Earth before it is destroyed. His abdication from his throne and his wanderlust are to prove the beginning of a much longer journey - one that will see him fall in love, meet the Oracles of Earth and perhaps, if he is very lucky, provide a means to save the cradle of humanity. Originally started by Robert Silverberg more than 20 years ago but never completed, Hanosz's story is taken up by Alvaro Zinos-Amaro. Silverberg hand-picked Zinos-Amaro to complete the book, and provided notes and guidance. The result is a remarkable collaboration between one of the masters of SF and one of the most exciting new voices in the genre.

The Warman's Advantage & As the longest-running guide and the most trusted name in antiques and collectibles, the 45th edition of *Warman's Antiques & Collectibles* features more than 1,500 images and 6,000 listings. It brings a fresh, 21st-century perspective that honestly assesses the market and looks at the best categories for investment - everything from glassware and toys to early flags and maps. "Future of the Market" reports share what's hot, and where the experts are putting their money.

& Top names in the trade weigh in on key categories: & Writer Andrew Myers looks at 18th - and 19th-century French furniture. & Toy expert Andrew Truman shares insights on "Door of Hope" dolls. & Tom Deupree and Morrow Jones reveal the secrets to finding great vernacular photographs. & Collector Forest Poston looks at the market for West German art pottery. & Values are based on real-world results thanks to dozens of contributing auctions houses from coast to coast.

Kicking Cancer's Ass Gift for Cancer Patient Alan Dickson

Koine Greek Grammar and its accompanying *Workbook and Answer Key & Guide* have been in the making for decades. It was first a small manual *Kairos Greek Grammar*; then it grew into a fully integrated and hyperlinked CD that has been published by Logos Bible Software (2005). Now, this current handbook--*KOINE GREEK GRAMMAR: A BEGINNING-INTERMEDIATE EXEGETICAL AND PRAGMATIC HANDBOOK*--has been thoroughly expanded to include my more explicit description of marked, emphatic, prominent, and pragmatic features of Greek, ideas that were nascent in *KAIROS*, but now grounded in a communication theory informed by Relevance Theory (Dan Sperber and Deirdre Wilson), Prominence Theory with reference to translation (Kathleen Callow), and Discourse Grammar and Pragmatics (Stephen Levinsohn, Stanley Porter, and Steven Runge). Exegetically significant aspects of Greek syntax and the use of the Greek language (i.e., pragmatics) occur strategically throughout *KOINE GREEK GRAMMAR* and

include the following: - conjunctions and their constraints - point/counterpoint sets - polysyndeton, asyndeton, correlative emphasis, and lists - fronted modifiers for emphasis (genitive, demonstrative, quantitative) - vocatives as thematic address - appositional statements - the historic present and the verb tense options in narrative - metacommentary as orienting statements - interjections as attention getting devices - quantitative, qualitative, interrogative, negative, and comparative types of emphasis - special uses of the noun cases - participle uses, including periphrastic and genitive absolutes - special uses of the Moods - left-(dis)locations - discourse pragmatic uses of the article - conditional and exception clauses Some of these discussions will have extended Intermediate-level treatments that are placed within greyed boxes. Other significant enhancements are the inclusion of CHECK POINTS that give students a chance to practice what is being learned in each chapter along with (SUGGESTED) ANSWERS that immediately follow. Scattered throughout *KOINE GREEK GRAMMAR* are images of ancient realia, i.e., remnants of Mediterranean material culture including biblical and non-biblical papyrus fragments, vase paintings, coins, bas-reliefs, imperial artifacts, inscriptions, funerary stele, statues, gems, maps, and reconstructed scenes of life in the polis. The language and syntax of the Greek NT is contextually located in these worlds. Still present (but improved) are the CASE IN POINTS at the end of each chapter that briefly describe how particular points of Greek grammar just presented helps us when interpreting the Greek NT. In other words, the CASE IN POINT illustrates how Greek grammar is valuable as a tool for the study of the NT. In addition to having a full APPENDIX, VOCABULARY OF WORDS OCCURRING 20 TIMES OR MORE, and INDICES, *KOINE GREEK GRAMMAR* has a separate extensive WORKBOOK AND ANSWER KEY & GUIDE. that has been carefully crafted with many exercises drawn directly from biblical expressions and actual verses.

Kiss Me Already "O'Reilly Media, Inc."

Koine Greek Grammar Singular

Fueled by media reports of gender bias in the schools, the debate over single sex education has been recently renewed. "Voices of Hope" asks for a reconsideration of the framing of that debate. For whom is single sex education better? For the attainment of which goals? What do girls gain by being schooled with male peers? What is lost? In this longitudinal study of more than fifty high school girls at four New England independent schools, Carole B. Shmurak follows their development from ninth grade through the first year of college. Case studies capture the girls' own voices as they describe their hopes for their futures and the events that subsequently affect those futures.

Krause Publications

It started with a kiss. Straight-laced Regan Stone is breaking the rules by kissing her best friend. But when her family fills her head full of doubts, it only takes three little words for Regan to forget about her family and the rules. Lane Cary is an honest guy, and honestly, he couldn't care less about rule number three. He'll do just about anything to keep Regan at a more-than-best-friends status. But when someone from his past walks back into his life, Lane's secrets threaten the only

future he's sure of ... Regan. Caught in two separate worlds of high school and college, this romance is falling toward failure. With her fear of not being enough and his past colliding with his future, the only chance for Regan and Lane's romance to survive is to do the one thing they've been avoiding. Will Regan and Lane do what it takes to continue beyond friendship? Or will the predictions come true and ruin everything, including their friendship? Don't miss KISS ME ALREADY, the second book of the continuous Regan Stone Series by Sally Henson. If you like rollercoaster teen romance steeped in best friends, loads of kissing, and swooniness, then this Young Adult/Teen story will have you turning the pages! Grab yours today!
