MfM m é nage romance from USA Today bestselling author Julia Sykes

Two darkly domineering alpha males. They say I don't have to choose.

They both want me. Together. The three of us. I was meant to be theirs:

Joseph, my sweet first love, and Marco, his sternly intimidating best friend.

I know they ' re dangerous men, but being with them doesn't feel wrong.

When they hold me in their arms, I feel safe, cherished. I ' m still their

captive, but I ' m no longer certain if I want to be free of them. They

swear they only kidnapped me for my own protection, and after a

terrifying attack by one of their enemies, I ' m starting to believe them. If I

give myself to them, can my alluring criminal captors protect me? Or is

their world too dangerous for even their strong arms to shield me from

harm? Keywords: MfM m é nage, Daddy romance, mafia romance,

Save the world and make money at the same time? A

former British banker and a former British bank

robber want to do this just as two Indian

entrepreneurs or a German educator for hearing-

impaired persons. They promote the rehabilitation of

former prisoners, run biomass power stations to

generate energy from rice husks or offer a mobile

interpreting service for deaf persons. Their investors

are so-called impact investors: they stand security,

give credits or equity capital to social or

environmental projects, and they want to do good

while making money at the same time. But is impact

investing really the new miracle cure to meet all our

societal challenges? In reports on eight social

entrepreneurs and interviews with three professional

impact investors the author and WELT reporter Dr.

Inga Michler demonstrates: impact investing is merely

one instrument in the toolbox in order to solve social

and environmental problems. Under certain conditions

it can be very effective, however, financial return is

by no means guaranteed. Initiated by Active
