Men's Alpine Guide Ski Sweater - Alps & Meters

The Frost Fighter down jacket by Columbia is about what you'd expect from a company with so much outdoor experience. It's understated but effective, handsome without being garish and well-made from the stitching to the tough, easy-to-use zippers. The standing collar protects your neck from that old north wind and the whole thing drops easily into your washing machine.

Arc'teryx Alpine Guide Jacket - Women's with Free S&H ...

The Patagonia Super Alpine Jacket lived up to all my expectations and then some. To start, I think it is best for you to know the activities I used this jacket in. First, I used the Patagonia Super Alpine Jacket while winter hiking and skiing in the high alpine Colorado Rockies.

The Alpine Down Hooded Jacket is loaded with durability, weather resistance, and warmth to withstand high altitude's howling wind, yet still stows away snugly by packing into its own left-hand pocket.

Jackets - Road | Alpinestars

The Alpine Guide Jacket from Patagonia is a quality softshell jacket that breathes and stretches, thanks to Polartec® Power Shield® fabric and Deluge® durable water repellent. When you need protection from wind a few occasional sprinkles of rain, but don't want a full-on hoody, this jacket has it all.
