THE following imperfect attempt to bring together a few notes relating to the ancient aristocracy of England, is confined in the first place to the families now existing, and regularly established either as knightly or gentle houses before the commencement of the sixteenth century; secondly, no notice is taken of those families who may have assumed the name and arms of their ancestors in the ...

The Food Timeline--history notes: muffins to yogurt  
John Cleese was born on October 27, 1939, in West on-Super-Mare, England, to Muriel Evelyn (Cross) and Reginald Francis Cleese. He was born into a family of modest means, his father being an insurance salesman; but he was nonetheless sent off to private schools to obtain a good education.
