Already Gone Harper Collins

Having grown up in church, an alarming percentage of people have now traded in the timeless beliefs of Scripture for a more comfortable, postmodern faith or secular worldview. They have waded so deep into the culture that the current has swept them away with the pluralism of biblical compromise and secular indoctrination. *Ready to Return* explores: Why this is happening, and more importantly, what can be done about it to help bring back a godly generation. New persuasive research that clearly reveals shocking details about views on the Church and faith by people in their 20s, known as millennials. Conclusive evidence we cannot ignore, showing a lack of effective biblical apologetics in homes and churches, compromise with secular beliefs, secular education, and failures on the part of previous generations, contributes greatly to this dilemma. Within these pages is more than just a clinical diagnosis of the Church's current condition and how we got here. It's a simple and powerful call to return to the Church's fundamental mission to reach the world! If we are to bring back this lost generation, we need a proven strategy and willingness to present truth, a biblical battle plan, and spiritual soldiers.

The Dream Traveler's Quest (4 Book Set) Thomas Nelson Inc

A stick figure boy grows up, eventually leaving home and starting a stick family of his own.

You Can Stop Fighting With Your Children! Here is the bestselling book that will give you the know-how you need to be more effective with your children and more supportive of yourself. Enthusiastically praised by parents and professionals around the world, the down-to-earth, respectful approach of Faber and Mazlish makes relationships with children of all ages less stressful and more rewarding. Their methods of communication, illustrated with delightful cartoons showing the skills in action, offer innovative ways to solve common problems.

100 Questions for Mom Philomel

Close to 60 percent of young people who went to church as teens drop out after high school. Now the bestselling author of *unChristian* trains his researcher's eye on these young believers. Where Kinnaman's first book *unChristian* showed the world what outsiders aged 16-29 think of Christianity, *You Lost Me* shows why younger Christians aged 16-29 are leaving the church and rethinking their faith. Based on new research, *You Lost Me* shows pastors, church leaders, and parents how we have failed to equip young people to live "in but not of" the world and how this has serious long-term consequences. More importantly, Kinnaman offers ideas on how to help young people develop and maintain a vibrant faith that they embrace over a lifetime.

Your House Is on Fire, Your Children All Gone New Leaf Publishing Group

What could toddlers be thinking and feeling as they wean from breastfeeding? Depending on age and development, some might not be able to express what they think and feel with words. In *My Milk Will Go, Our Love Will Grow*, we hear a toddler's questions and feelings during an honest conversation between mother and child. This heartwarming book uses rhyme, short sentences, and beautiful illustrations to convey a message of love and reassurance as the child learns that mother will still nurture and meet both physical and emotional needs when breastfeeding ends. This book will be a special keepsake for both mothers and children, showing the beauty of the nursing relationship. Weaning can be difficult with or without a children's book about weaning. However, the stress of weaning can be lessened when mothers have a resource to help toddlers acknowledge and understand this significant transition. The book was written to help mothers talk to toddlers about weaning. It can be helpful during the weaning process, and it can help newly weaned toddlers and toddlers with a new nursing sibling. All mothers who have breastfed a baby may want to have this book to represent the beautiful nurturing they offered their children. *My Milk Will Go, Our Love Will Grow* was written in rhyme, making it a unique weaning book. It can be used as a helpful tool to assist toddlers, and, as a special keepsake for mothers and their children. It has 38 pages, each with illustrations by Sheila Fein. Toddlers will be drawn to the colorful, realistic illustrations of mother and child. The book also includes a page of tips to help parents use the book in a variety of ways to support toddlers.

Already Gone Harper Collins

The myths and truths of teen's sexual behavior. Winner of the 2015 Brian McConnell Book Award presented by the International Society for Contemporary Legend Research. To hear mainstream media sources tell it, the sex lives of modern teenagers outpace even the smuttiest of cable television shows. Teen girls "sext" explicit photos to boys they like; they wear "sex bracelets" that signify what sexual activities they have done, or will do; they team up with other girls at "rainbow parties" to perform sex acts on groups of willing teen boys; they form "pregnancy pacts" with their best girlfriends to all become teen mothers at the same time. From *The Today Show*, to CNN, to the *New York Times*, stories of these events have been featured widely in the media. But are most teenage--or younger--children really going to sex parties and having multiple sexual encounters in an orgy-like fashion? Researchers say no--teen sex is actually not rampant and teen pregnancy is at low levels. But why do stories like these find such media traffic, exploiting parents' worst fears? How do these rumors get started, and how do they travel around the country and even across the globe? In *Kids Gone Wild*, best-selling authors Joel Best and Kathleen A. Bogle use these stories about the fears of the growing sexualization of childhood to explore what we know about

contemporary legends and how both traditional media and the internet perpetuate these rumors while, at times, debating their authenticity. Best and Bogle describe the process by which such stories spread, trace how and to where they have moved, and track how they can morph as they travel from one medium to another. Ultimately, they find that our society's view of kids raging out of control has drastic and unforeseen consequences, fueling the debate on sex education and affecting policy decisions on everything from the availability of the morning after pill to who is included on sex offender registries. A surprising look at the truth behind the sensationalism in our culture, *Kids Gone Wild* is a much-needed wake-up call for a society determined to believe the worst about its young people.

NATIONWIDE POLLS AND DENOMINATIONAL REPORTS ARE SHOWING THAT THE NEXT GENERATION IS CALLING IT QUILTS ON THE TRADITIONAL CHURCH.

Elevating Child Care Harper Collins

From the creator of the popular website *Ask a Manager* and *New York*'s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party. Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work." —Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience." —Library Journal (starred review) "I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor." —Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way." —Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Solve toddler challenges with eight key mindshifts that will help you parent with clarity, calmness, and self-control. In *Why is My Child in Charge?*, Claire Lerner shows how making critical mindshifts—seeing children's behaviors through a new lens—empowers parents to solve their most vexing childrearing challenges. Using real life stories, Lerner unpacks the individualized process she guides parents through to settle common challenges, such as throwing tantrums in public, delaying bedtime for hours, refusing to participate in family mealtimes, and resisting potty training. Lerner then provides readers with a roadmap for how to recognize the root cause of their child's behavior and how to create and implement an action plan tailored to the unique needs of each child and family. *Why is My Child in Charge?* is like having a child development specialist in your home. It shows how parents can develop proven, practical strategies that translate into adaptable, happy kids and calm, connected, in-control parents.

Ask a Manager Macmillan + ORM

With a light and humorous touch, Charlene Ann Baumbich shows parents how to enjoy their time with their children.

Reset for Parents Penguin

A gripping and compulsive thriller from the author of *The Couple in Room 13* Jake Reese is an ordinary guy with an ordinary job, trying to block out the memory of his violent past by planning for the future with his new wife, Diane. But the past has a habit of refusing to stay buried... When two men attack Jake in a car park and cut off his ring finger, he tries to dismiss it as an unlucky case of being in the wrong place at the wrong time. But when events take a more sinister turn and Diane goes missing, Jake knows he can no longer hide from the truth. As he embarks on a mission to find Diane, Jake finds himself dragged back into the life he thought he had walked away from forever and the days ahead begin to unfold in terrifying ways... Praise for John Rector: 'A well-crafted, tightly plotted thriller which steadily cranks up the sense of menace page by page. You know something bad's going to happen and just have to keep reading...' Simon Kernick, Sunday Times bestselling author of *Die Alone* 'Clean, lean writing. Pure story with no padding. The pace was cracking and the tension cranked up with each chapter. I inhaled it! Allie Reynolds, author of *Shiver* 'Portents of disaster accumulate like wind-driven snow... A sly and very accomplished first novel' Booklist 'Highly rewarding... I just couldn't stop reading... There's no better place to spend a few imaginative hours these days than Rector's snowbound motel' National Review 'Highly suspenseful, highly provocative... has elements of the teen horror film *I Know What You Did Last Summer* and the classic, groundbreaking *Psycho*... highly recommended' Gumshoe Review 'One of the most violent, frightening and gripping books I have ever read. The phrase "I could not put it down" fits here -- and the ending stopped me COLD. An outstanding read -- don't miss this

one!' Beyond her Book, Publisher's Weekly 'A novel that compels you to read on - even though there are times you are too scared to. Brilliant' Sun 'Rector is the best find I've made all year' Tony Black 'Wonderfully compelling. Could almost see the film racing across my eyes' Maxim Jakubowski 'Tense, taut, throat-grabbing. John Rector is far more accomplished than his years. Reads like a cross between No Country for Old Men and Deliverance. Terrific' Eric Van Lustbader 'One of the best debuts I've read in a very long time' Scott Phillips My Milk Will Go, Our Love Will Grow NYU Press

A school bell rang in the morning followed by a frantic call to 911 and ending in every parents worst nightmare. A school shooting. Children's lives robbed, teachers teaching halted forever. Death. Loss. A changed nation, in shock forever. A society left asking question on what is happening to our younger generation. Parents left asking how they pick up the pieces with their hearts being ripped from their very chest. A nation left wondering where had all the children gone? Where do they go when life is lost? How does one find comfort among madness and tragedy; Make sense of the unimaginable. In moments of great loss one needs to look within themselves to pull strength but sometimes one needs to look inward, outward and upward to make sense of something that makes no sense at all. Find peace, hope, love and closure in a time of unbearable events that cripple your very soul and leave you resting on your knees. To find a smile through breaking and falling tears. To give something to hold onto after your arms are left childless, something to embrace.

Inspired by Sandy Hook School shooting, however the events within are solely fiction and not intended to be modeled after actual people or the actual event

Something Happened in Our Town CreateSpace

Over 100,000 copies in print! If you look around in your church today, two-thirds of the young people who are sitting among us have already left in their hearts; soon they will be gone for good. This is the alarming conclusion from a study Answers in Genesis commissioned from America's Research Group, led by respected researcher Britt Beemer. The results may unnerve you - they may shake long-held assumptions to the core - but these results need to be taken seriously by the church. Already Gone reveals: • Why America's churches have lost an entire generation of believers • The views of 1,000 twenty-somethings, solidly raised in the church but no longer attending - and their reasons why • Relevant statistical data effectively teamed with powerful apologetics The study found that we are losing our kids in elementary, middle school, and high school rather than college, and the "Sunday school syndrome" is contributing to the epidemic, rather than helping alleviate it. This is an alarming wake-up call for the church, showing how our programs and our approaches to Christian education are failing...and our children are paying the price. Though the statistics reveal a huge disconnect taking place between our children and their church experience, Already Gone shows how to fight back for our families, our churches, and our world. We can make a difference today that will affect the statistics of tomorrow in a positive and Christ-focused way!

Where Have All the Children Gone Faber & Faber

For fans of We Were Liars and One of Us Is Lying, Bridget E. Baker's Already Gone will leave you guessing until the last page. Lacy Shelton and her sister Hope couldn't be more different, despite being less than a year apart in age. Lacy is captain of the debate team, poised to be Valedictorian of the high school and waiting for an admission letter from Yale any day. Hope is captain of the swim team, but will be happy if she gets into community college. Hope has taken everything Lacy ever wanted, from pacifiers to high heels. But Lacy won't let that happen again, not this time. She won't let Hope take the new guy in school, and she sure as heck won't let Hope ruin her chances with Yale. Until a shocking death changes all of Lacy's plans. Now stuck in a court-mandated psychiatrist's office, she's forced to relive the months leading up to the tragedy to determine whether Hope will take her future, too. Alternating between Lacy's and Hope's points of view, Already Gone pieces together a tense puzzle of sisterhood, betrayal, mistakes, and ultimately forgiving someone who can be gone in a blink. keywords: suspense, ya suspense, suspense, romantic suspense, ya romance suspense, we were liars, one of us is lying, karen McManus, big little lies, romance, teen books, best books for teens, clean romance, clean ya romance, summer reads, depression, survivor, college, coming of age.

A Powerful Approach to Bringing God's Grace to Kids Did you know that the way we deal (or don't deal) with our kids' misbehavior shapes their beliefs about themselves, the world, and God? Therefore it's vital to connect with their hearts--not just their minds--amid the daily behavior battles. With warmth and grace, Jim and Lynne Jackson, founders of Connected Families, offer four tried-and-true keys to handling any behavioral issues with love, truth, and authority. You will learn practical ways to communicate messages of grace and truth, how to discipline in a way that motivates your child, and how to keep your relationship strong, not antagonistic. Discipline is more than just a short-term attempt to modify your child's actions--it's a long-term investment to help them build faith, wisdom, and character for life. When you discover a better path to discipline, you'll find a more well-behaved--and well-believed--kid.

The author of "Down and Across" pens an inventive and hauntingly timely story of a 17-year-old coder's catapult to stardom, reminiscent of "The Social Network" with a "Ready Player One" twist. "The perfect thriller for the virtual reality era."--Brendan Reichs, "New York Times" bestselling author of "Nemesis."

Grown and Flown New Leaf Publishing Group

Parents and students sacrifice large sums of money for a Christian college education. Why? They are purchasing a guarantee their child's faith in God and the Bible will be guarded and developed. But is the Bible being taught? Will they graduate believing in the inerrancy of Scripture, the Flood of Noah's Day, and a literal six day creation? Apologetics powerhouse Ken Ham and Dr. Greg Hall reveal an eye opening assessment of 200 Christian colleges and universities. In an unprecedented 2010 study by America Research Group, college presidents, religion and science department heads were polled on critical areas of Scripture and core faith questions.

Already Gone Rockridge Press

PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high

school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

Already Compromised Baker Books

Like a safe harbor at the edge of an angry sea, the suburban neighborhood is an environment of protection from the world and all its dangers. Or is it? In this book, Christian activist Rebecca Hagelin shows that in today's all-consuming culture of corruption there is nowhere left to hide--American homes have already been invaded by this insidious enemy that seeks to twist our minds and poison our hearts through the unmonitored Internet, television, magazines, and music that our families ingest on a daily basis. With warm words of encouragement and practical suggestions, Hagelin coaches parents on how to arm themselves with information, strategically plan the movements of their family members, secure allies in the battle, and most of all, muster the guts and the resolve to lead their families to victory. --From publisher description.

Girl Gone Viral Viking Books for Young Readers

Building and Sustaining a Thriving Leadership Culture Essential to every healthy church is a biblical model of leadership. In the New Testament, church leadership is built around a team of elders working together, each bringing his own unique skills and gifts to the cause of shepherding the flock God entrusted to them. However, in many churches today the principle of plurality in leadership is often misunderstood, mistakenly applied, or completely ignored. Dave Harvey encourages church leaders to prioritize plurality for the surprising ways that it helps churches to flourish. This book not only builds a compelling case for churches to adopt and maintain biblical elder pluralities guided by solid leadership but also supplies practical tools to help elders work together for transformation.
