Most people know that there are 70 million Baby Boomers in America today....but what is less known is that there are approximately 100 million people in America between the ages of 16 and 30. This generation has just entered, or will soon be entering the work force. And they have no idea how to invest, save, or handle their money. Young people today come out of school having had little or no formal education on the basics of money management. Many have large debts from student loans looming over their heads. And many feel confused and powerless when their pricey educations don't translate into high paying jobs. They feel that their \$30,000-\$40,000 salary is too meager to bother with investing, and they constantly fear that there will be "too much month left at the end of their money." Douglas R. Andrew has shown the parents of this generation a different pathway to financial freedom. Now Doug and his sons, Emron and Aaron - both of whom are in their mid-20s - show the under-30 crowd how they can break from traditional 401k investment plans and instead can find a better way by investing in real estate, budgeting effectively, avoiding unnecessary taxes and using life insurance to create tax-free income. With the principles outlined in Millionaire by Thirty, recent graduates will be earning enough interest on their savings to meet their basic living expenses by the time they're 30. And by the time they're 35, their investments will be earning more money than they are, guaranteeing them a happy, wealthy future.

ON THE RUN Emma McKinnon must escape an unwanted suitor and his manipulative sister, who won ' t take no for an answer. Marriage might save her from destitution, but she ' d only be trading one nightmare for another. As a penniless vicar's daughter, she has nothing to lose except ownership of her heart. Emma takes a position as a governess on Star Frost, an elusive island off the coast of Cornwall. From the moment of his birth, Calvin Stanley West, Duke of Renvere, was blessed. But none of his successes and wealth could have prepared him for the fire that killed his wife and left him and one of his daughters horrifically scarred. Worse still, the same glittering aristocratic society that had bowed in his presence now whispered cruel insults about his children. He abandoned his life, his prestige, and secreted his daughters away to a place where no whispered barbs would reach their precious ears. THEY CAN ' T HIDE FOREVER Calvin ' s prayers are answered when a governess arrives on his doorstep, but this is no ordinary governess. She ' s young, beautiful, and she stirs a passion inside him he thought had been burned away forever. Emma swiftly becomes enamored with Star Frost and her new charges. But the duke, though scarred and intimidating, is also kind, dedicated to his children, and the most handsome man she ' d ever seen. He makes her long for things she ' d been raised to never feel. Is it a trick of the mysterious island or is the duke the one man her heart has yearned for all along? Just when she feels safe and the attraction between them ignites into a passionate affair, the people she ran from have hunted her down, shattering her hopes. Emma ' s instinct is to run again, but if she does, she will have to give up everything she loves or stay and fight for her heart ' s desire. The choice should be easy, but is desire enough

for her? Can Calvin love her in return or will the memory of his wife turn their passionate affair to ash?

New York Times bestselling author, Food Network star, and The Pioneer Woman herself, Ree Drummond brings us the first book in a brand-new picture book series! In Ree's own words:

“ I was all grown up when I moved out to the country. When I first arrived, I felt so out of place! But eventually, I looked around and discovered all the wonderful things about country life. So I decided to write a story about my experiences, as seen

through the eyes of a little girl named Ree. Little Ree moves to the country and feels as scared and unsure as I was. But then she finds that if she sets her mind to it, being a country girl is a pretty cool thing. Come along on her adventures! ” Little Ree trades in her city days for a country way of life when she moves with her family to her grandparents ’ ranch. She ’ s excited to ride horses, swim in the pond, and help Grandma cook for everyone. But on her first day, she finds that living on a ranch can be tough. She has to get up at the crack of dawn, learn to herd cows, and make sure her horse, Pepper, doesn ’ t eat everything in sight. And that ’ s all before breakfast! Will she ever get used to this new place? Luckily, the end of the day brings a big family barbecue...and the happy discovery that being a country girl isn ’ t about the right pair of boots, it ’ s all about the right attitude. With warmth, humor, and stories inspired by life on the ranch, Ree Drummond ’ s new picture book introduces us to a spunky new picture book star and treats us to a special pancake recipe at the end!
