The Ego in Freud's Theory and in the Technique of Psychoanalysis, 1954-1955 Grove Press

Winner of the Commonwealth Prize New York Times Book Review—Notable Fiction 2002 Entertainment Weekly—Best Fiction of 2002 Los Angeles Times Book Review—Best of the Best 2002 Washington Post Book World—Raves 2002 Chicago Tribune—Favorite Books of 2002 Christian Science Monitor—Best Books 2002 Publishers Weekly—Best Books of 2002 The Cleveland Plain Dealer—Year's Best Books Minneapolis Star Tribune—Standout Books of 2002 Once upon a time, when the earth was still young, before the fish in the sea and all the living things on land began to be destroyed, a man named William Buelow Gould was sentenced to life imprisonment at the most feared penal colony in the British Empire, and there ordered to paint a book of fish. He fell in love with the black mistress of the warder and discovered too late that to love is not safe; he attempted to keep a record of the strange reality he saw in prison, only to realize that history is not written by those who are ruled. Acclaimed as a masterpiece around the world, Gould's Book of Fish is at once a marvelously imagined epic of nineteenth-century Australia and a contemporary fable, a tale of horror, and a celebration of love, all transformed by a convict painter into pictures of fish.

"When Tadpole was born, I spent a sleepless night on the maternity ward gazing intently into her inky, newborn eyes, grappling to come to terms with the indisputable fact that this was an actual person looking back at me, not just a version of Mr. Frog, or me, or both, in miniature. From the outset she seemed to know what she wanted, and I realized I could have no inkling of the paths she would choose to follow. But if I watch her life unfold carefully enough, perhaps I will see clear signposts pointing to who or what she will become. Because when I look backward, ransacking my own past for clues with the clarity that only hindsight can bring, a series of defining moments do stand out. Moments charged with significance; snapshots of myself which, if I join the dots together, lead me unswervingly to where I stand today: from French, to France, to Paris, and to Petite Anglaise." [ed. note - excerpted from *Petite Anglaise*, p.4] Catherine Sanderson has a beautiful bilingual daughter, an authentic French boyfriend, and a Paris apartment with bohemian charm. She has what she has always wanted — a life in France. Growing up in Yorkshire amidst a traditional family, Catherine had set her sights on a different life — a life that would immerse her in an exotic language and culture. From grammar school French lessons to teaching English in Normandy and finally to a permanent job in Paris, she was determined that France would be the place she would call home. But now that she does, things are not so idyllic. Catherine wonders just when her life in Paris turned from wine to vinegar: She's stuck in a dead-end administrative job, her relationship with her boyfriend has settled into a dreary routine, and the birth of their daughter has not helped to reignite the dying fire of her relationship. The remedy to her dissatisfaction arrives in the morning headlines. While scanning the news of the day, Catherine becomes intrigued by a story profiling an internet diarist. After exploring one blog after another, and in one exhilarating moment, Catherine decides to create her own online persona, her *jardin secret*. At that moment, she is transformed from Catherine to *Petite Anglaise*, her boyfriend to Mr. Frog, her daughter to Tadpole, and her life to something she could never have predicted. What begins as a lighthearted diversion, a place to discuss the fish-out-of-water challenges of ex-pat life in Paris, soon gives way to a raw forum for her to bare her most intimate secrets and impulsive desires. Thousands of readers log-on to the blog and are witness to the ever-widening gulf between *Petite Anglaise* and Mr. Frog. Those public revelations of her growing frustrations, which play out in each successive post, begin to surreptitiously yet irrevocably erode their relationship.

The Book of Mother HarperCollins

A New York Times Notable Book A Library Journal Best Book of 2021 A "marvelous...superbly effective" (The New Yorker) debut novel about a young woman coming of age with a dazzling yet damaged mother who lived and loved in extremes. Met by rave reviews in The New Yorker, The New York Times, and more, this stunning translation of Violaine Huisman's "witty, immersive autofiction showcases a Parisian childhood with a charismatic, depressed parent" (Oprah Daily). Beautiful and magnetic, Catherine, a.k.a. "Maman," smokes too much, drives too fast, laughs too hard, and loves too extravagantly, and her daughter Violaine wouldn't have it any other way. But when Maman is hospitalized after a third divorce and a breakdown, everything changes. Even as Violaine and her sister long for their mother's return, once she's back Maman's violent mood swings and flagrant disregard for personal boundaries soon turn their home into an emotional landmine. As the story of Catherine's own traumatic childhood and adolescence unfolds, the pieces come together to form an indelible portrait of a mother as irresistible as she is impossible, as triumphant as she is transgressive. With spectacular ferocity of language, a streak of dark humor, and stunning emotional bravery, *The Book of Mother* is an exquisitely wrought story of a mother's dizzying heights and devastating lows, and a daughter who must hold her memory close in order to surrender, and finally move on.

Kenzaburo Oe was awarded the Nobel Prize in Literature for creating "an imagined world, where life and myth condense to form a disconcerting picture of the human predicament today." In *Death by Water*, his recurring protagonist and literary alter-ego returns to his hometown village in search of a red suitcase fabled to hold documents revealing the details of his father's death during WWII: details that will serve as the foundation for his new, and final, novel. Since his youth, renowned novelist Kogito Choko planned to fictionalize his father's fatal drowning in order to fully process the loss. Stricken with guilt and regret over his failure to rescue his father, Choko has long been driven to discover why his father was boating on the river in a torrential storm. Though he remembers overhearing his father and a group of soldiers discussing an insurgent scheme to stage a suicide attack on Emperor Mikado, Choko cannot separate his memories from imagination and his family is hesitant to reveal the entire story. When the contents of the trunk turn out to offer little clarity, Choko abandons the novel in creative despair. Floundering as an artist, he's haunted by fear that he may never write his *tour de force*. But when he collaborates with an avant-garde theater troupe dramatizing his early novels, Kogito is revitalized by revisiting his formative work and he finds the will to continue investigating his father's demise. Diving into the turbulent depths of legacy and mortality, *Death by Water* is an exquisite examination of resurfacing national and personal trauma, and the ways that storytelling can mend political, social, and familial rifts.

William T. Vollmann has set out on what is perceived as impossible for a heterosexual genetic male: to envision himself as a woman. In these photographs, block prints and watercolour drawings, Vollmann portrays his alter ego, Dolores, with whimsicality and sometimes with cruelty. *The Book of Dolores* brings the genre of self-portraits to a new level of vulnerability and bravery. In the process, it offers virtuoso performances of photographic techniques, including the seductively difficult gum bichromate method. Each section of the book features an essay.

A journalist's provocative and spellbinding account of her eighteen months spent disguised as a man. Norah Vincent became an instant media sensation with the publication of *Self-Made Man*, her take on just how hard it is to be a man, even in a man's world. Following in the tradition of John Howard Griffin (*Black Like Me*), Vincent spent a year and a half disguised as her male alter ego, Ned, exploring what men are like when women aren't around. As Ned, she joined a bowling team, took a high-octane sales job, went on dates with women (and men), visited strip clubs, and even managed to infiltrate a monastery and a men's therapy group. At once thought-provoking and pure fun to read, *Self-Made Man* is a sympathetic and thrilling *tour de force* of immersion journalism.

Jean-Luc Marion is one of the most prominent young philosophers working today and one of the best contemporary Descartes scholars. *Cartesian Questions*, his fifth book on Descartes, is a collection of seven essays on Descartes' method and its relation to his metaphysics. Marion reads the philosopher's *Discourse on Method* in light of his *Meditations*, examining how Descartes' metaphysics changed from one book to the other and pursuing such questions as the status of the ontological argument before and after Descartes. The essays touch on the major themes of Marion's career, including the connection between metaphysics and method, the concept of God, and the constitution of the thinking subject. In their range, the essays are an excellent introduction to Marion's thought as well as a subtle and complex interpretation of Descartes. The collection is a crucial work not only for scholars of Descartes but also for anyone interested in the state of contemporary French philosophy. "Besides the impact of their content, the clarity and reach of these essays force one to consider foundational questions concerning philosophy and its history."—Richard Watson, *Journal of the History of Philosophy* Renegades Vintage

the eagerly-awaited new novel from Gao Xingjian, the first Chinese recipient of the Nobel Prize for Literature. Full of wisdom, wit, pain and redemption, *One Man's Bible* is a book which sets out to make sense of the horror that was China's Cultural Revolution (1966-1976). There has been much written about this period, and the Chinese people are often portrayed as innocent victims, powerless to stop the government stamping any cultural pursuit that wasn't state-sanctioned. Gao argues however that everyone - from paddy-field worker to government cadre - was complicit and should take responsibility for what happened. Some 30 years later, the book's main character reflects on the tragedy and absurdity which swept through China under Mao's rule, recalling the endless rounds of recrimination and the policing of every word and deed - how nothing that did not conform to the mandates of the state or the Party was allowed and anyone who dared speak out was denounced, imprisoned or killed. He traces his perilous path through those times and examines every aspect of his life.
